## **Section 1: Introduction and Description of Delegate Selection Process**

### **A. Introduction**

1. Oregon has a total of 74 delegates and 5 alternates. (Call I & Appendix B)
2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2020 Democratic National Convention (“Rules”), the Call for the 2020 Democratic National Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention (“Regs.”), the rules of the Democratic Party of Oregon, the election laws of Oregon, and this Delegate Selection Plan. (Call II.A)
3. Following the adoption of this Delegate Selection Plan by the Democratic Party of Oregon (“DPO”), it shall be submitted for review and approval by the Democratic National Committee Rules and Bylaws Committee (“RBC”). The Chair of the DPO shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the Chair of the DPO and the Plan re-submitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the DPO must be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

### **B. Description of Delegate Selection Process**

1. Oregon will use a proportional representation system based on the results of the State-Run Democratic Primary for apportioning delegates to the 2020 Democratic National Convention.
2. The “first determining step” of Oregon’s delegate selection process will occur on May 19th, 2020, with a State-Run Democratic Primary. The presidential primary is held at the same time as primaries for many statewide, federal, legislative, county and municipal offices. Ballot measures may also be considered on primary election day. Elections are certified a month after the primary election.

### **C. Voter Participation**

1. Participation in Oregon’s delegate selection process is open to all voters who wish to participate as Democrats. (Rule 2.A and Rule 2.C.)
  - a. In order to participate in the 2020 Democratic primary, a voter must be registered as a Democrat in Oregon by April 28th, 2020 (21 days before the primary election).
    - (1) In order to register to vote, a voter may file their registration online, by mail, or in person with the Oregon Secretary of State’s office or their local county elections office.
    - (2) Voters in Oregon have the option to register with a party or decline and be categorized as a Non-Affiliated Voter (NAV).
    - (3) Only voters registered as Democrats are eligible to participate in the Democratic primary. (Rule 2.A & Reg. 4.3.B)

- (4) Voters must declare their party preference by checking the appropriate box on their voter registration form. (Rule 2.A & Reg. 4.3.A)
- b. In order to participate as a voter in the District Delegate Nominating Convention, a registered Democrat must file an online form provided by the DPO that will be available on its website ([www.dpo.org](http://www.dpo.org)) designating their singular presidential preference by no later than May 21st, 2020 at 5pm Pacific Time. A voter may modify their singular presidential preference by re-submitting the form by no later than the filing deadline. This form will be available on the DPO website by March 1st, 2020.
  - c. In order to participate as a voter in the State Delegate Nominating Convention, a registered Democrat must be elected as a State Convention Delegate from their District Convention. Someone may declare their interest in running as a State Convention Delegate by filing an online form provided by the DPO that will be available on its website ([www.dpo.org](http://www.dpo.org)) designating their singular presidential preference by no later than May 21st, 2020 at 5pm Pacific Time. A delegate candidate may modify their singular presidential preference by re-submitting the form by no later than the filing deadline. This form will be available on the DPO website by March 1st, 2020.
  - d. To encourage participation by Young Democrats in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. As Oregon law does not make voter registration data for pre-registrants publicly available, these participants will be required to provide an electronic or physical receipt or confirmation verifying their registration. (Reg. 4.3.C)
  - e. At no stage of Oregon's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. Personal costs, related to travel or optional opportunities, may be incurred. (Rule 2.D & Reg. 4.4)
  - f. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)
  - g. Votes shall not be taken by secret ballot (as all ballots must be signed (Rule 2.F)) at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chair or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage (i.e. primary election) of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. (Rule 2.F)
  - h. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. (Rule 3.E & Reg. 4.7)

