DEMOCRATS ABROAD DELEGATE SELECTION PLAN FOR THE 2020 DEMOCRATIC NATIONAL CONVENTION

Section I Introduction and Description of Delegate Selection Process

A. Introduction

1. Democrats Abroad has a total of twenty-one (21) National Convention delegates, of whom eight (8) are sitting Democratic National Committee members (each with half (½) a vote), twelve (12) are at-large delegates, and one (1) is a pledged party leader and elected official (PLEO) delegate. Democrats Abroad also has at least one (1) alternate, and one (1) convention page. (*Call I & Appendix B.*) The Democrats Abroad National Convention delegation shall be composed of these twenty-one (21) delegates, all alternates, and the convention page.
 - a. If there is more than one presidential candidate with elected National Convention delegates then there may be an additional alternate for each presidential candidate having elected National Convention delegates.
 - b. If there are any distinguished party leader delegates, then the total number of National Convention delegates will be increased by the number of distinguished party leaders.
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Call for the 2020 Democratic National Convention* ("Call"), the *Delegate Selection Rules for the 2020 Democratic National Convention* ("Rules"), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* ("Regs."), the *Charter of Democrats Abroad*, and this Delegate Selection Plan. (*Call II.A.*)
3. A draft of the Delegation Selection Plan shall be submitted for public comment for a period of thirty (30) days (Rule I.C and Regulation 2.2.F).
4. Following the adoption of this Delegate Selection Plan by the Democratic Party Committee Abroad ("DPCA") after the expiration of the thirty (30) day public comment period, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee ("RBC"). The International Chair of Democrats Abroad (hereinafter referred to as the "Global Chair") shall be empowered, after consultation with the DPCA International Executive Committee and the Affirmative Action Committee, to make any revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall

1 be made by the Global Chair in consultation with the International Counsel of
2 Democrats Abroad and the Plan resubmitted to the RBC within thirty (30) days
3 of receipt of notice of the RBC's findings. (*Reg. 2.5, Reg. 2.6 & Reg. 2.7.*)
4

- 5 5. Once this Plan has been found in compliance by the RBC, any amendment to
6 the Plan by Democrats Abroad will be submitted to and approved by the RBC
7 before it becomes effective. (*Reg. 2.9.*)
8

9 **B. Description of the Delegate Selection Process**

- 10
11 1. Democrats Abroad will use a proportional-representation system based on the
12 results of a State-Party-run presidential preference vote, for apportioning del-
13 egates to the 2020 Democratic National Convention. References in this Plan
14 to "Presidential Preference Vote," "Global Presidential Primary," "Global Pri-
15 mary," or simply "Primary" shall be a reference to the same process for appor-
16 tioning delegates.
17
18 2. The first determining step of Democrats Abroad's delegate selection process
19 will be a State-Party-run presidential preference vote involving voting in per-
20 son, by regular mail, by fax, or by email, which will occur during the period
21 from March 3, 2020 to March 10, 2020.
22
23 3. Delegate seats shall be apportioned in a fashion that fairly reflects the ex-
24 pressed presidential preference or uncommitted status of the Global Primary
25 voters (*Rule 14.A*).
26
27 4. Delegate selection shall take place at regional conventions and the Global
28 Convention, all of which shall be held and concluded after the Global Primary
29 but prior to June 21, 2020. All meetings, regional conventions, and the Global
30 Convention held pursuant hereto shall be conducted using the latest edition
31 of Robert's Rules of Order.
32

33 **C. Voter Participation**

- 34
35 1. Participation in Democrats Abroad's delegate selection process is open to all
36 United States citizens residing outside the United States who will be eighteen
37 (18) years of age or older on November 3, 2020 and who wish to participate
38 as Democrats.
39
40 a. Each individual participating in the Global Primary must sign a Declaration
41 to the effect of the preceding sentence in the form of the Declaration set
42 forth as Attachment 10 hereto. A person who wishes to participate in the
43 Global Primary and is not a member of Democrats Abroad must first join
44 Democrats Abroad by completing a membership form prior to participating
45 in the Global Primary, which may be done on or before the dates of the
46 Global Primary. (*Rules 2.A. & 2.C. & Reg. 4.3.*)
47
48 b. At no stage of Democrats Abroad's delegate selection process shall any
49 person be required, directly or indirectly, to pay a cost or fee to Democrats
50 Abroad as a condition for participating or voting. Voluntary contributions

1 to the party may be made, but under no circumstances shall a contribution
2 be mandatory. (*Rule 2.D & Reg. 4.4.*)
3

4 c. No person shall participate or vote in the nominating process for the Dem-
5 ocratic presidential candidate who also participates in the nominating pro-
6 cess of any other delegation to the 2020 Democratic National Convention
7 or of any other political party for the corresponding presidential elections.
8 (*Rule 2.E.*)
9

10 d. No person shall vote more than once in the State-Party-run Presidential
11 Preference Vote process. (*Rule 3.E & Reg. 4.6.*)
12

13 e. The use of secret ballots is prohibited (including in the selection of anyone
14 who serves on the Democratic National Committee).
15

16 2. Democrats Abroad supports and will continue to support the efforts of Demo-
17 cratic State Parties and legislators to enhance voter and election security, par-
18 ticularly but not exclusively in the delivery and processing of ballots cast from
19 outside the United States.
20

21 3. In accordance with the Democratic Party's requirement to assess and improve
22 participation with respect to presidential preference and the delegate selection
23 process, Democrats Abroad has and will continue Voter Protection programs
24 that protect and expand the vote with educational, legislative, and litigation-
25 based efforts as appropriate. These programs include cooperation with other
26 State Parties and the DNC, as well as individual projects and global commit-
27 tees within Democrats Abroad. (*Rule 2.I and 2.I.1*)
28

