Pennsylvania Delegate Selection Plan For the 2020 Democratic National Convention

Section I. Introduction & Description of Delegate Selection Process

A. Introduction

1. Pennsylvania has a total of 210 delegates and 16 alternates. (Call I & Appendix B)
2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2020 Democratic National Convention (“Rules”), the Call for the 2020 Democratic National Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention (“Regs.”), the rules of the Democratic Party of Pennsylvania, the Pennsylvania Election Code, and this Delegate Selection Plan. (Call II.A)
3. Following the adoption of this Delegate Selection Plan by the Executive Committee of the Pennsylvania Democratic Party, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. Description of Delegate Selection Process

1. Pennsylvania will use a proportional representation system based on the results of the Primary for apportioning delegates to the 2020 Democratic National Convention.
2. The “first determining step” of Pennsylvania’s delegate selection process will occur on April 28, 2020, with a Primary.

C. Voter Participation

1. Participation in Pennsylvania's delegate selection process is open to all voters who wish to participate as Democrats. Voter Registration applications can be obtained at county boards of elections or by visiting www.padems.com or by visiting the official Commonwealth of Pennsylvania Department of State website at www.votespa.com. (Rule 2.A and Rule 2.C.)
 - a. Completing a voter registration application requires one to publicly declare their party preference by checking off their Party registration on the voter registration application and have that preference publicly recorded by filing the application with their county board of elections (Rule 2.A & Reg. 4.3);
 - b. Pennsylvania laws require electors to be an enrolled member of a political party no less than 30 days prior to the primary election. The deadline to register is March 29, 2020;
 - c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. (Reg. 4.3.C, 25 Pa.C.S.A. § 1301).
2. At no stage of Pennsylvania's delegate selection process shall any person be required directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. Petitions for District Level Delegates and Alternates must be filed and a filing fee of \$25.00 must be paid to the Pennsylvania Department of State by February 18, 2020. The Pennsylvania Democratic Party will without question pay the filing fee for any delegate or alternate candidate, upon timely request submitted by 5:00 p.m. on February 11, 2020. (Rule 2.D & Reg. 4.4)
3. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)
 - a. Pennsylvania Election Code 25 P.S. 229 states: "No Elector enrolled and registered as a member of any one particular party shall be allowed to receive or vote the ballot of any other political party at a primary election, and no elector who is not enrolled and registered as a member of some political party shall be permitted to vote at any Primary election." See Attachment 1
4. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by

virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. (*Rule 2.F*)

5. No person shall vote, participate, or register a preference in more than one (1) meeting of the delegate selection process, which is the first meeting in the delegate selection process. (*Rule 3.E & Reg. 4.7*)
6. Pennsylvania is participating in the state government-run presidential preference primary that will utilize government-run voting systems. The State Party through its officers and official action of the Democratic State Committee encouraged the General Assembly and the Governor to certify and purchase new voting equipment which shall be in operation throughout the Commonwealth in time for the 2020 elections. (See February 9, 2018 Directive Concerning the Purchase of Electronic Voting Systems). This new equipment ensures that the Commonwealth provides for the following:
 - a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; (*Rule 2.H.1*)
 - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (*Rule 2.H.2*)
 - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; (*Rule 2.H.3*)
 - d. Ensure that any direct recording electronic systems in place have a voter verified paper record; (*Rule 2.H.4*)
 - e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; (*Rule 2.H.5*)
 - f. Ensure that all voting systems have recognized security measures; (*Rule 2.H.6*)
 - g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. (*Rule 2.H.7*)
7. The Democratic State Committee operates, on a year-round basis, a voter protection program. That program is led by a Steering Committee made up of senior counsel throughout the Commonwealth who operate a DNC-certified comprehensive Voter Protection Plan so as to monitor, advocate, and provide year-round protection programs to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security. Further, the Democratic State

Committee with the assistance of the DNC and other financing sources expects to employ a full-time Voter Protection Director within the next several months. That director will report to the co-Chairs of the Steering Committee. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Democratic State Committee has encouraged its members of the General Assembly and the Governor to enact legislation and/or regulatory reform to permit the following (Rule 2.I and 2.I.1)

- a. Expand access to voting, including, no excuse absentee, same-day voter registration, and voting by mail; (Rule 2.I.1.a)
 - b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; (Rule 2.I.1.b)
 - c. Speed up the voting process and minimize long lines; (Rule 2.I.1.c)
 - d. Eliminate onerous and discriminatory voter identification requirements; (Rule 2.I.1.d)
 - e. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and (Rule 2.I.1.e)
 - f. Facilitate military and overseas voting. (Rule 2. I.1.f)
8. Pennsylvania statutes govern all forms of voter registration, including the delegate selection. As part of encouraging participation in the delegate selection process by registered voters, the Pennsylvania Democratic Party has been and is supporting legislative efforts to make voter registration easier, including supporting: (Rule 2.I.2)
- a. Voter registration modernization, including online voter registration and automatic and same-day registration; (Rule 2.I.2.a)
 - b. Pre-registration of high school students so that they are already registered once they reach voting age; (Rule 2.I.2.b)
 - c. Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; (Rule 2.I.2.c) and
 - d. Same-day or automatic registration of voters for the Democratic presidential nominating process. (Rule 2.I.2.d)

Due to the actions of the Pennsylvania Democratic Party and Democratic leadership in the Pennsylvania General Assembly, many of

above items have already been implemented or legislation has been proposed to modernize Pennsylvania's voter registration process. Specifically, on-line voter registration, and allowing high-school students to pre-register, have already been implemented.