2. Oregon is participating in a state government-run presidential preference primary and will utilize government-run voting systems. The DNC requires the DPO to comply with all of the following, which are also required by Oregon state law, as Oregon has a 100 percent vote-by-mail system. The Democratic Party of Oregon works closely with lawmakers and the Secretary of State's office through our Election protection program to ensure these requirements are being met, and also receives regular updates of the voter file to ensure these records are being maintained.
  - a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; (Rule 2.H.1)
  - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (Rule 2.H.2)
  - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; (Rule 2.H.3)
  - d. Ensure that any direct recording electronic systems in place have a voter verified paper record; (Rule 2.H.4)
  - e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; (Rule 2.H.5)
  - f. Ensure that all voting systems have recognized security measures; (Rule 2.H.6)
  - g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. (Rule 2.H.7)
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, the Democratic Party of Oregon has led the way nationally in establishing some of the most progressive voting laws in the country. Oregon has a 100% Vote-By Mail System, which is paired with automatic voter registration. Ballots are mailed to registered voters 20 days before Election Day and can be returned by mail or dropped off at a variety of secure drop boxes throughout the state. The DPO also maintains a statewide Election Protection Program which pairs volunteers and attorneys across the state to observe and report on elections activity. The Democratic Party of Oregon also maintains a multi-lingual election protection hotline where voters can call to get assistance in exercising their right to vote. (Rule 2.I and 2.I.1)
  - a. Oregon is a vote-by-mail state, where ballots are mailed out to voters 20 days prior to the election. Oregon law currently requires voters to be registered 21 days prior to election day. Voters must declare a party preference on their voter registration form to receive a party primary ballot. The structure of Oregon's adoption of universal vote by mail two decades ago has precluded adoption of same day voter registration. However, the Democratic Party of Oregon remains committed to exploring all efforts to expand access to the ballot and improve voting convenience. (Rule 2.I.1.a)

- b. Oregon's vote by mail system allows for all voters to vote from the comfort of their homes. Special Voting Circumstances are accommodated by the Oregon Secretary of State and include groups such as Military and Overseas Voters, Student Voters, Homeless Voters, those requesting Confidentiality, and Services for Voters with Disabilities as well as other groups. Details on these accommodations can be found at [sos.oregon.gov](http://sos.oregon.gov). Voters without homes can register to vote at any address where they spend a significant amount of their time (such as a shelter, park, or street corner), and can collect a ballot at any mailing address including that of a county elections office. The State of Oregon provides a variety of assistive services to aid voters with disabilities in accommodating their needs so they can access their voting rights; (Rule 2.I.1.b)
  - c. Oregon's vote by mail system eliminates long lines and allows voters to vote at their own pace from the comfort of their own homes; (Rule 2.I.1.c)
  - d. The State of Oregon does not have restrictive voter ID laws and passed the nation's first automatic voter registration law in 2015, which went into effect January 1, 2016; (Rule 2.I.1.d)
  - e. Oregon voters mail in their ballots, but also have the right to drop off their ballots at any official drop site in the state, and it will be tabulated, regardless of their voting precinct as long as it is received by the deadline; which is 8pm on Election Day. As of January 1<sup>st</sup>, 2020, ballot return envelopes will be postage paid. (Rule 2.I.1.e)
  - f. Oregon's absentee voter registration system accommodates Military and Overseas voting. (Rule 2. I.1.f)
4. As part of encouraging participation in the delegate selection process by registered voters, the Democratic Party of Oregon is supporting efforts to make voter registration easier, including supporting: (Rule 2.I.2)
- a. Oregon law currently allows for online voter registration and automatic voter registration. The structure of Oregon's adoption of universal vote by mail two decades ago has precluded adoption of same day voter registration. However, the Democratic Party of Oregon remains committed to all efforts to expand access to the ballot and improve voting convenience. (Rule 2.I.2.a)
  - b. Oregon law allows for Oregonians to pre-register to vote when they are 16 years old so that they are already registered once they reach voting age; (Rule 2.I.2.b)
  - c. Oregon law requires restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; (Rule 2.I.2.c)
  - d. Oregon has automatic voter registration for the Democratic presidential nominating process, though Oregon law requires voters to identify a party to participate in that party's presidential primary (Rule 2.I.2.d).