29 4. As part of encouraging voter participation in the delegate selection process,
30 Democrats Abroad uses same-day voter registration for the Democratic pres-
31 idential nominating process. (*Rule 2.I.2*). Voters taking advantage of same-
32 day registration and voting will be required to attest on the registration form to
33 their US citizenship and place of residence in the country where they are vot-
34 ing
35

36 5. Democrats Abroad uses its existing organization across the globe, and its
37 country committees, for communications with voters to ensure an open and
38 inclusive delegate selection process and to resist attempts at voter suppres-
39 sion and disenfranchisement. In addition, this Delegate Selection Plan meets
40 the following requirements: (*Rule 2.K*)
41

42 a. The ballot for voting by mail, fax, or email will incorporate features to safe-
43 guard against error and fraud; (*Rule 2.K.1*). Voters will be required to at-
44 test on the registration form to their place of residence in the country where
45 they are voting, and to their US citizenship. These will be verified against
46 the database.
47

48 b. Democrats Abroad has the technical ability and financial resources to suc-
49 cessfully run a process not significantly different from previous plans.
50 (*Rule 2.K.2*)

- c. Same-day voter registration and party-affiliation changes are possible, noting that Americans living abroad may also need to change party affiliation, register to vote, or request an absentee ballot for other elections with their voting state; (Rule 2.K.3)
- d. Democrats Abroad will publicly report the total results for each candidate based on the final global tally of votes cast in the Global Primary; (Rule 2.K.4)
- e. The allocation of all National Convention delegates will be locked in at the time of the final global count, subject to recount; (Rule 2.K.5)
- f. Paper ballots and electronically delivered ballots will be securely preserved to ensure the availability of an accurate recount if necessary; (Rule 2.K.6)
- g. Using a form attached hereto as Exhibit 3 and provided by the Global Chair, filed according to the included instructions and with costs of U.S. \$2500 paid in advance, a presidential candidate may request a recount to be carried out in a timely manner; (Rule 2.K.7)
- h. The mechanisms of this Delegate Selection Plan are designed expressly to allow voters who are unable to be a part of the process in person to participate, with features such as a week-long period for in-person voting, and early and simultaneous voting by mail, fax, and email. (Rule 2.K.8)
- i. Although the Americans with Disabilities Act and Sections 203 and 208 of the Voting Rights Act do not apply to voters living abroad, Democrats Abroad will engage in education and outreach to ensure accessibility, specifically including people with disabilities and people with limited English proficiency. (Rule 2.K.9)
- j. Democrats Abroad will continue to maintain its secure database of members. The database will continue to be updated on a daily or weekly basis (depending on the Country Committee) by its core team of trained database managers. In order to ensure that each individual seeking to join Democrats Abroad is qualified to be a member of Democrats Abroad, each membership request will continue to be filtered out for duplicates and the membership qualifications of potential new members will be verified. The database will be verified in January of 2020, as it is each year, with respect to existing members in order to review whether an existing member is still residing overseas and qualified for membership in Democrats Abroad; unqualified persons will be contacted in order to double verify whether they continue to qualify for membership and for voting in the Global Presidential Primary. Access to the database will continue to be provided for multiple levels of permissions, strong password protection and tracking of access and of all changes made, in order to limit access on a must needs basis based on the geographic location (Chapter, Coun-

try Committee, Democrats Abroad Region, Global level). Membership information and the information concerning access and tracking will continue to be backed up regularly. In order to ensure transparent and accurate list maintenance procedures, database managers will continue to be required to sign non-disclosure agreements and to go through training sessions and subsequent exams with respect to membership data and its maintenance.

- k. Ballots for voters who have requested mail-in ballots will be sent out on , and a downloadable mail-in ballot will be made available on Democrats Abroad website on, February 18, 2020. All ballots voted by fax must be received by 12 a.m. Pacific Standard Time on March 10, 2020; all vote-by-mail ballots must be received by March 11, 2020.

6. Scheduling of Delegate Selection Meetings

Democrats Abroad is responsible for selecting, the dates, times, and places for all official Democrats Abroad meetings and events related to Democrats Abroad's delegate selection process. Such dates and times have been and will be scheduled to encourage the participation of all Democrats residing abroad. Democrats Abroad will make every effort, to the extent reasonably possible in light of local constraints in the host countries in which Democrats Abroad has country committees, to ensure such meetings begin and end at reasonable hours (*Rule 3.A. & Reg. 4.*), are accessible and fairly placed (*Rule 2.I.1.b*).

Voting will take place at Voting Centers around the world established by the Country Committees and publicized in advance as detailed in Sections III.B.2 and 3 below.

Pursuant to the Charter of Democrats Abroad, membership is open to all citizens of the United States of voting age, who reside outside the United States, or who will be of voting age before the next federal election, who have declared themselves to be Democrats. Democrats Abroad will continue its efforts to enroll as its members all United States citizens to whom membership is open, notably younger citizens who will reach voting age by November 3, 2020 but who are not yet 18 years of age at the time of enrollment.

Section II Presidential Candidates

A. Ballot Access

1. A presidential candidate gains access to Democrats Abroad's Global Primary by filing a candidacy statement in the form of Attachment 18 to this Plan with the Global Chair no later than January 6, 2020.