9. The Pennsylvania State Party has taken steps to ensure an open and inclusive process and resist attempts at voter suppression and disenfranchisement by encouraging the legislature to pass certain legislation to provide for open primaries (Rule 2.J and Rule 2.J.1). *See, e.g., Senate Bill 1234 of 2018.* The State Party has previously supported litigation to oppose voter identification requirement laws and will continue to do so.
10. Pennsylvania is not a party-run caucus state.

D. Scheduling of Delegate Selection Meetings

1. The State Party is responsible for selecting the dates and times and locations and confirming the availability of publicly accessible facilities for all official meeting and events related to the delegate selection process. (Rule 3.A & Reg. 4.)
 - a. Such meetings must begin and end at reasonable hours;
 - b. Consider any religious observations that could significantly affect participation, and;
 - c. Be held at publicly accessible locations that are compliant with the Americans with Disabilities Act.

Section II. Presidential Candidates

A. Ballot Access

1. A presidential candidate gains access to the Pennsylvania presidential preference primary ballot by filing a "Declaration of Candidacy" form (see Attachment 6) with the Secretary of the Commonwealth. This form is available at the Pennsylvania Department of State, Bureau of Elections, Room 210 North Office Building, Harrisburg, PA 17120 or online at www.dos.pa.gov. The original signed and notarized Declaration of Candidacy must be filed, either in person or by mail, on or before January 13, 2020. "Pennsylvania Election Code 25 P.S. 2839.1 (B)" (Rule 1.A.7 & Rule 15.E)

The Pennsylvania Democratic Party has asked the DNC for a waiver from Rule 15.E, in regard to the deadline for presidential candidates declaring their candidacy. (See Attachment 4. Waiver granted, see Attachment 5)

2. Approved petitions are available to presidential candidates or their Authorized Representatives from the Secretary of the Commonwealth, Room 210 North Office Building, Harrisburg, Pennsylvania 17120 on January 8, 2020. The petitions must contain 2,000 signatures of registered and enrolled members of the Pennsylvania Democratic Party. A presidential candidate is required to pay a filing fee of \$200.00 and submit approved petitions by February 18, 2020. (*Rule 1.A.7*)
3. “Uncommitted” will not appear on the ballot as a presidential preference, and no individual will be permitted to file as a delegate candidate pledged as “uncommitted.” (*Rule 12.B, Rule 15.A, Rule 15.B, Rule 15.D, Rule 15.E, & Rule 15.H, 25 P.S. § 2839.1*)

B. Other Requirements

1. Each presidential candidate shall certify in writing to the Secretary of the Commonwealth and the State Democratic Chair, the name(s) of his or her authorized representative(s) by January 13, 2020. (*Rule 14.D.1*)
2. Each presidential candidate shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. (*Rule 6.1*)

Section III. Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. Pennsylvania is allocated 125 district-level delegates and 16 alternates, 12 of which are to be elected at the district-level and 4 to be elected at-large (*Rule 8.C, Call I.B, I.I, & Appendix B*)
2. District-level delegates and alternates shall be elected by a primary; a presidential preference primary that includes the election of delegates.
 - a. District-level delegate positions will be allocated to presidential preferences through a proportional representation system based on a primary, as the first determining step, to be held on April 28, 2020.
3. Apportionment of District-Level Delegates and Alternates
 - a. Pennsylvania’s district-level delegates and alternates are apportioned among the districts based on a formula giving: (*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A*)
 - b. Equal weight to the average vote for the Democratic candidates in the 2018 and 2016 statewide elections. This option was chosen because the

Pennsylvania 2020 Delegate Selection Plan

Pennsylvania Democratic Party felt that it was a truer indication of the Democratic votes as reflected by the interest in the presidential and gubernatorial elections of these two most recent elections.

- c. The number of men and the number of women in the state's total number of district-level delegates and alternates will not vary by more than one. (Rule 6.C.1 & Reg. 4.9)
- d. The district-level delegates and alternates are apportioned to districts as indicated in the following table:

The Pennsylvania Congressional Districts were realigned and renumbered by the Pennsylvania Supreme Court in the case of League of Women Voters v. Commonwealth, 178 A.3d 737 (Pa. 2018). Accordingly, the allocation reflected in this chart required a recalculation of the distribution. The DNC Data Department's new calculations provide for the distribution below. Furthermore, as the Congressional Districts did not align with the previous district numbering, the State Committee (through a coin toss) determined that the gender split in the first Districts with an odd number of Delegates and Alternates (in this case, CD 1) would include one additional male, alternating thereafter in the remaining Districts allotted an odd number of Delegates and Alternates.