5. The State of Oregon utilizes a government run primary to establish presidential preference. Oregon's Democratic leaders have led the nation in establishing a robust Vote by Mail program beginning with local elections in 1991 and became the first State to run a federal election through Vote by Mail in 1998, electing our U.S. Senator Ron Wyden. In 2015, Governor Kate Brown (D) signed into law the nation's automatic voter registration program. This legislation was enacted by then-Secretary of State Jeanne Atkins. Oregon law allows voters to choose their party and change their party up until the deadline for voter registration. Oregon's landmark leadership in voting rights has increased voter turnout in Oregon substantially over the last 20+ years. The Democratic Party of Oregon has an extensive Voter Protection/Election Protection system which provides statewide legal and oversight support to ensure that voters in all corners of our state have the same access to the ballot. (Rule 2.J and Rule 2.J.1)
  - a. Scheduling of Delegate Selection Meetings: The dates, times and places for all official Party meetings and events related to the Democratic Party of Oregon's delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. (Rule 3.A & Reg. 4.)

  1. A presidential candidate gains access to the Oregon presidential preference primary ballot by filing a petition or requesting the Secretary of State to place their name on the ballot by 5 p.m. Pacific Time on March 10, 2020. Oregon law provides two methods by which a presidential candidate's name may be placed on a ballot. (Rule 15.E)
  2. The Secretary of State may place on the ballot the name of any candidate who is generally advocated or is recognized by the national news media. Alternatively: (Rule 1.A.8)

Those Democrats signing must be registered in at least one-fourth of the counties in each congressional district. Of these counties, signatures must be from at least 5 percent of the precincts. (Rule 15.A)
    - b. There is no filing fee to be listed on the ballot. (Rule 15.B)

- c. The Secretary of State will mail a Voter's Pamphlet to each household in Oregon by April 29, 2020, the 20th day before the primary election (ORS 251.175). The Voter's Pamphlet will contain a picture and statements from those candidates who choose to purchase or petition for space. According to Oregon law, the deadline for submitting a picture and statement to the Secretary of State's office for inclusion in the Voter's Pamphlet will be 5 p.m. Pacific Time March 13, 2020. The presidential candidate must either pay a fee of \$3,500 or collect 500 verified signatures. The law does not require that a presidential candidate purchase space in the Voter's Pamphlet. (ORS 251.095).   - a. This certification can be done by mail at 232 NE 9th Avenue, Portland, OR 97232 or by email at [chair@dpo.org](mailto:chair@dpo.org).
  - b. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. (Rule 6.I)

## Section 3: Selection of Delegates and Alternates

### A. District-Level Delegates

1. Oregon is allocated 41 district-level delegates (Rule 8.C, Call I.B, I.I, & Appendix B)
2. District-level delegates shall be allocated by a Presidential preference primary on May 19th, 2020 followed by a post-primary convention, these Conventions will be held on either June 6th or 7th, 2020. The specific convention dates will be published on the DPO website by no later than March 1st, 2020. One (1) in-person convention will be held in each congressional district.
  - a. The exception is the 2nd Congressional District, which is one of the geographically largest districts in the United States. As such, the 2nd Congressional District Convention will be held as hybrid convention where Democrats eligible to participate will have the option to participate either in-person or remotely via a secure online balloting system. If possible, participants are requested to attend in person.
3. Apportionment of District-Level Delegates
  - a. Oregon's district-level delegates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the 2018 gubernatorial elections.

$$D = \frac{1}{2} \left( \frac{\text{District Democratic Presidential Vote 2016}}{\text{Statewide Democratic Presidential Vote 2016}} + \frac{\text{District Democratic Gubernatorial Vote 2018}}{\text{Statewide Democratic Gubernatorial Vote 2018}} \right)$$

- b. The number of men and the number of women in the state's total number of district-level delegates will be divided equally. (Rule 6.C.1 & Reg. 4.9). To accomplish this goal, delegates of all genders will be listed on the same ballot, but ballots will be tabulated in a manner that ensures delegates of one gender do not exceed the numbers specified in the chart below.
- c. The district-level delegates are apportioned to districts as indicated in the following table:

Congressional District	Total Delegates	Maximum Delegates of One Gender
1	9	5*
2	6	3*
3	12	6*
4	7	4*
5	7	4*
Total	41	

\*Assuming no gender non-binary delegates are elected

#### 4. District-Level Delegate Filing Requirements

- a. A district-level delegate candidate may run for election only within the district in which they are registered to vote. The Democratic Party of Oregon will verify that all participants in the Delegate selection process are registered Democrats based on the voter file provided by the Oregon Secretary of State. (Rule 13.H)
- b. An individual can qualify as a candidate for district-level delegate to the 2020 Democratic National Convention by filing an online form provided by the DPO that will be available on its website ([www.dpo.org](http://www.dpo.org)) designating their singular presidential preference by no later than May 21st, 2020 at 5pm Pacific Time. A delegate candidate may modify their singular presidential preference by re-submitting the form by no later than the filing deadline. This form will be available on the DPO website by March 1st, 2020. (Rule 13.B, Rule 15.F & Reg. 4.23). The form is submitted by pressing the “submit” button on the bottom of the form, at which time the submitter will get confirmation of form being received. The Democratic Party of Oregon will identify a location in each county where Democrats without internet access can use the internet for free to submit their forms. The form will also be accessible on mobile devices.

#### 5. Presidential Candidate Right of Review for District-Level Delegates

- a. The Democratic Party of Oregon Chair shall convey to the presidential candidate, or that candidate’s authorized representative(s), not later than May 22nd, 2020 at 5pm Pacific Time, a list of all persons who have filed for delegate pledged to that presidential candidate. (Rule 13.D & Rule 13.F)
- b. Each presidential candidate, or that candidate’s authorized representative(s), must then file with the Democratic Party of Oregon Chair by May 25th, 2020 at 5pm Pacific Time, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate position and to be selected. (Rule 13.E.1, Reg. 4.24 & Reg. 4.25)
- c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the Democratic Party of Oregon Chair not later than May 25th, 2020 at 5pm Pacific Time.
- d. National convention delegate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate’s authorized representative(s), may not be elected as a delegate of at that level pledged to that presidential candidate. (Rule 13.E & Reg. 4.24)
- e. The Democratic Party of Oregon Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates as indicated in Section III.A.5.b of this Plan. (Rule 6.I & Reg.4.10.C)

## 6. Fair Reflection of Presidential Preference

- a. Presidential Primary - Proportional Representation Plan (Rule 14.A, Rule 14.B & Rule 14.D)-The Oregon presidential primary election is a “binding” primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15 percent threshold shall not be awarded any delegates. The DPO will allocate delegate positions among the presidential candidates who qualify on May 22nd, 2020, using the most recent preliminary results from the presidential primary, as election results are not certified in Oregon until 30 days after our primary, which would not allow us to meet the June 20th, 2020 deadline for completing our delegate selection process.
- b. In all situations where no preference reaches the applicable threshold, the threshold shall be half the percentage of the vote received at each level of the delegate selection process by the front-runner. (Rule 14.F)
- c. When delegates listed on an official roster register at the congressional district conventions, they shall specify the candidate caucus in which they will participate, sign a statement of support for that presidential candidate, and be given the official ballot for that caucus. No delegate shall vote in more than one candidate caucus, and all caucus balloting shall begin at the same time. In order for a ballot to be counted, it must be signed by the delegate casting the ballot. (Rule 13.G)

## 7. Equal Division of District-Level Delegates

- a. To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions will continue with the next highest vote-getting preferences in descending order, with positions assigned to either male or female alternating by gender as mathematically practicable, until the gender of each position has been assigned. In the case of non-binary gender delegates, they shall not be counted in either the male or female category. (Rule 6.C., Rule 6.C.1 & Reg. 4.10): To ensure the district-level delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote getting preference. In the case of non-binary gender delegates they shall not be counted in either the male or female category. (Rule 6.C, Rule 6.C.1, & Reg 4.10)
  - (1) On May 22nd, 2020, when delegates are apportioned by candidate, the delegate positions shall be pre-designated so that the gender of the first position to be filled by the winning presidential candidate is predetermined. Once the allocation of district delegates among presidential preference(s) has been calculated, the remaining delegate positions can be assigned to the presidential preference(s), in order of vote won, alternating by gender.