- 1
- 2 2. As a condition precedent to ballot access for the Democrats Abroad Global
- 3 Presidential Primary, each presidential candidate must file a petition, in the
- 4 form of Attachment 19 to this Plan, containing the valid signatures of 300 reg-
- 5 istered voters (*i.e.*, members of Democrats Abroad) with the Global Chair no
- 6 later than January 6, 2020. Petitions may be signed electronically according
- 7 to rules adopted by the Global Chair. The Global Chair, upon request, shall
- 8 make all forms and rules governing the petition process available to presiden-
- 9 tial campaigns on or before September 1, 2019. Members of Democrats
- 10 Abroad may sign petitions for more than one presidential candidate; provided,
- 11 however, that once a member has signed a petition and provided all required
- 12 information, that member has no right to rescind or otherwise remove the
- 13 member's signature from the petition.
- 14

15 In order to facilitate the collection of signatures and the filing of candidates'

16 petitions, the Global Chair will set up a virtual forum platform on a Democrats

17 Abroad website through which each potential candidate, having paid the ballot

18 access fee pursuant to Section II.A.3, will be able to solicit signatures from

19 members of Democrats Abroad for their candidate petition. The virtual forum

20 will be available to public viewing beginning on September 1, 2019. Presiden-

21 tial candidates wishing to make use of the virtual forum platform may make a

22 written request to the Global Chair of Democrats Abroad at any time prior to

23 two weeks before the deadline for submitting petitions; requests received on

24 or prior to August 15, 2019 will be acted upon by September 1, 2019, other

25 requests will take approximately two weeks to process. Each such request will

26 be accompanied by (i) a photograph and (ii) an introductory text the candidate

27 wishes to appear on the virtual forum.

28

- 29 3. As a condition precedent to ballot access for the Democrats Abroad Global
- 30 Presidential Primary, each presidential campaign must pay a ballot access fee
- 31 in the sum of \$2,500 to the Democratic Party Committee Abroad no later than
- 32 January 6, 2020.
- 33
- 34 4. The ballot for the Democrats Abroad Global Primary will include a category for
- 35 "uncommitted." Write-in candidacies will not be permitted. (*Rules 11.B., 14.A.,*
- 36 *14.B., 14.D., 14.E., & 14.H.*)
- 37

38 **B. Other Requirements**

39

- 40 1. Certification of Authorized Representative. Each presidential candidate shall
- 41 certify in writing to the Global Chair the name(s) of the presidential candidate's
- 42 authorized representative(s) by January 6, 2020. (*Rule 13.D.1.*)
- 43
- 44 2. Best Efforts. Each presidential candidate (including uncommitted status) shall
- 45 use best efforts to ensure that the presidential candidate's respective delega-
- 46 tion within the Democrats Abroad delegation achieves the affirmative-action,
- 47 outreach, and inclusion goals established by and under this Plan, and that the
- 48 delegation is equally divided between men and women.
- 49
- 50 3. Statement of Full Participation. Each presidential candidate shall submit a

statement that specifies what steps the candidate is taking and will take to encourage full participation in the delegate selection process, including, but not limited to, (i) whether the presidential candidate's campaign may defray all or part of the expenses of those delegates otherwise unable to participate in the National Convention and (ii) procedures by which persons may file as candidates for delegate or alternate. Each presidential candidate is required to present this information no later than January 6, 2020 in the letter of candidacy referred to above. (Sec. VII.F.2, *Rules 6.G., 6.H.1., and 6.I.*) Presidential candidates are also required to submit such full participation statements to the DNC Rules and Bylaws Committee at the same time they are submitted to Democrats Abroad. (*Rule 6.H.1*)

4. Withdrawal of Candidacy. No presidential candidate who has filed a timely letter of candidacy pursuant hereto shall be deemed to have withdrawn the candidate's candidacy unless such candidate files a letter of withdrawal with the Global Chair. In this event, the Global Chair shall so notify all country committees as soon as practicable.

Section III

Apportionment, Allocation, and Selection of Delegates and Alternates

A. Apportionment of Delegates and Alternates

1. Global Apportionment. Democrats Abroad shall select twelve (12) at-large delegates (*Call, Art. 1.E*) and one (1) pledged party leader and elected official (PLEO) delegate (*Rule 8.C., Call I.B., II., Appendix B & Reg. 4.31*) to the National Convention. Further, Democrats Abroad shall select one (1) alternate per presidential preference group receiving delegates (*Call, Art. I.I*). Democrats Abroad has no district-level delegates (*Call, Appendix B*).
 - a. Fair Reflection of Presidential Preference. Delegates shall be apportioned to presidential preference groups in a fashion that fairly reflects the expressed presidential preference or uncommitted status of the Democrats Abroad Global Presidential Primary voters (*Rule 14.A*).
 - i. Therefore, all at-large delegates and the PLEO delegate shall be apportioned according to the percentage of each presidential preference (including uncommitted status) as determined by the Global Presidential Primary vote, except that a preference falling below a threshold of fifteen percent (15%) shall not be awarded any delegates or alternates.
 - ii. If a presidential candidate has officially notified the Global Chair in writing the she/he is no longer a candidate at the time of the Global Convention, then her/his allocation of Delegates will be proportionately divided among presidential preferences entitled to an allocation.

1
2 b. Delegate Threshold. In all situations where no preference reaches the
3 15% threshold, the threshold shall be half the percentage of the vote re-
4 ceived in the Global Presidential Primary by the front-runner.
5

6 c. Delegate Apportionment Formula. Democrats Abroad's twelve (12) at-
7 large delegates and one (1) PLEO delegate shall be apportioned accord-
8 ing to the following procedures:
9

10 Step 1: To three decimals, tabulate the per-
11 centage of the vote that each presiden-
12 tial preference (including uncommitted
13 status) receives in the Global Presi-
14 dential Primary.
15

16 Step 2: To three decimals, re-tabulate the per-
17 centage of the vote received by each
18 presidential preference excluding the
19 votes of presidential preference
20 groups with percentages in Step 1 that
21 fall below 15%.
22

