State Delegate Selection Plan For the 2020 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. State has a total of 25 delegates and 2 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2020 Democratic National Convention* (“Rules”), the *Call for the 2020 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of State, the State election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the State Party Committee’s adoption of this Delegate Selection Plan, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. Description of Delegate Selection Process

1. State will use a proportional representation system based on the results of the semi-closed Primary election for apportioning delegates to the 2020 Democratic National Convention. Each political party in Idaho must notify the Secretary of State’s Office by November 24, 2019 of their plan to hold a Presidential Primary Election.
2. The “first determining step” of State’s delegate selection process will occur on March 10, with the Primary election run by the State of Idaho. The Idaho Republican Party Presidential Primary along with other local water districts, school bond and levies will also occur during this same election.

C. Voter Participation

1. Participation in State’s delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*

To become a qualified elector a citizen must first register to vote. You can do this in-person, via mail or online. A person must be a citizen of the United States, 18 years of age, a resident of Idaho and their county for 30 days prior to the election and registered as required by law with their County Clerk. A citizen may register with their County

Clerk up until 24 days prior to any election. You must provide an Idaho Driver's License number, Idaho Identification Card number, or the last four digits of your Social Security number. You may register in person with your County Clerk or by mail if your registration form is postmarked 24 days before any election. Idaho also provides for Election Day registration. To register on Election Day, bring a document with a valid address in your precinct and photo identification when you go to your polling place. Students of a post-secondary education institution may use student photo identification and a fee statement with an address in the precinct from their school to register on Election Day. Re-registration with their County Clerk is required if an elector changes their address. Re-registration is required if an elector changes their name by marriage or for another reason. If an elector has not voted in a Primary or General Election in the last four years re-registration is also required to be listed as a qualified elector in Idaho.

Acceptable forms of personal identification are:

- An Idaho driver's license or identification card issued by the Idaho Transportation Department,*
- A passport or photo identification card issued by an agency of the United States government,*
- A Tribal photo identification,*
- A Idaho student photo identification from an accredited institution of higher education including high school, college, university or technical school.*
- Personal Identification Affidavit*
- A qualified elector may sign a personal identification affidavit at the polling place and vote if they are unable to present an acceptable form of photo identification.*
- A license to carry a concealed weapon issued by a county sheriff in Idaho.*

By April 1, 2019 the Chairperson of The Idaho Democratic Party will notify the Secretary of State of our intention to allow unaffiliated voters to request a Democratic ballot for the 2020 primary election, showing that is their public declaration of Party preference and knowing that their ballot preference will be publicly recorded. (Rule 2.A)

Idaho currently gives voters the ability to affiliate with a Party when they register to vote or allows them to change their Party affiliation up to the 10th Friday prior to the Primary election, December 6 2019. (Idaho Code § 34-704) Unaffiliated voters may choose their Party affiliation on or before election day. (IDAHO CODE § 34-437A) Idaho law allows political parties the option of opening their primary elections to "unaffiliated" voters if they so choose. The party chairperson must notify the Secretary of State 6 months prior to the primary, by September 1, 2019, if the party intends to open its primary election to those outside the party. Any member of the public may request a public records request to receive a file of the voters who registered to vote, their Party affiliation and their ballot selection.

Voters can download a no-excuse absentee ballot application, print and mail or drop off to the County Clerk in the County in which the elector's Idaho residence is using. Or by submitting a written request with the required information (name of elector, residence address in Idaho and mailing address to which such registration or ballot is to be forwarded) signed by the applicant. The request must be received by the county clerk's office by the 11th day prior to the election. You can still cast an absentee ballot in person at the absent elector's polling place (usually the county clerk's office) up until 5 p.m. the Friday before the election.

Early voting and in-person absentee voting allows voters to vote in person at an early voting location just as you would on Election Day. Please contact your county clerk's office for early voting locations and hours of operation. January 24, 2020 is the last date that vote-by-mail ballots are sent to voters.

- c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election should be allowed to participate in the delegate selection process. (Reg. 4.3.C) Unfortunately, Idaho law currently does not allow for this possibility. Idaho Democrats believe that all should be done to encourage young people to participate in the electoral process. Therefore, during the 2019 Legislative Session a pre-registration at 17 years of age bill was crafted and put forth. Progress on the bill is pending.*

- d. At no stage of State's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*

The 2020 Idaho State Democratic Party State Convention will provide opportunities for candidates running for delegate to purchase voluntary advertising packages ie: program ads, buttons, hospitality rooms. Participants for convention will also be able to purchase meal tickets and memorabilia ranging in prices from \$35-\$75 for their convenience.