- (2) In electing Delegates to the National Convention, the Democratic Party of Oregon will elect Delegates of all genders on one ballot. Delegate slots will be filled in alternating genders based on votes cast. Delegates will self-identify their genders and will be counted in the gender category in which they identify.

- b. The Democratic Party of Oregon Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates to the Democratic National Convention within 10 days after their election. (Rule 8.C & Call IV.A)

## B. Automatic Delegates

### 1. Automatic Party Leaders and Elected Officials

- a. The following categories (if applicable) shall constitute the Automatic Party Leaders and Elected Official delegate positions:
  - (1) Members of the Democratic National Committee who legally reside in the state; (Rule 9.A.1, Call I.F, Call I.J, & Reg. 4.15)
  - (2) Democratic President and Democratic Vice President (if applicable); (Rule 9.A.2 & Call I.G)
  - (3) All of Oregon's Democratic Members of the U.S. House of Representatives and the U.S. Senate; (Rule 9.A.3, Call I.H & Call I.J)

  - (2) Official confirmation by the Secretary shall constitute verification of the Automatic delegates from the categories indicated above. (Call IV.B.1)

- (3) The Chair of the Democratic Party of Oregon shall certify in writing to the Secretary of the DNC the presidential preference of Oregon's Automatic delegates 10 days after the completion of the Oregon's Delegate Selection Process. (Call IV.C)

2. (Rule 6.C and Reg. 4.9)

C. Pledged Party Leader and Elected Official (PLEO) Delegates

1. Oregon is allotted 7 pledged Party Leader and Elected Official (PLEO) delegates. (Call I.D, Call I.E & Appendix B)

2. Pledged PLEO Delegate Filing Requirement

- a. Individuals shall be eligible for the pledged Party Leader and Elected Official delegate positions according to the following priority: big city mayors and state-wide elected officials (to be given equal consideration); state legislative leaders, state legislators, and other state, county and local elected officials and party leaders. Democrats who are elected solely as Precinct Committee Persons are not eligible to run as PLEO Delegates. Automatic delegates who choose to run for PLEO delegate will be given equal consideration with big city mayors and statewide elected officials. (Rule 10.A.1 & Reg. 4.16)
- b. In the selection of the pledged Party Leader and Elected Official delegate positions priority of consideration shall be given to African Americans, Latinx/Hispanic Americans, Native Americans, Asian Americans and Pacific Islanders, People with Disabilities, LGBTQ+ people, Rural Oregonians, Veterans and Active Service Members, and women, if such priority of consideration is needed to fulfill the affirmative action goals outlined in the Oregon Delegate Selection Plan. (Rule 6.A.3)
- c. To continue the Democratic Party's ongoing efforts to include groups historically under-represented in the Democratic Party's affairs and to assist in the achievement of full participation by these groups, priority of consideration shall be given other groups by virtue of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability. (Rule 5.C, Rule 6.A.3, Rule 7 & Reg. 4.8)

- d. An individual can qualify as a candidate for PLEO delegate to the 2020 Democratic National Convention by filing an online form provided by the DPO that will be available on its website ([www.dpo.org](http://www.dpo.org)) designating their singular presidential preference and by no later than May 21st, 2020 at 5pm Pacific Time. A delegate candidate may modify their singular presidential preference by re-submitting the form by no later than the filing deadline. This form will be available on the DPO website by March 1st, 2020 (Rule 10.A.3, Rule 15.G, Reg.4.18 & Reg. 4.17). The form is submitted by pressing the “submit” button on the bottom of the form, at which time the submitter will get confirmation of form being received. The Democratic Party of Oregon will identify a location in each county where Democrats without internet access can use the internet for free to submit their forms. The form will also be accessible on mobile devices.