23 Step 3: Multiply the total number of at-large-
24 delegate and PLEO-delegate seats
25 (13 in total) to be apportioned by the
26 percentage received by each presi-
27 dential preference.
28

29 Step 4: Delegate seats shall be assigned to
30 each presidential preference based on
31 the whole numbers which result from
32 the multiplication in Step 3.
33

34 Step 5: Remaining delegate seats, if any, shall
35 be assigned in order of the highest
36 fractional remainders in Step 3.
37

38 2. Regional Selection. Nine (9) of the at-large delegates to the National Conven-
39 tion will be selected at regional conventions organized at the level of each
40 recognized region of Democrats Abroad. The recognized regions of Demo-
41 crats Abroad are: (a) the Americas; (b) Asia-Pacific (AP); and (c) Europe, Mid-
42 dle East & Africa (EMEA). A list of the DPCA-admitted Country Committees
43 in each region as of the date of approval of this Plan is attached hereto as
44 Attachment 1.
45

46 a. To receive and cast votes in a regional convention, a Country Committee
47 must be in good standing with the Democratic Party Committee Abroad
48 as of December 31, 2019.
49

- 1 b. The nine (9) at-large delegate seats to be selected by the regional con-
2 ventions will be re-apportioned among the regions from the global pool of
3 apportioned delegate seats. Re-apportionment shall be based on a for-
4 mula taking into account the Democratic strength of the regions in the
5 Global Primary. Following the Global Primary, the Global Chair shall de-
6 termine the Democratic strength of each region based on the number of
7 Democrats who participated in the Global Primary.
8
9 c. Each Country Committee shall be allotted, *pro rata*, regional delegate
10 votes based on such Country Committee's Democratic strength in the
11 Global Primary, as certified in accordance with Section III.A.3, below.
12
13 3. Regional Re-apportionment Based on Democratic Participation. The number
14 of at-large delegates to be selected by each region shall reflect the percentage
15 of Democratic participation within the region voting in the Global Primary, as
16 certified by the Global Chair; provided, however, that each regional convention
17 shall be entitled to elect at least one National Convention delegate. In deter-
18 mining the Democratic participation of each region, the Global Chair shall take
19 into account the total number of votes from DPCA-admitted Country Commit-
20 tees in good standing, as well as from members of Democrats Abroad within
21 each region who are not members of such Country Committees. The number
22 of delegate seats apportioned to each presidential candidate is fixed by the
23 global apportionment formula of Section III.A.1.c, above; it is impossible for
24 preference groups to gain or lose delegates in the process of regional re-ap-
25 portionment.
26
27 a. Regional Re-apportionment Formula:
28
29 Step 1: To three decimals, tabulate the Demo-
30 cratic participation in the Global Pri-
31 mary in each region by dividing the
32 number of Primary votes cast within
33 the region by the total number of Pri-
34 mary votes cast globally.
35
36 Step 2: Multiply the total number of delegates
37 to be selected by the regions (9 at-
38 large delegates) by the Democratic
39 participation in each region.
40
41 Step 3: Delegate seats shall be assigned to
42 each region based on the whole num-
43 bers which result from the multiplica-
44 tion in Step 2.
45
46 Step 4: Remaining delegate seats, if any, shall
47 be assigned in order of the highest
48 fractional remainders in Step 3.
49

1 b. Allocation of delegate seats to preference groups within a region. The pro-
2 cess of allocating delegate seats within regions shall begin with the region
3 with the lowest Democratic participation. All delegate seats re-apportioned
4 to a region shall be assigned to preference groups within that region in
5 accordance with the allocation process below, before beginning the pro-
6 cess of allocating delegates to the next region. Regional allocation shall
7 be conducted in ascending order based on regional Democratic participa-
8 tion.

9
10 (i) Allocation Process. If a regional convention is to select only one (1)
11 National Convention delegate, it shall select such delegate from
12 among the delegate-candidates having been approved by the prefer-
13 ence group (e.g., the presidential candidate) receiving the most votes
14 worldwide in the Presidential Preference Vote; if it is to select two
15 (2) delegates or more, then it shall select one delegate from among
16 the delegate-candidates having been approved by the preference
17 group receiving the most votes worldwide in the Global Primary and
18 one from among the delegate-candidates having been approved by
19 the preference group receiving the second most votes worldwide, and
20 so forth until one delegate is assigned to each preference group eligi-
21 ble to receive votes.

22
23 (ii) If, after allocating delegate seats in accordance with the preceding
24 paragraph, the region remains entitled to select more delegates, the
25 allocation process shall repeat until all delegate seats re-apportioned
26 to the region have been allocated to preference groups; provided,
27 however, that at no time during the regional allocation process may a
28 delegate be allocated to any preference group if doing so would ex-
29 ceed the preference group's total number of globally apportioned del-
30 egates.

31
32 4. Global Balancing. The remaining three (3) at-large delegates and the one (1)
33 pledged PLEO delegate will be selected at the Global Convention. The num-
34 ber of delegates to be elected for each preference group shall be determined
35 by subtracting each preference group's total number of delegates selected at
36 the regional levels from the total number of delegates apportioned to each
37 preference group according to the delegate apportionment formula in Section
38 III.A.1.c. The first delegate allocated to, and selected by, the preference group
39 receiving the highest number of votes in the Global Primary shall be the
40 pledged PLEO delegate.

41
42 5. All members of the Democrats Abroad delegation to the National Convention,
43 including at-large delegates, the pledged PLEO delegate, alternates and con-
44 vention pages, at the time of their selection as well as at the time of the Na-
45 tional Convention, shall be members of Democrats Abroad, reside outside the
46 United States, have the interest, welfare, and success of the Democratic Party
47 of the United States and of Democrats Abroad at heart, and subscribe to the
48 substance, intent, and principles of the Charter and Bylaws of the Democratic
49 Party of the United States and the Charter of Democrats Abroad.