- e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
 - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. *(Rule 2.F)*
 - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*
2. *Idaho has a very effective Secretary of State who is charged with the following activities and generally exceeds expectations. Idaho Democratic Party Election Protection Committee regularly audits these activities and recruits poll watchers to ensure security and quality. The Secretary of States office has a tradition of cooperation and reasonableness in addressing any concerns registered by the Idaho Democratic Party lawyers or reports from our pollwatchers therefore nothing further is needed to accomplish the goals below.*
- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; *(Rule 2.H.1)*
 - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; *(Rule 2.H.2)*
 - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; *(Rule 2.H.3) Only 12 out of 44 lowest population counties still use paper.*
 - d. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4) N/A*
 - e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; *(Rule 2.H.5) N/A*
 - f. Ensure that all voting systems have recognized security measures; *(Rule 2.H.6)*
 - g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(Rule 2.H.7)*
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process. *(Rule 2.I and 2.I.1) The Idaho Secretary of*

State will be in charge of all ballot access and has not historically had issues with areas 3.b-3.f. Please see Page 5 Sec. 5 for explanation on how we plan to address any issues that may arise.

- a. *Expand access to voting, including by early voting, no excuse absentee, same-day voter registration, and voting by mail; (Rule 2.I.1.a) Idaho have very easy access to all these options. The Idaho Democratic Party's Election Protection Committee regularly petitions larger counties to add additional early voting locations. We also mail absentee ballot applications to the majority of likely Democratic voters to make it easier for them to request their absentee ballot.*
 - b. *Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; (Rule 2.I.1.b)*
 - c. *Speed up the voting process and minimize long lines; (Rule 2.I.1.c)*
 - d. *Eliminate onerous and discriminatory voter identification requirements; (Rule 2.I.1.d)*
 - e. *Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and (Rule 2.I.1.e)*
 - f. *Facilitate military and overseas voting. (Rule 2. I.1.f)*
4. *Idaho Democratic legislators regularly put forth election legislations that expands and protects our democratic rights. In 2012 they put together an Elections package of bills that they have continued to present and push forward. An automatic voter registration bill, pre-registration bill and same-day party affiliation bill were pending at the writing of this plan.*
- a. *Voter registration modernization, including online voter registration and automatic and same-day registration; (Rule 2.I.2.a)*
 - b. *Pre-registration of high school students so that they are already registered once they reach voting age; (Rule 2.I.2.b)*
 - c. *Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; (Rule 2.I.2.c) Idaho already has this.*
 - d. *Same-day or automatic registration of voters for the Democratic presidential nominating process.] (Rule 2.I.2.d)*
5. *The Idaho Democratic Party has a Voter Protection Team that conducts an election year survey with the Secretary of State and all County Election offices to ensure top performance of all election related activities. In addition, we recruit a team of poll watchers to observe and ensure all voters are being treated equally and within the legal boundaries. A team of regional lawyers report all incidents to our State attorney who contacts the Secretary of State or files legal challenges when necessary. This allows us to to ensure an open and inclusive process and resist attempts at voter suppression and disenfranchisement. (Rule 2.J and Rule 2.J.1)*

6. Scheduling of Delegate Selection Meetings. The dates, times and places for all official Party meetings and events related to the state’s delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. The state party is responsible for selecting the dates and times and providing the facilitates for all official meetings and events related to this process. Name:

Address:

Phone #:

Email:

I hereby declare my support for this presidential candidate (or declare as uncommitted):

5. Error in Allocation. Upon adoption of these rules, it shall be the duty of each County Chair to check the allocation of delegates to counties set forth above and, if an error in calculation is discovered, immediately apprise the State Chair of any error in calculation so that the correction indicated by the proper mathematical calculation shall be made.

6. Selection of Delegates to State Convention

(a) Sub-Caucus. In order to select delegates to the State Convention, the county shall divide itself into sub-caucuses, each of which shall be composed of the qualified persons attending who have expressed a preference for a particular candidate or are uncommitted for the nomination for President.

(b) Division of Delegates. On the basis of such determination by the March 10, 2020 Presidential Primary vote, those in attendance favoring each candidate for the nomination for President of the United States on the Democratic ticket, shall be entitled to select that proportion of the delegates to which such county shall be entitled at the State Convention as their number bears to the number attending, participating and voting, and the delegates so selected by each group in voting for delegates to the National Convention shall in all good conscience reflect the sentiments of those who elected them. Those delegates selected as uncommitted must keep an uncommitted status and vote for uncommitted national delegates at the State Convention assuming that the uncommitted delegates met the 15% threshold during the Presidential Primary election. Odd numbers shall be resolved by awarding a delegate on the basis of the largest fraction that a particular group shall represent from the entire number of those participating and voting. Each county sub-caucus committed to a particular Democratic candidate for nomination, as well as the uncommitted sub-caucus, if any, shall separately nominate and elect as many alternate delegates to attend the State Convention as they are entitled to delegates.

(c) Thresholds. The threshold for the election of delegates at both the County Caucus and State Convention states is 15%. Preferences falling below a 15% threshold shall not be awarded any delegates or alternates, except if no presidential preference reaches the 15% threshold, the threshold shall be half the percentage of the vote received by the frontrunner.