District	Delegates			Alternates		
	Males*	Females*	Total	Males*	Females*	Total

4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. (*Rule 13.H*)
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2020 Democratic National Convention by filing a statement of candidacy designating his or her singular presidential preference and a signed pledge of support for the presidential candidate with the Pennsylvania Democratic Party – Delegate Department, PO Box 22356 Philadelphia, PA 19110 by January 27, 2020 at 5:00 pm. These forms will be available no later than December 30, 2019 from the Pennsylvania Democratic Party – Delegate Department at PO Box 22356 Philadelphia, PA 19110, online at www.padems.com, by contacting the State Party office at 717-920-8470, or by email at delegate2020@padems.com. Eligible delegate candidates will be contacted by the respective candidates' authorized representative by January 27, 2020, to obtain their official certified petitions for circulation and submission to the Pennsylvania Department of State. (*Rule 13.B, Rule 15.F & Reg. 4.23*)
 - 1) A district-level delegate candidate or alternate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline of January 27, 2020 at 5:00 pm, as listed above. (*Reg. 4.21*)

- 2) Only an individual who is approved by the State Party as an eligible candidate can appear on the ballot by meeting the pledge and petition requirements and by filing their petition with the Pennsylvania Department of State, Bureau of Elections, Room 210 North Office Building, Harrisburg, Pennsylvania 17120 not later than 4:30 pm February 18, 2020. (*Reg. 4.21*)
- 3) Petitions shall be on an approved form and will require 250 signatures of Democratic electors in the Congressional District. The first day to circulate nomination petitions is January 28, 2020. Petitions must be filed and a filing fee of \$25.00 must be paid by February 18, 2020. The Pennsylvania State Democratic Party will, without question, pay the filing fee for any Delegate candidate, upon timely request submitted by 5:00 p.m. on February 11, 2020. (*Rule 1.A.7, Rule 1.A.8 & Reg. 4.23*)
- 4) The Pennsylvania Democratic Party has asked the DNC for a waiver from Rule 15.F in regard to the 90 day prior to the Primary deadline for the filing of the statement of candidacy. (See Attachment 4) Waiver was granted by the DNC. (See Attachment 5)
- c. The number of valid signatures required of a delegate candidate or alternate to gain access to the primary ballot, and the fees required to be paid by a delegate candidate or alternate to gain access to the primary ballot, in connection with the Democratic presidential nominating process, shall not exceed those in effect in the Commonwealth of Pennsylvania as of January 1, 1994. (*Rule 15.D*)
- d. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions. (*Rule 13.C*)
5. Presidential Candidate Right of Review for District-Level Delegates and Alternates
 - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 12:00 pm on January 28, 2020, a list of all persons who have filed for delegate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by no later than 12:00 pm on January 29, 2020, a list of all such candidates he or she has approved, provided that, at a minimum, one (1) name remains for every delegate and alternate allocated to each district. Each presidential candidate, or that candidate's authorized representative(s), may file with the State Party by email or by fax. (*Rule 13.E.1, Reg. 4.24 & Reg. 4.25*)

- c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than 12:00 pm January 29, 2020.
 - d. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. It shall be the responsibility of the presidential candidate, or that candidate's authorized representative(s), to notify those delegates of their removal not later than 5:00 pm on January 29, 2020. (Rule 13.E & Reg. 4.24)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. (Rule 6.I & Reg.4.10.C)
6. Fair Reflection of Presidential Preference
- a. Presidential Primary - Proportional Representation Plan (Rule 14.A, Rule 14.B & Rule 14.D)
 - 1) The Pennsylvania presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
 - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. (Rule 14.F)
 - c. If a presidential candidate qualifies to receive delegates in a congressional district but fails to slate a sufficient number of delegate

candidates after April 28, 2020, the following procedure shall be used to fill these positions; (Rule 14.C)

- 1) Persons seeking to fill these district-level vacancies will file their declarations of candidacy and pledges of support no later than 12:00 pm on June 10, 2020 with the State Party Chair. The State Party Chair shall then convey, no later than 3:00 pm on June 10, 2020 a complete list of such delegate candidates to the appropriate presidential candidates or their authorized representatives.
- 2) Each presidential candidate, or that candidate's authorized representative(s), must file with the State Democratic Chair, no later than 3:00 pm on June 12, 2020, a list of all such candidates he or she has approved. Presidential candidates, or their authorized representatives, may not remove any candidate for a district-level delegate or alternate vacancy from the list of bona fide supporters unless, at a minimum, three (3) names remain for every such position to which a presidential candidate is entitled.
- 3) Selection of these district-level delegate or alternate vacancies occurs on June 13, 2020 by members of the Pennsylvania Democratic State Committee. This is after the election of district delegates or alternates on April 28, 2020.
- 4) All such candidates for vacancies shall be residents of the same congressional district from which they are to be elected. Only State Committee members from the relevant district, who sign a statement of support for the respective presidential candidate, are eligible to select the delegate and alternates. A majority of those voting will be required to elect delegates and alternates under this section.