1 6. Equal Division of At-Large Delegates and Alternates
2

- 3 a. Democrats Abroad's total number of at-large delegates will be equally di-
4 vided between men and women. The male and female membership of the
5 standing committees shall be as equally divided among the men and
6 women as possible; the variance between men and women in any stand-
7 ing committee or among the three committees in aggregate shall not ex-
8 ceed one. (Call VII.E.2)
9
- 10 b. In the case of gender non-binary delegates or alternates, they shall not be
11 counted as either male or female for the purposes of equal division, and

41 first valid ballot cast shall be tallied.

42
43 e. Vote-by-mail ballots must be received via post or private postal courier by
44 March 11, 2020. The Chair of each Country Committee will designate the
45 address where voters in the respective country must send their vote-by-

47 crats Abroad Country Committee shall send their ballots to the address
48 designated by the Global Chair of Democrats Abroad (Section

36

37 c. The Global Chair shall establish uniform rules and regulations for "cam-

44

45 7. Tabulation of Results

46
47 a. The Global Chair shall establish uniform rules and regulations for the eli-
48 gibility of a single ballot submitted multiple times. See Section III.B.1.g(v)-

- b. Democrats Abroad will manually count each ballot cast at a Voting Center as well as each ballot cast by mail. The tabulation of the ballots will be manually cross-checked at the Voting Centers and the tabulations recalculated at the Global level in order to ensure the accuracy of count; in addition, random spot checks of the ballots will be made for ballots cast at the Voting Centers to further ensure accuracy and in the case of discrepancies, the ballots from the County Committee in question will all be re-counted at the Global Level by a committee of tellers on March 17, 2020, at a place designated by the Global Chair no later than March 3, 2020.
- c. Each candidate on the ballot will be permitted to have a certified observer present during the tabulation. The Global Chair shall see that all voting results are tabulated. The date, time, and place of the regional conventions shall be publicly announced as part of the affirmative action plan.

- b. The Permanent Regional Convention Chair for each regional convention will be the DPCA Regional Vice Chair for the corresponding region. If the DPCA Regional Vice Chair is unable to perform this role, the DPCA Regional Vice Chair may ask the Global Chair to name a substitute.
- c. The Permanent Regional Convention Chair will name a Credentials and Rules Committee no fewer than ten (10) days prior to the opening of the regional convention. Members of the Credentials and Rules Committee for the Global Convention may serve on the Credentials and Rules Committees for regional conventions.

2. Regional Convention Electors

Each Country Committee in good standing shall send a delegation to the regional convention for the region in which it is located. The electors of the regional convention shall be comprised only of the following electors, as confirmed and certified in paragraph 3, below:

- d. the Regional Vice Chair for the region.

3. Certification of Regional Convention Electors

Each Country Committee Chair shall certify to the Global Chair, who, after verification, shall certify to the Regional Vice Chair, the names of those regional convention electors as defined above for each Country Committee in the region by April 13, 2020, or 30 days before the regional convention, whichever is earlier. Those not certified by the deadline as confirmed participants in the regional convention shall not be considered electors for the regional convention.

4. Participation in Regional Conventions

- a. Regional convention electors shall be the only persons eligible to vote in the regional conventions.
- b. Participation by video, audio, or web conference tools, such as WebEx, will be provided for.

8 d. Any individual or group of Democrats may sponsor or endorse a slate of
9 candidates for National Convention delegates. However, no slate may by
10 virtue of such endorsement receive preferential treatment or a preferential
11 place on a delegate selection ballot or be publicly identified as the "official"
12 slate, and all slates must meet identical qualifying requirements for ap-
13 pearing on the ballot.

14
15 e. All votes for National Convention at-large delegates shall be by written
16 signed ballot. Representatives of the presidential candidate for which a

18 PPG Chair of candidates for National Convention delegate who are unac-
19 ceptable to the presidential candidate. The PPG Chair shall make this
20 known to the PPG. However, if such unacceptability has not been timely
21 made known to the Global Chair, such unacceptability shall not be a bar
22 to such candidate's running for the position of National Convention dele-
23 gate.

24
25 f. Each election will select a single delegate. As a process that promotes
26 gender, racial, or ethnic-minority representation, with consideration for his-
27 torically under-represented groups, a candidate who has been eliminated
28 may be reconsidered and stand again in a subsequent election.

29
30 g. The delegates elected by each PPG shall be as equally divided among
31 the men and women as possible; the variance between men and women
32 in the total delegation elected by a PPG shall not exceed one. The PPG
33 chairs may declare candidates of either male or female gender ineligible
34 for a single election in order to meet this requirement. In the case of gen-
35 der non-binary delegates or alternates, they shall not affect calculations of
36 equal division, and the remainder of the delegation shall be equally divided
37 by gender.

38 39 6. Agenda for Regional Conventions

40
41 a. The agenda for the regional conventions shall be as follows:

42 43 (i) Registration of Regional Convention Delegates

44
45 In order to register, each regional convention elector shall sign a state-
46 ment of support for a presidential candidate (including uncommitted)
47 indicating the Country Committee and Chapter (if applicable) of which
48 the elector is a member. Each regional convention elector shall also

1 sign a statement in the form of Attachment 12 hereto. These state-
2 ments shall be submitted to the regional convention Credentials and
3 Rules Committee.