### 3. Presidential Candidate Right of Review

- a. The Chair of the Democratic Party of Oregon shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than May 22nd, 2020 at 5pm Pacific Time, a list of all persons who have filed for a party and elected official delegate pledged to that presidential candidate. ## **Section 8: Affirmative Action Plan and Outreach and Inclusion Program**

- A. Statement of Purpose and Organization
  - 1. Purpose and Objectives
    - a. In order that the Democratic Party at all levels be an open Party which includes rather than excludes people from participation, a program of effective affirmative action is hereby adopted in Oregon. (Rule 5.A)

- b. Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. (Rule 5.B)
- c. All public meetings at all levels of the DPO are open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity, economic status or disability (hereinafter collectively referred to as “status”). (Rule 4.B.1)
- d. Consistent with the Democratic Party’s commitment to including groups historically under-represented in the Democratic Party’s affairs, by virtue of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, or disability, Oregon has established goals for these groups. (Rule 5.C & Reg. 4.8)
- e. To encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the Democratic Party of Oregon has adopted and will implement programs with specific goals and timetables for African Americans, Latinx/Hispanic Americans, Native Americans, Asian Americans and Pacific Islanders, and women. To further encourage full participation in the process, the Democratic Party of Oregon has established goals and timetables for other underrepresented groups, including the LGBTQ+ community, people with disabilities, Rural Democrats, Veterans and Active Service Members, and Young Democrats. The DPO also recognizes diversity within each aforementioned constituency group to combat monolithic-identity stereotypes. (Rule 6.A & Rule 7)
  - (1) The goal of the program shall be to encourage participation in the delegate selection process and in Party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate. (Rule 6.A.1)
  - (2) For the delegate selection process, “Young Democrat” is defined as any participant younger than 36 years old at the time of the general election. (Reg. 5.3.A)
  - (3) For the delegate selection process, individuals identifying as Native Americans should provide their tribal affiliation and indicate if they are enrolled in a tribe. (Reg. 5.3.B)
  - (4) These goals shall not be accomplished either directly or indirectly by the Party’s imposition of mandatory quotas at any level of the delegate selection process or in any other Party affairs. (Rule 6.A.2)

## 2. Organizational Structure

- a. An Affirmative Action Committee was appointed by the Democratic Party of Oregon Chair on March 1st, 2019. (Rule 6.F)
- b. The Democratic Party of Oregon Chair certified in writing to the Rules and Bylaws Committee of the Democratic National Committee the compliance of the State’s Affirmative Action Committee with Rules 5.C, 6.A and 7, and submit the names, demographic data and contact information of the members no later than 15 days after their appointment. (Reg. 2.2.J)

- c. The Committee consists of members who are regionally diverse and represent the Democratic constituency groups set forth in the Introduction to the Affirmative Action Plan and Outreach and Inclusion Program. (Attachment 1)
- d. The Affirmative Action Committee shall be responsible for:
  - (1) Helping develop and design the proposed Affirmative Action Plan and Outreach and Inclusion Program and making recommendations to the DPO Chair. (Rule 6.F)
  - (2) Directing the implementation of all requirements of the Affirmative Action Plan and Outreach and Inclusion Program section of this Plan.
  - (3) Implementing a specific outreach and financial assistance program for persons of low and moderate income to encourage their participation and representation in the national convention delegation. (Rule 6.G)
  - (4) Ensuring, on behalf of the Democratic Party of Oregon, that district lines used in the delegate selection process are not gerrymandered to discriminate against African Americans, Latinx/Hispanic Americans, Native Americans, Asian Americans and Pacific Islanders, and women. (Rule 6.E)
3. Financial and staff support for the Affirmative Action Committee shall be provided by the Democratic Party of Oregon to the greatest extent feasible, including, but not limited to, making available on a priority basis, the Democratic Party of Oregon staff and volunteers, and covering all reasonable costs incurred in carrying out this Plan.
4. Implementation of the Affirmative Action Plan and Outreach and Inclusion Program shall begin on September 13th, 2019, with the distribution of the press kits, and will continue through the end of the delegate selection process. (Rule 1.F)