7. Equal Division of District-Level Delegates and Alternates

- a. To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of the election of delegates in the district the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preference in order of vote-getting preference. In the case of non-binary gender delegates, they

shall not be counted in either the male or female category. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)

- 1) In districts with an odd number of delegates, the first delegate selected for the winning presidential preference must be of the same gender as the advantaged gender in that district. Following that determination, the allocation would continue alternating by gender for the winning presidential preference and any subsequent preferences.
 - 2) In districts with an even number of delegates, the highest-vote getting delegate candidate for the district's winning presidential preference will be the first delegate assigned. Following that determination, the state will then designate the remaining positions for that presidential preference and any subsequent preferences alternating by gender, as mathematically practicable. See Section (III.A.3.c.)
- b. After the delegates are selected, the alternates will be awarded, using the same process described above. See Section (III.A.3.c.)
8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within three (3) days following certification by the Pennsylvania Department of State. (Rule 8.C & Call IV.A)

B. Automatic Delegates

1. Automatic Party Leaders and Elected Officials
 - a. The following categories (if applicable) shall constitute the Automatic Party Leaders and Elected Official delegate positions:
 - 1) Members of the Democratic National Committee who legally reside in the state; (Rule 9.A.1, Call I.F, Call I.J, & Reg. 4.15)
 - 2) All of Pennsylvania's Democratic Members of the U.S. House of Representatives and the U.S. Senate; (Rule 9.A.3, Call I.H & Call I.J)
 - 3) The Democratic Governor; (Rule 9.A.4, Call I.H & Call I.J)
 - 4) "Distinguished Party Leader" delegates who legally reside in the state (Rule 9.A.5, Call I.G & Reg. 4.14)

- b. An Automatic delegate may run and be elected as a Pledged delegate. If an Automatic delegate is elected and certified as a Pledged delegate, that individual shall not serve as an Automatic delegate at the 2020 National Convention. (Call I.J)
- c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:
 - 1) Not later than March 6, 2020, the Secretary of the Democratic National Committee shall officially confirm to the State Democratic Chair the names of the Automatic delegates who legally reside in Pennsylvania. (*Rule 9.A*)
 - 2) Official confirmation by the Secretary shall constitute verification of the Automatic delegates from the categories indicated above. (*Call IV.B.1*)
 - 3) The State Democratic Chair shall certify in writing to the Secretary of the DNC the presidential preference of Pennsylvania's Automatic delegates 10 days after the completion of the State's Delegate Selection Process. (*Call IV.C*)
- 2. For purposes of achieving equal division between delegate men and delegate women within the state's entire convention delegation (determined by gender self-identification), the entire delegation includes all pledged and Automatic delegates, including those who identify as male or female. (*Rule 6.C and Reg. 4.9*)

C. Pledged Party Leader and Elected Official (PLEO) Delegates

- 1. Pennsylvania is allotted 20 pledged Party Leader and Elected Official (PLEO) delegates. (*Call I.D, Call I.E & Appendix B*)
- 2. Pledged PLEO Delegate Filing Requirements
 - a. Individuals shall be eligible for the pledged Party Leader and Elected Official delegate positions according to the following priority: big city mayors and state-wide elected officials (to be given equal consideration); state legislative leaders, state legislators, and other state, county and local elected officials and party leaders. Automatic delegates who choose to run for PLEO delegate will be given equal consideration with big city mayors and state-wide elected officials. (*Rule 10.A.1 & Reg. 4.16*)

- b. An individual can qualify as a candidate for a position as a pledged PLEO delegate by submitting the standard signed pledge of support form (see Attachment 1) for their singular presidential preference to the Pennsylvania Democratic Party – per the instructions on Attachment 1 by 5:00 pm on June 9, 2020. (Rule 10.A.3, Rule 15.G, Reg.4.18 & Reg. 4.17)
 - c. Pledged PLEO delegate candidates must be identified as to singular presidential preference. (*Rule 9.B.3 & Reg. 4.16*)
 - d. Pledged PLEO delegate candidate may modify his or her singular presidential preference by submitting an updated pledge of support no later than 5:00 pm on June 9, 2020. (*Reg. 4.21*)
3. Presidential Candidate Right of Review
- a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 3:00 pm on June 10, 2020, a list of all persons who have filed for a party and elected official delegate pledged to that presidential candidate. (*Rule 10.A.3 & Rule 13.D*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must file with the State Democratic Chair, by 3:00 pm on June 12, 2020, a list of all such candidates they have approved, as long as approval is given to at least one (1) name for every position to which the presidential candidate is entitled. (*Rule 13.E.2 & Reg. 4.25*)
 - c. Section IV. Selection of Convention Standing Committee Members

A. Introduction

1. Pennsylvania has been allocated 6 member(s) on each of the three (3) standing committees for the 2020 Democratic National Convention (Credentials, Platform and Rules), for a total of 18 members. (*Call VII.A & Appendix D*)