4
5 (ii) Call to order by the Regional Vice Chair (or designee) serving as Per-
6 manent Regional Convention Chair

7
8 (iii) Appointment of Permanent Regional Convention ("Permanent Secre-
9 tary") Secretary by Permanent Regional Convention Chair

10
11 (iv) Report of the Regional Convention Credentials and Rules Committee

12
13 The Credentials and Rules Committee shall report the number of reg-
14 istered regional convention electors expressing each presidential
15 preference (including uncommitted) both in aggregate numbers and
16 per Country Committee. Once the Credentials and Rules Committee
17 has reported and a quorum has been established, the regional con-
18 vention may proceed to conduct its business. The Permanent Chair
19 shall then read the following statement:

20
21 "All caucuses, committees, and officials of Democrats
22 Abroad shall take such practical steps as may be within their
23 legitimate power to assure that all regional conventions and
24 the Global Convention, and all committees include: men and
25 women, various age groups, racial-minority groups, eco-
26 nomic groups, traditionally under-represented groups, and
27 representatives of identifiable geographically-defined popu-
28 lations—all in reasonable relationship to the proportions in
29 which these groups are found in the population of the re-
30 spective constituencies and without discrimination based on
31 creed or religious preference, sexual orientation, gender
32 identity, or disability."

33
34 Based on the certification by the Global Chair of the Democratic
35 strength in the region and the number of National Convention dele-
36 gates to be elected by the region, as well as the percentage of votes
37 obtained by each presidential candidate (including uncommitted)
38 worldwide in the Global Primary, the Credentials and Rules Commit-
39 tee report shall contain the allocation of National Convention dele-
40 gates to be elected by the regional convention among the presidential
41 candidates.

42
43 The Credentials and Rules Committee shall report to the Permanent
44 Regional Convention Chair the value of the vote to be cast by each
45 regional convention elector attending the regional convention. The
46 value of the vote shall be calculated according to the following for-
47 mula:

48
49 $A = \text{Number of electors from a Country Committee in attendance}$
50

1 B = Democratic strength as a percentage: the participation from the
2 Country Committee in the Global Primary divided by the total par-
3 ticipation from all Country Committees in attendance at the regional
4 convention

5
6 Regional Convention Elector Vote Value = $(1/A) \times B \times 100$
7

8 In the voting in each PPG, each Country Committee shall cast its full
9 allocated number of votes according to the report of the Credentials
10 and Rules Committee by the vote of the delegates from that Country
11 Committee only. No Country Committee shall be deprived of its total
12 vote unless there are no electors present from that Country Commit-
13 tee in that PPG, except that a partial loss of votes may occur due to
14 the temporary absence of electors counted "in attendance" by the re-
15 port of the Credentials and Rules Committee.
16

17 The report of the regional convention's Credentials and Rules Com-
18 mittee will prescribe the method of electing members of the Platform
19 Committee in accordance with Section (xi) below.
20

21 The report of the regional convention's Credentials and Rules Com-
22 mittee will include a summary of any decisions referred to the commit-
23 tee by the Permanent Regional Convention Chair. These decisions
24 are subject to challenge under Section VIII below.
25

26 (v) Election of DNC Member
27

28 After the Credentials and Rules Committee report, the regional con-
29 vention shall elect one (1) member of the Democratic National Com-
30 mittee, whose term will begin with the closing of the 2020 Democratic
31 National Convention. Such election shall be by absolute majority of
32 all regional convention Electors in attendance and with vote values as
33 calculated above.
34

35 (vi) Recess into Presidential Preference Groups
36

37 Following the election of the DNC member, the regional convention
38 shall then recess into separate PPGs for each presidential candidate
39 pursuant to their signed statement of support (including uncommitted)
40 for the purposes of electing the number of at-large delegates allocated
41 to it as per the results of the Presidential Preference Vote.
42

43 (vii) Election of Permanent PPG Chair
44

45 Each presidential candidate (or designee) shall appoint a Temporary
46 Chair of the PPG for the purpose of calling the PPG to order and pre-
47 siding during the election of a Permanent PPG Chair.
48

49 (viii) Election of Delegates and Alternate
50

1 (1) The Permanent Regional Convention Chair shall provide each
2 PPG with a list of those individuals approved by its presidential
3 candidate for nomination as National Convention delegates (or,
4 in the case of uncommitted, those who have submitted their can-
5 didacy). All such individuals' names shall be read to the PPG by
6 the duly elected PPG Chair and shall be considered nominated
7 when their names are read. No names other than those that have
8 been previously approved by the presidential candidate or the
9 presidential candidate's representative (or, in the case of uncom-
10 mitted, those who have submitted their candidacy) shall be ac-
11 cepted.

12
13 (2) The PPG shall then proceed with the selection of the National
14 Convention delegates allocated to it from among the previously
15 approved list of candidates.

16
17 (3) To promote balance as to gender, racial, or ethnic minority repre-
18 sentation, and in consideration for historically under-represented
19 groups, the election of each National Convention delegate shall
20 consist of two rounds of Ranked Choice Voting. Prior to each
21 round, the chair of the PPG shall report the comparison of the
22 representative goals to the demographic composition of the al-
23 ready-elected National Convention delegates (including auto-
24 matic delegates), in accordance with Section VII.E.3.

25
26 (4) For the first round, electors will be provided a ballot which allows
27 them to rank either five or one-quarter of the total number of can-
28 didates eligible for that election (subject to equal division require-
29 ments), whichever is larger. Votes shall be transferred according
30 to rules following ranked-choice voting principles until there are 6
31 remaining candidates. If there are 6 or fewer candidates running
32 in an election the first round of voting will be skipped and voting
33 will automatically proceed to the second round.

34
35 The second round shall select a single National Convention dele-
36 gate from among the remaining candidates using Ranked Choice
37 Voting. Each elector will be provided a ballot that requires the
38 ranking of the remaining candidates for delegate so as to obtain
39 a majority vote for the winner of the election, tabulated according
40 to Ranked Choice Voting.