## B. Representation Goals

1. The Democratic Party of Oregon has determined the demographic composition of African Americans, Latinx/Hispanic Americans, Native Americans, Asian Americans and Pacific Islanders, LGBTQ+ Americans, People with Disabilities, Young Democrats, Veterans and Active Service Members, and Rural Oregonians in the state's Democratic electorate. The DPO also recognizes diversity within each aforementioned constituency group aforementioned to combat monolithic-identity stereotypes. These constituency percentages shall be established as goals for representation in Oregon's convention delegation. (Rule 6.A)
  - a. In these cases, the 2010 Census and The Census Bureau's most recent American Community Survey Data sets, as well as national exit polls were primarily used to reach goal numbers. The Democratic National Committee compiled research from ethnicity models, voter file self-reported race, and a combination of voter file age, and modeled age to estimate support by race and among young voters. Oregon is a small state and detailed exit polls and other data are not available.
  - b. The representation goal for African Americans is set at 4 percent. Approximately 3.5 percent of Oregonians are of African ancestry according to the annual report by the Urban League of Portland. An estimated 3 percent of Oregon's Democratic Supporters identify as African-American.

- c. The representation goal for Latinx/Hispanic Americans is set at 12 percent. While the Census count in Oregon is higher (an estimated 12.2 percent of Oregonians are Latinx and/or Hispanic), An estimated 10 percent of Democratic supporters in Oregon identify as Latinx/Hispanic American. Additional outreach to Latinx/Hispanic Communities may increase Democratic support, as many in this community face unique barriers to participation.
  - d. The representation goal for Native Americans is 3 percent. Approximately 2 percent of Oregonians are Native American., Indications are that Native Americans vote solidly Democratic, but voter turnout is low, and studies indicate that investment in voting access in tribal communities could increase turnout. Additionally, according to the National Congress of American Indians, approximately 3.1 percent of Governor Brown's voters in the 2018 Gubernatorial election identified as Native Americans/American Indian.
  - e. The representation goal for Asian Americans and Pacific Islanders is 5 percent. Asian Americans and Pacific Islanders compose approximately 6.5 percent of Oregon's population. National exit polls showed Asian Americans and Pacific Islanders voting are more likely to support Democratic Candidates. Members of this community are the fastest growing demographic of the American electorate.
2. The DPO has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, Rural Democrats, Veterans and Active Service Members, and Young Democrats (Democrats under the age of 36) in Oregon's Democratic electorate, and furthermore, the DPO has chosen to establish these percentages as goals for representation in Oregon's convention delegation.
- a. LGBTQ+ community members are not counted separately in the 2010 Census. Most estimates of Oregon's LGBTQ+ population range from 5 to 8.8 percent. LGBTQ+ Democratic voting performance, according to national exit polls, was 70 percent. Establishing the LGBTQ+ electorate at the mid-range of 6.9 percent and factoring in Democratic voting performance results in a goal of 10 percent.
  - b. To establish a representation goal for Young Democrats, we took the number of Democrats who voted in the last election and measured it against the number of Democrats ages 18-36 who voted in the last election. The result was 31 percent.
  - c. The goal for people with disabilities was established after looking at a survey from Pew Research that was based on estimates from the American Community Survey on people with disabilities living in Oregon. We estimated the number of people with disabilities ages 18 and over, factored in the percentage of voting age people in Oregon who are registered to vote, and further factored in the turnout percentage in the 2018 election. The resulting goal is 25 percent.
  - d. According to a 2016 report by the Health Resources & Services Administration, the following Oregon Counties are listed as "Rural" or "Frontier" Counties: Baker, Clatsop, Coos, Crook, Curry, Douglas, Gilliam, Grant, Harney, Hood River, Jefferson, Klamath, Lake, Lincoln, Malheur, Morrow, Sherman, Tillamook, Umatilla, Union, Wallowa, Wasco, and Wheeler. Portions of Oregon's other counties are also rural. The 2010 US Census identifies that 19 percent of Oregonians are classified Rural, so this will serve as our representation goal.