2. Members of the Convention Standing Committees need not be delegates or alternates to the 2020 Democratic National Convention. (*Call VII.A.3*)
3. These members will be selected in accordance with the procedures indicated below. (*Rule 1.G*)

B. Temporary Standing Committee Members

Should a meeting of the Standing Committee of the Democratic National Convention be required prior to Pennsylvania's selection of permanent standing committee members on June 13, 2020, then the Pennsylvania Democratic State Committee will elect temporary standing committee members in the following manner:

1. Temporary members for the Convention Standing Committees or for a specific Convention Standing Committee, will be selected by the Executive Committee of the Pennsylvania Democratic Party at a meeting to be held five (5) days after the State Chair determines if temporary standing committee members are needed. The meeting shall be open to the public and well publicized in accordance with this plan. Members of Executive Committee of the Pennsylvania State Party shall receive timely notice of the meeting, in accordance with State Party rules. (*Call VII.G.2*)
2. Any Democrat may apply for a position as a temporary member of the standing committee(s). Persons wishing to be considered must submit a pledge form, attached to this document as Attachment 1, to the Pennsylvania State Party, no later than 72 hours prior to the time of the meeting. Pledge forms will be accepted via electronic transmission, fax, mail, or in person.
3. If members of more than one standing committee are to be selected, a separate election shall be conducted for membership on each of the standing committees. The male and female membership of standing committee(s) shall be as equally divided among men and women (determined by self-identification) as possible under the state allocation; i.e. the variance between men and women on any committee or, among the three committees in aggregate shall not exceed one. (*Call VII.E.2*) In the case of gender non-binary committee members, they shall not be counted as either a male or female, and the remainder of the standing committee members shall be equally divided between male gender (men) and female gender (women). (*Call VII.E.1*)
4. Temporary members serve only in the event that the respective standing committee is called to meet prior to completion of the state's delegate selection process and subsequent selection of permanent standing committee members. No temporary member may continue to serve after the selection of the permanent standing committee members unless they

are elected as a permanent member. *(Call VII.G.3)* Temporary Standing Committee members are not provided credentials at the Democratic National Convention.

5. Temporary members selected after the first determining step has occurred in a state shall reflect the Presidential preferences so established. *(Call VII.G.3)* Within 24 hours of the deadline to submit pledge of support forms referenced above, the State Party will submit the names of interested parties to the Authorized Representatives of the respective Presidential Campaigns. Presidential Candidates or their Authorized Representatives will then notify the State Chair of their approved individuals within 24 hours of receiving their list of interested individuals. Only those individuals approved by the Presidential Candidates will be eligible to stand for election of Temporary Standing Committee positions.

The State Chair shall certify the temporary standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection. Substitutions in a state's list of temporary members may only be made up to ten (10) days prior to the time the standing committee meets. Substitute temporary standing committee members will be selected at a meeting of the Executive Committee of the Pennsylvania State Committee in accordance with the Rules of the Democratic Party of the Commonwealth of Pennsylvania.

C. Standing Committee Members

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Pennsylvania's National Convention delegates, at a meeting to be held on June 13, 2020 following the Pennsylvania Democratic State Committee meeting and elections of the PLEO, At-Large and Alternate Delegates. *(Call VII.B.1)*
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. *(Call VII.B.1)*
2. Allocation of Members
 - a. The members of the standing committees allocated to Pennsylvania shall proportionately represent the presidential preference of all candidates receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. *(Call VII.C.1 & Reg. 5.9)*

- b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Pennsylvania. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2*)
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)
- 3. Presidential Candidate Right of Review
 - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (*Call VII.D.1*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, following the selection of the at-large delegates on Saturday June 13, 2020 a minimum of (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members from among names submitted by the presidential candidates. Presidential candidates shall not be required to submit the name of more than one (1) person for each slot awarded to such candidate for members of standing committees. (*Call VII.D.2*)
- 4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve

Pennsylvania's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. (*Rule 6.I & Reg. 4.10*)

- b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, and the next binary position, if one occurs, will be designated for a female, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.
 - 1) A separate election shall be conducted for membership on each standing committee.
 - 2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three (3) standing committees. (*Call VII.E.2*)
 - 3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). (*Call VII.E.1*)
 - 4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.

5. Certification and Substitution

- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection. (*Call VII.B.3*)

- b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected but not later than 48 hours before the respective standing committee meets, except in the case of death. (*Call VII.B.4*)

In the case of gender non-binary pages, they shall not be counted as either a male or female, and the remainder of the pages shall be equally divided. (*Reg. 5.7.A*)
3. The State Democratic Chair shall certify the individuals to serve as Pennsylvania's Convention Pages in writing to the Secretary of the

Democratic National Committee within three (3) days after the selection. (*Call IV.F.3 & Reg. 5.7.B*)

Section VI. Presidential Electors

A. Introduction

Pennsylvania will select 20 persons to serve as Presidential Electors for the 2020 Presidential election.