41
42 The rules and procedures for casting ballots, meeting the thresh-
43 old for first rounds, tabulating results, and determining the candi-
44 date selected in each election shall be distributed with the infor-
45 mation on becoming a delegate required in Section VII.C.4 by Oc-
46 tober 1, 2019.

47
48 (ix) Reconvening of the Regional Convention

49
50 (1) At the conclusion of each of the PPG caucuses, each PPG Chair

1 shall report the results to the Permanent Regional Convention
2 Chair.
3

4 (2) Any member of a PPG who wishes to challenge the tabulation of
5 the PPG should make the challenge known by informing the Per-
6 manent Convention Chair prior to the announcing of the results, if
7 possible. If no correction is made with respect to the error or event
8 in question, a formal challenge may be made immediately upon
9 the announcement of the results.
10

11 (3) The results shall be read to the regional convention as a whole
12 and any challenge to those results shall be announced at the
13 same time either by the Permanent Regional Convention Chair or
14 by a member of the PPG whose results are being challenged.
15

16 (x) Other elections to be conducted and actions to be taken by the re-
17 gional conventions
18

19 (1) After at-large National Convention delegates have been elected,
20 the regional convention shall proceed with the election of two (2)
21 members of the Platform Committee of the Global Convention.
22

23 (2) Elections of Platform Committee members shall be held according
24 to the report of the Credentials and Rules Committee and shall
25 respect equal division by gender.
26

27 (4) The regional convention shall then discuss and adopt such reso-
28 lutions for submission to the Platform Committee of the Democrats
29 Abroad Global Convention. Resolutions adopted by the regional
30 convention shall be communicated to the Platform Committee of
31 the Global Convention by the members of the Platform Committee
32 elected by the regional convention.
33

34 (5) The regional convention shall then conduct such other business
35 as may be deemed important by the Permanent Regional Conven-
36 tion Chair.
37

38 (xi) Adjournment
39

40 Immediately upon adjournment of each regional convention, the Per-
41 manent Regional Convention Chair and Secretary shall certify to the
42 Global Chair of Democrats Abroad the results of the selection of Na-
43 tional Convention delegates, noting any challenges. No later than
44 May 26, 2020, the Global Chair shall certify in writing to the Secretary
45 of the DNC the selection of the National Convention delegates and
46 alternate.
47

- 6 of the DPCA.
- 7
- 8 b. Delegates to the Global Convention shall be all at-large National Conven-
- 9 tion delegates elected at the regional conventions, automatic delegates
- 10 (*i.e.*, all incumbent Democratic National Committee members), Demo-
- 11 cratic National Committee members-elect elected at the regional conven-
- 12 tions, members of the DPCA, and any distinguished party leaders desig-
- 13 nated by the Secretary of the DNC. Any member of these groups may
- 14 renounce said member's role as Global Convention delegate by written

- 16 to the conclusion of the roll call of the Global Convention.
- 17
- 18 c. The Global Convention shall further elect three (3) DNC members and
- 19 four (4) other delegates to the National Convention, three (3) who shall
- 20 serve as at-large National Convention delegates and one (1) who shall
- 21 serve as the pledged PLEO delegate. The pledged PLEO delegate as
- 22 well as the DNC members and the at-large National Convention delegates
- 23 elected by the Global Convention shall be chosen, if necessary, to achieve
- 24 the equal division of positions between men and women and the repre-
- 25 sentation goals established in the Democrats Abroad affirmative action
- 26 plan. The Global Convention shall also elect one (1) alternate to the Na-
- 27 tional Convention for each of the PPGs.
- 28

29 2. Appointments and Agenda

- 30
- 31 a. The Global Chair will name a global Credentials and Rules Committee no
- 32 fewer than ten (10) days prior to the opening of the first regional conven-
- 33 tion.
- 34
- 35 b. The Global Chair may refer questions regarding the conduct of the Global
- 36 Convention to the committee prior to the opening of the Global Convention.
- 37 These decisions are subject to challenge under Section VIII below.
- 38
- 39 c. The Global Chair will name at least six (6) members of the Platform Com-
- 40 mittee of the Global Convention prior to the opening of the first regional
- 41 convention. The Global Chair will announce the procedures and rules of
- 42 the Platform Committee no less than two (2) days before the opening of
- 43 the Global Convention, including the role of the six (6) members of the
- 44 committee elected during the regional conventions.
- 45
- 46 d. The agenda of the Global Convention shall be announced by the Global
- 47 Chair no less than two (2) days before the opening of the Global Conven-
- 48 tion. The agenda will include a report of the Credentials and Rules Com-
- 49 mittee on the participants in the Global Convention and the allocation of
- 50 votes to those participants, and a summary of any decisions made by the

Credentials and Rules Committee as referred under paragraph (a) above.