(d) Election of State Convention Delegates in Sub-Caucuses. No Democrat shall be precluded from election as a delegate to the State Convention because of inability to be at their county caucus. Anyone who is not able to attend the county caucus may submit to their county chair the pledge form for nomination and election as a delegate to the State Convention no later than 5:30 pm., March 31, 2020, as provided for in Rule III-B-2, and therefore become eligible for election as a delegate to the State Convention. No such absent person is eligible to vote or otherwise participate in the county caucus, nor are proxies allowed to elect delegates from the sub-caucus. Nominations shall be open and may include self-nomination for the position of sub- chairperson. Voting shall be by show of hands, or by roll call based on signed pledges; no secret ballots shall be permitted at any stage of the convention or its committee proceedings. Each voter shall vote for, as many names as there are spots to be filled, and each person who casts his ballot must

name a different candidate for each position available to the sub-caucus. The sub-chairperson shall tally the votes they receive. The chairperson shall then adjourn the sub-caucus and immediately report the results in writing and return the pledges to the County Chair. Both delegates and alternates and others nominated shall be designated as #1, 2, etc. in order of the number of votes received.

(e) Automatic Delegates Prohibited. No person shall be permitted to claim the right to be chosen as a delegate to the State Convention for the purpose of selecting delegates to the National Convention solely by virtue of any official position such person may hold in the Democratic Party, or other office, provided, however, that the prohibition herein contained against automatic delegates by virtue of holding public or political party office shall not be disqualification and shall not prevent any person holding public or political party office from being selected as a delegate to the State Convention for the purpose of selecting delegates to the National Convention if elected as herein provided.

(f) Delegate Participation at State Convention. Except as otherwise set forth herein, delegates to the State Convention elected at the County Caucuses shall have the right of full participation in all convention matters. Democrats who are County Chairs, State Committeemen and State Committeewomen, legislative district chairperson, legislators, and county, state and federal elected officials may attend the State Convention and have full participation in the writing and adopting of the State Democratic Platform and all other business of the convention, except for the selection of delegates to the National Convention, unless such officials are duly elected delegates for that purpose. If such a delegate is absent, there shall not be an alternate for that automatic position.

(g) Certification. Within five days following the adjournment of the County Delegate Selection Caucus, the County Chair shall certify online at idahodems.org/2020delegate to the Democratic State Chair the names of the person so selected as delegates or alternates and the candidates to whom they are committed by those selecting them, including those selected on an uncommitted basis. In the event that a duly elected delegate cannot attend the convention, the sub-caucus delegate election list shall be consulted to determine the alternate receiving the highest number of votes. That person shall then become a delegate in place of the delegate who cannot attend. In the event that a person cannot attend, the alternate list shall again be consulted for the next highest vote getter. In the event that there are not enough alternates available who can attend the convention to fill all of the delegate seats, staff must go back to the delegate election list and find those persons receiving votes to be delegates, but not elected as delegates or alternates. Replacement shall be made from this list in order of votes received. If the list of un-elected alternates is exhausted, any delegate position not filled shall remain unfilled. Staff is responsible for notifying the Credential Committee at least one day in advance of the convention of any substitution of delegates by alternates. No person whose name is not certified to the Credentials Committee by the date stated may be permitted to register as a delegate or alternate to the convention.

(i) Credentials and Appeal. The certification of delegates required by Rule III-D-8 may be upon the forms provided for in Rule III-D-9, and shall be accompanied with proof of publication of legal notice or advertisement. Any person aggrieved by the manner of conduct or proceedings in

Any person filing a notice of appeal must accompany the same with an executed pledge identical in form and substance to the pledge required by Rule III-C-2 hereof. 3. Apportionment of District-Level Delegates at State Convention

- a. State's district-level delegates are apportioned among the districts based equal weight given to the vote for the Democratic candidates in the 2016 presidential and the most recent gubernatorial election in 2018. (*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A*) Many of Idaho's unaffiliated voters regularly vote for Democratic candidates and since the 2016 Presidential election the percentage of their vote for our candidates has been growing. Therefore this is the fairest way to apportion district level delegates for the 2020 Delegate Selection Plan.
- b. The number of men and the number of women in the state's total number of district-level delegates will not vary by more than one. (*Rule 6.C.1 & Reg. 4.9*)
- c. The district-level delegates are apportioned to districts as indicated in the following table:

District	Delegates

Someone who is not able to attend the State Convention may submit the pledge form as provided for in Rule III-B-2 to the state chair no later than **June 5, 2020 8pm MT** and therefore become eligible for election as a delegate to the National Convention. No such absent person is eligible to vote or otherwise participate in the State Convention business.

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
- d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)

3. Presidential Candidate Right of Review

- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (*Call VII.D.1*)
- b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by **June 6, 2020 8pm MT**, a minimum of (1) name for each slot awarded to that candidate for members of each committee. than one (1) person for each slot awarded to such candidate for members of standing committees. *(Call VII.D.2)*

4. Selection Procedure to Achieve Equal Division

- a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve State's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. *(Rule 6.1 & Reg. 4.10)*
- b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a **male**, and the next binary position, if one occurs, will be designated for a **female**, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.
 - (1) A separate election shall be conducted for membership on each standing committee.
 - (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee or among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
 - (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*
 - (4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.