Pennsylvania law defines the process specifically: “The nominee of each political party for the office of President of the United States shall, within thirty days after his nomination by the National convention of such party, nominate as many persons to be the candidates of his party for the office of presidential elector as the State is then entitled to. *** The names of such nominees, with their residences and post office addresses, shall be certified immediately to the Secretary of the Commonwealth by the nominee for the office of President or Vice-President, as the case may be, making the nominations. Vacancies existing after the date of nomination of presidential electors shall be filled by the nominee for the office of President or Vice-President making the original nomination. Nominations made to fill vacancies shall be certified to the Secretary of the Commonwealth in the manner herein provided for in the case of original nominations.” 25 P.S. § 2878

C. Affirmation

1. Pennsylvania law does not provide for a requirement that a Presidential Elector certify in writing that they will vote for the election of the Democratic Presidential and Vice-Presidential nominees. Section VII. General Provisions and Procedural Guarantees

- A. The Pennsylvania Democratic Party reaffirms its commitment to an open party by incorporating the “six basic elements” as listed below. As our Party strives to progress in the fight against discrimination of all kinds, these six basic elements have evolved and grown along with the constant push for more inclusion and empowerment. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process. (Rule 4.A, Rule 4.B & Rule 4.C)

1. All public meetings at all levels of the Democratic Party in Pennsylvania should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”). (Rule 4.B.1)
 2. No test for membership in, nor any oaths of loyalty to, the Democratic Party in Pennsylvania should be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination based on “status.” (Rule 4.B.2)
 3. The time and place for all public meetings of the Democratic Party in Pennsylvania on all levels should be publicized fully and, in such manner, as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons. (Rule 4.B.3)
 4. The Democratic Party in Pennsylvania, on all levels, should support the broadest possible registration without discrimination based on “status.” (Rule 4.B.4)
 5. The Democratic Party in Pennsylvania should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures should be done in such fashion that all prospective and current members of the State Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization. As part of this, the State Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)
 6. The Democratic Party in Pennsylvania should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the State Democratic Party. Such publication should be done in timely fashion so that all prospective candidates or applicants for any elected or appointed position within each State Democratic Party will have full and adequate opportunity to compete for office. (Rule 4.B.6)
- B. Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. (Rule 5.B)

- C. Pennsylvania's delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, i.e. the number of men and women shall not vary by more than one. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification. In the case of gender non-binary delegates or alternates, they shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided by gender. *(Rule 6.C)*
- D. All delegate and alternate candidates must be identified as to presidential preference at all levels which determine presidential preference. *(Rule 13.A)*
- E. No delegate at any level of the delegate selection process shall be mandated by law or Party rules to vote contrary to that person's presidential choice as expressed at the time the delegate is elected. *(Rule 13.I)*
- F. Delegates elected to the national convention pledged to a presidential candidate shall in all good conscience reflect the sentiments of those who elected them. *(Rule 13.J)*
- G. Each delegate, alternate and standing committee member must be a bona fide Democrat who is faithful to the interests, welfare and success of the Democratic Party of the United States, who subscribes to the substance, intent and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith. *(Rule 13.H, Call VII.A.4 & Reg. 4.26)*
- H. No less than forty percent (40%) of the members of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of National Convention delegates, alternates, standing committee members, and other official Convention participants. *(Rule 16)*
- I. The State Party has also selected to establish representation goals for other underrepresented constituencies. These include organized labor and veterans (Rule 7 & Reg. 4.8.C.iii) (In previous plans a goal for Seniors had been established, but due to significant overrepresentation of Seniors in previous delegations, it was deemed unnecessary to specifically identify this category for representation goals in the 2020 delegation)

3. The Affirmative Action and Outreach Committee will solicit testimony, submissions, and factual data from the community and authoritative sources (i.e., the Census Bureau, the American Community Survey, and other governmental agencies) during the month of April 2019. They will then analyze that data and consult with appropriate leaders of the constituent group communities to test its validity. 6. The State Party shall take all feasible steps to encourage non-affiliated voters and new voters to register to vote, to provide simple procedures through which they may do so and to eliminate excessively long waiting periods for voters wish to register or to change their party enrollment status. (*Rule 2.C*)
7. The Affirmative Action Committee will develop a State Party strategy to be implemented beginning April 1, 2019 that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (*Rule 4.B.5*)

D. Efforts to Publicize the Delegate Selection Process

1. The State Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. (*Rule 4.B.3 & Rule 6.D*) See Exhibit 2.
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.
 - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of all meetings shall be effectively publicized, multilingually where necessary, to encourage the participation of minority groups. (*Rule 6.D*) See Exhibit 2.
4. Not later than September 13, 2019 the State Party will make information about the delegate selection process available on its website and publicize the resource through press releases and communications to Party leaders, activists and targeted constituencies. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. (*Rule 6.H.2*)
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach and inclusion goals and equal division for their respective delegations. (*Rule 6.C., Rule 6.I & Reg. 4.10*)
5. Presidential candidates shall also be encouraged to respect the wishes of groups who want to verify members of the various constituency groups. Any disputes of membership of potential delegates with regards to the respective constituency groups will be resolved by the Presidential candidates and the Credentials Committee.