- e. The representation goal for Veterans and Active Service Members is 3 percent. According to the State of Oregon's Office of Employment about 305,000 Oregonians are Veterans, the Department of Defense reports that there are currently 1,572 Active Duty personnel, 9,432 Reservists and 2,922 Military Civilians in Oregon. Combined, these would make up 7.60 percent of Oregon's population. According to national exit polls veterans and active duty service members turned out at 41 percent for Democrats in 2018. Based on these numbers, we find that approximately 3 percent of Oregonians are Veterans and Active Service Members who are Democratic supporters, and this will serve as our representation goal.
3. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and Automatic) shall be compared with the DPO's representation goals to achieve an at-large selection process that helps to bring about a representative balance. (Rule 11.A)
4. Although the selection of the at-large delegation may be used to fulfill the affirmative action goals established by this Plan, the Democratic Party of Oregon will conduct outreach and inclusion activities such as recruitment, education and training at all levels of the delegate selection process. (Rule 6.A.3)

	Percentage Goal	Numeric Goal
African Americans	4%	3
Latinx/ Hispanic Americans	12%	9
Native Americans	3%	2
Asian Americans and Pacific Islanders	5%	4
LGBTQ+ Americans	10%	8
People with Disabilities	25%	19
Young Democrats	31%	23
Rural Democrats	19%	14
Veterans or Active Service Members	3%	2

C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in each of the delegate districts beginning in September 2019. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate and alternate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representatives of the Democratic voting electorate. (Rule 3.A, Rule 3.C & Rule 3.D)

As well, the DPO shall also make available copies of the Democratic Party of Oregon Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan and Outreach and Inclusion Program, and relevant state statutes at no cost. Copies of documents related to Oregon's delegate selection process will be prepared and the Democratic Party of Oregon and Affirmative Action Committee will distribute them in the various delegate districts not later than February 15th, 2020. (Rule 1.H)
5. Participation in the delegate selection process shall be open to all voters who wish to participate as Democrats. Democratic voters shall be those persons who publicly declare their Party preference and have that preference publicly recorded. (Rule 2.A)
6. The Democratic Party of Oregon shall take all feasible steps to encourage non-affiliated voters and new voters to register as Democrats and will work to clearly communicate the simple procedures whereby said voters can change their party enrollment status. (Rule 2.C)
7. The Affirmative Action Committee will develop an Oregon strategy to be implemented beginning September 2019 that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)

D. Efforts to Publicize the Delegate Selection Process

1. The Democratic Party of Oregon shall direct special attention to publicizing the delegate selection process in Oregon. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the Democratic Party of Oregon communications and on the Democratic Party of Oregon's website. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. (Rule 3.C & Rule 3.D)
2. The Democratic Party of Oregon shall have a Delegate Selection Media Plan (see Attachment 2.i) for using all available and appropriate resources, such as social media, websites, newspapers, radio and television, to inform the general public how, when, and where to participate in the delegate selection process. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout Oregon's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. (Rule 4.B.3 & Rule 6.D)
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
  - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native Americans, Asian Americans and Pacific Islanders, Spanish-speaking and other non-English press, radio stations and publications, and women's organizations, student newspapers, LGBTQ+ press, disability press, and any other specialty media in Oregon that is likely to reach the Democratic constituency groups set forth in the Introduction of this Affirmative Action Plan.
  - b. The DPO shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of the district and state conventions shall be effectively publicized, multilingually where necessary, to encourage the participation of minority groups. (Rule 6.D)
4. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. (Rule 6.H.2)
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender self-identification). Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve Oregon's affirmative action, outreach and inclusion goals and equal division for their respective delegations. (Rule 6.C., Rule 6.I & Reg. 4.10)

F. Outreach and Inclusion Program

1. The Democratic Party of Oregon is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2.