F. Outreach and Inclusion Program

along with other groups of Americans who are also underrepresented in Party affairs.

2. Exhibit 1.B Affirmative Action Goals Rationale

One of the most significant issues debated amongst the members of our Affirmative Action & Outreach Committee and the public at large was determining the baseline number for our groups. In previous years, the Affirmative Action goals were based on the percentage of the Democratic electorate.

However, due to the success of our 2018 statewide candidates, Senator Bob Casey and Governor Tom Wolf in 2018, plus an increase of Latinx, Asian-American and Pacific Islanders, and Labor voters from 2016 to 2018 (which is projected to grow even more in 2020), it was debated that the Affirmative Action Committee should consider looking at percentages of the general population numbers or registered Democrat.

Of the three options, the percentage of the general population, percentage of Registered Democrats, and percentage of Democratic electorate, the majority of comments and public meeting attendees prefer a percentage of Registered Democrats

as our baseline. This ensures a standard benchmark across all Affirmative Action groups that are fair and clear to all interested parties.

According to the latest official report from the Pennsylvania Department of State, there are 4,030,797 registered Democrats in Pennsylvania. This will serve as our baseline number for determining Democratic registration for all the Affirmative Action groups.

AFRICAN-AMERICANS

- *PA population: 1,687,927 (13.1% of population)¹*
- *% of African-American registered to vote: 65.0%² or 1,097,153 voters*
- ***Percentage of registered Democrats: 24.5% or 52 out of 213 members of the delegation³***
- *For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 15.7% of the delegation's members.⁴*

LATINX

- *PA population: 934,915 (7.3% of population)⁵*
- *% of Latinx registered to vote: 5.1%⁶ or 430,186 voters*
- ***Percentage of registered Democrats: 6.6% or 14 out of 213 members of the delegation***
- *For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 2.8% of the delegation's members.⁷*

NATIVE AMERICANS

- *PA population: 24,995 (<1% of population)⁸*
- *% of Native Americans registered to vote: 66.0%⁹ or 16,497 voters*
- ***Percentage of registered Democrats: <1% or 1 out of 213 members of the delegation***
- *For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was <0.01% of the delegation's members.¹⁰*

ASIAN AMERICANS & PACIFIC ISLANDERS (AAPI)

- *PA population: 427,461 (3.3% of population)¹¹*

3 The method used for this is taking the % of vote share for Gov. Wolf (90%) and multiplying that by the total number of African-American voters. That number is then divided by the total number of registered Democrats in PA. This will be the method used for each group if there is no other data available for determining registration. The PA Department of State does not ask race on voter registration forms.

- % of AAPI registered to vote: 55.7%¹² or 238,361 voters
- **Percentage of registered Democrats 4.5% or 11 out of 213 members of the delegation¹³**
- For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 2.1% of the delegation's members.¹⁴

LGBTQ+

- PA population: 526,540 (4.1% of population)¹⁵
- % of LGBTQ+ registered to vote: 77.0%¹⁶ or 405,435 voters
- **Percentage of registered Democrats: 8.8% or 20 out of 213 members of the delegation¹⁷**
- For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 8.3% of delegation's members.¹⁸

PEOPLE WITH DISABILITIES

- PA population: 2,709,755 (21.1% of population)¹⁹
- % of Pennsylvanians with Disabilities registered to vote: 55.9%²⁰ or 1,514,753 voters
- **Percentage of registered Democrats: 18.4% or 39 out of 213 members of the delegation²¹**
- For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 13% of the delegation's members.²²

YOUNG PENNSYLVANIANS

- PA population: 3,157,558 (24.5% of population)²³
- % of Young Pennsylvanians registered to vote: 80.3%²⁴ or 2,537,916 voters

12 Source: Asian and Pacific Islander American Vote, 2018 Pennsylvania Fact Sheet

13 The AAPI population has a significant disparity between registration and voter preference. According to Pew Research, 44% of AAPI voters are registered Democrat, 44% are Independent, and 12% are Republican. However, 77% of AAPI voters ultimately voted for Democratic candidates in the 2018 midterm election. Therefore, the PA Democratic State Committee recommends that one additional delegate be allotted. The total real number of delegates is adjusted to equal 11.

The PA Democratic State Committee recommends that one additional delegate be allotted. Therefore, the total real number of delegates is adjusted to equal 20.

21 Due to a lack of available information on party registration among voters with Disabilities, we are assuming that the registration numbers would mirror Sec. Clinton's results in PA.

- **Percentage of registered Democrats: 29.3% or 62 out of 213 members of the delegation**²⁵
- For comparison, in 2016 the Affirmative Action goal prior to Pennsylvania being awarded bonus delegates was 25.6% of the delegation's members.²⁶

ORGANIZED LABOR²⁷

- PA population: 1,720,887 (13.4% of population)²⁸
- % of Organized Labor registered to vote: 29.6%²⁹ or 509,709 members
- **Percentage of registered Democrats: 7.2% or 15 out of 213 members of the delegation.**³⁰
- In 2016, there was no Affirmative Action goal for Organized Labor³¹

MILITARY VETERANS³²

- PA population: 819,185 (8.7% of population)³³
- % of Veterans registered to vote: 80%³⁴ or 655,348 veterans
- **Percentage of registered Democrats: 3.2% or 7 out of 213 members of the delegation**³⁵
- In 2016, there was no Affirmative Action goal for Military Veterans³⁶

25 Source: PA Department of State. Due to correcting our denominator in calculating the numeric goals, the need for the additional member of the delegation, as adopted in the previous plan is moot.

26 Source: PA Dems, 2016 DNC Delegate Selection Plan, Submitted to DNC, May 4 2015

27 The members of the Affirmative Action & Outreach Labor Sub-Committee determined that potential delegates who would represent Organized Labor at the 2020 National Convention must be "In Good Standing" with their respective unions. This is following the precedent set by the DNC for requiring potential Native American delegates to provide proof of the Tribe they belong to.

32 Suggestions were made by the members of the Affirmative Action & Outreach Military Veterans Sub-Committee to require a DD 214 form to prove "Honorable Discharge". However, due disputes individuals may have with discharge status, the Affirmative Action & Outreach committee Co-Chairs, PA Dems legal counsel, and PA Dems leadership did not recommend implementing such a requirement for this group.

PENNSYLVANIA DEMOCRATIC PARTY SUBMITS 2020 DELEGATE SELECTION PLAN TO DNC

PENNSYLVANIA -- The Pennsylvania Democratic Party's Executive Committee last week approved the 2020 Delegate Selection Plan and has submitted it to the Democratic National Committee for final approval. The plan was [made available](#) on the PA Dems website in April and had a 30 day comment period; along with a series of public meetings across Pennsylvania. The meetings provided an opportunity for Democrats to present their input into the draft Delegate Selection Plan and for Party officials to answer questions attendees may have had about the delegate selection process.

“We drafted our Delegate Selection Plan to represent the diversity and inclusivity of Pennsylvania Democrats, and we are committed to having our delegation to Milwaukee reflect the makeup of Pennsylvania,” said **Nancy Patton Mills, Chairwoman of the Pennsylvania Democratic Party**. “I encourage all Pennsylvania Democrats to engage in this process, make their voices heard, and consider running for a delegate position. We look forward to seeing everyone in Milwaukee next year.”

Pennsylvania’s total of 177 Delegates and 13 Alternate Delegates are chosen three ways and fit into four different categories. On Primary Day, April 28, 2020, Pennsylvania's Democrats will elect 100 delegates and ten alternate delegates within each of the commonwealth’s congressional districts. In June 2020, the Democratic State Committee will elect 33 At-Large Delegates and 3 At-Large Alternates, and 20 Delegates who are Pledged Party Leaders and Elected Officials (PLEO). The remaining delegates will automatically attain their position as Delegates due to being members of the Democratic National Committee, Pennsylvania's Congressional Delegation, or as Distinguished Leaders of the Democratic Party.

Additionally, the Democratic State Committee will elect six members to serve on each of the three Standing Committees (Rules, Credentials, Platform), five pages, and one individual to serve as the Chair of the Delegation at their June 2020 meeting.

The final plan, pending approval by the DNC’s Rules and Bylaws Committee, can be [read here](#).

Waiver requests – DNC Rules

I. Introduction and Description of Delegate Selection Process

B. Description of Delegate Selection Process, Section B.3

Rule 15.E - Pursuant to Pennsylvania's Title 25 – Election Code, declaration of presidential candidates must be made 15 days before the circulating of petitions which takes place 13 weeks before the General Primary election. In discussions with the Department of State, Bureau of Elections, the Pennsylvania Democratic Party has been told that this is a requirement of law and there is no indication that a change in State law is likely to happen anytime soon. The 15 day requirement before the petition circulation is necessary to prepare the petitions for the presidential preferences as their authorized delegate and alternate candidates as well as to know who the presidential candidates are that will be authorizing the delegates. As this is a requirement set forth by Pennsylvania law, we seek a waiver for Rule 15.E.

II. Selection of Delegates and Alternates

A. District-Level Delegates and Alternates, Section A.4

Rule 15.F - Pursuant to Pennsylvania's Title 25 – Election Code, filing deadline for submitting a statement of candidacy or pledge of support prior to 90 days before the date on which they are to be elected. Because State Election law requires that the circulation of petitions is to be 13 weeks before the Primary election. In discussions with the Department of State, Bureau of Elections, the Pennsylvania Democratic Party has been told that this is a requirement of law and there is no indication that a change in State law is likely to happen anytime soon. The 15 day requirement before the petition circulation is necessary to prepare the petitions for the presidential preferences as their authorized delegate and alternate candidates as well as to know who the presidential candidates are that will be authorizing the delegates. As this is a requirement set forth by Pennsylvania law, we seek a waiver for Rule 15.F.

Thank you for your consideration,