3. Procedure for the Election of National Convention Delegates by the Global Convention

- a. The Global Convention shall be chaired by the Global Chair or the Global Chair's designee.
- b. Participation by video, audio, or web conference tools, such as WebEx, will be provided for.
- c. A quorum shall be 40% of certified delegates eligible to vote present in person or participating by video, audio, or web conference.
- d. There shall be no voting by proxy.
- e. Participants in the Global Convention who are DPCA members, if representing a Country Committee in such capacity, shall have voting rights within the Global Convention in proportion to their Country Committee's turnout in the Global Primary, relative to the total number of participants in the Global Primary of all Country Committees participating in the Global Convention. Other participants in the Global Convention shall have votes equivalent to the votes allocated to the Country Committee participating in the Global Convention with the lowest Global Primary turnout.
- f. The Chair will inform the Global Convention of the gender balance of the delegation to the National Convention and the gender balance of the at-large delegates to be elected, as well as the breakdown of the delegation for the purposes of attaining the representation goals established in the affirmative action plan. For the purposes of the selection of the pledged PLEO and at-large delegates and alternate to the National Convention, the Global Convention will then divide into PPGs, following the rules and procedures used at the regional conventions.
- g. The PPGs shall proceed to elect, in the following order and as allocated: (1) the pledged PLEO delegate; (2) the at-large delegates; and (3) the alternate. Before each election, the Chair will inform the Global Convention of the gender balance of the delegation to the National Convention and the gender balance of those to be elected, as well as the breakdown of the delegation for the purpose of attaining the representation goals established in the affirmative action plan. If necessary, the Chair may require a PPG to refrain from electing one or more of its at-large delegates until the permissible gender of such is determined based on the elections by the other PPGs. All elections shall be conducted in two rounds, following the rules and procedures used at the regional conventions. After each election, the PPGs must report the results of that election to the Chair. A candidate who has been eliminated may be reconsidered and stand again in a subsequent election, insofar as compatible with equal division.

- 1
- 2 h. The delegates to the Global Convention shall then reconvene, and the
- 3 Chair shall inform them as to the gender balance of the delegation to the
- 4 National Convention as well as the breakdown of the delegation for the
- 5 purpose of attaining the representation goals established in the affirma-

- 7 election of the three (3) remaining DNC members up for election in ac-
- 8 cordance with the Charter of Democrats Abroad.
- 9
- 10 i. The names, full contact information, and presidential preferences of Na-
- 11 tional Convention delegates and alternate elected at the Global Conven-
- 12 tion, as well as the names and full contact information of the Democratic
- 13 National Committee members elected by the regional conventions and
- 14 Global Convention, shall be certified by the Global Chair to the Secretary
- 15 to the Democratic National Committee no later than May 26, 2020.
- 16

17 **E. Automatic Delegates**

- 18

- 45 United States. (*Rule 9.A.*)
- 46
- 47 b. Official confirmation by the Secretary of the Democratic National Commit-
- 48 tee shall constitute verification of the automatic delegates from the cate-

- 50

1 c. The Global Chair of Democrats Abroad shall certify in writing to the Sec-
2 retary of the DNC the presidential preferences of Democrats Abroad's au-
3 tomatic delegates 10 days after the completion of Democrats Abroad's
4 delegate selection process. (*Call IV.C.*)
5

6 4. For purposes of achieving equal division between delegate men and delegate
7 women within Democrats Abroad's entire Convention delegation (determined
8 by gender self-identification), the entire delegation includes all pledged and
9 automatic delegates, including those who identify as male or female.
10 (*Rule 6.C. and Reg. 4.9*)

17

18 2. The pledged PLEO slot shall be allocated among presidential preferences on
19 the same basis as the at-large delegates. (*Rule 9.B.2, Rule 10.C, Rule 13.E*

31 (*Rule 9.B.1 & Reg. 4.15.*). Sitting members of the Democratic National

33 chose to run for a position as a PLEO delegate position shall be consid-
34 ered as Officers of the DPCA
35

36 b. An individual can qualify as a candidate for a position as a pledged PLEO
37 delegate by completing and filing the form included herein as Attachment
38 13, by April 17, 2020. (*Rule 9.B.3, Rule 14.G, Reg. 4.16 & Reg. 4.21.*)

2 (*Rule 9.B.3 & Rule 12.D.*)

- 3
- 4 b. Each presidential candidate, or that candidate's authorized representa-
5 tive(s), must then file with the Global Chair of Democrats Abroad by April
6 24, 2020, a list of all such candidates that the presidential candidate has
7 approved for the pledged PLEO delegate, provided that, at a minimum,
8 two (2) names remain for the PLEO delegate position to which the presi-
9 dential candidate is entitled. For the sake of equal division, the total set of
10 names approved must include at least two (2) candidates who are not men
11 (determined by gender self-identification) and at least two (2) candidates
12 who are not women (determined by gender self-identification) as the total
13 number of positions. These conditions may not be used to reject or limit
14 the number of non-binary gender candidates. (*Rule 12.E.2 & Reg. 4.24.*)
- 15
- 16 c. Failure to respond will be deemed approval of all delegate candidates sub-
17 mitted to the presidential candidate unless the presidential candidate, or
18 the authorized representative(s), signifies otherwise in writing to the
19 Global Chair of Democrats Abroad not later than as above specified.
- 20
- 21 d. The Global Chair of Democrats Abroad shall certify in writing to the Co-

37 guidelines:
- 38
- 39 a. Permanent Replacement of a Delegate: (*Rule 18.D.3.*)
- 40
- 41 (i) A permanent replacement occurs when a delegate resigns or dies
42 prior to or during the National Convention and the alternate replaces
43 the delegate for the remainder of the National Convention.
- 44
- 45 (ii) Any alternate permanently replacing a delegate shall be of the same
46 presidential preference (including uncommitted status) and gender of
47 the delegate the alternate replaces, and to the extent possible shall
48 be from the same political subdivision within Democrats Abroad as the
49 delegate.
- 50

- (1) In the case where the presidential candidate has only one (1) alternate, that alternate shall become the certified delegate.
- (2) If a presidential candidate has only one (1) alternate, and that alternate permanently replaces a delegate of a different gender, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of Rule 6.C. In such a case, notwithstanding Rule 18.D.2, Democrats Abroad shall, at the time of a subsequent permanent replacement, replace a delegate with a person of a different gender, in order to return the delegation to equal division of men and women. (*Reg. 4.33.*)
- (iii) If a delegate or alternate candidate who has been elected but not certified to the DNC Secretary resigns, dies, or is no longer eligible to serve, that individual shall be replaced, after consultation with Democrats Abroad, by the authorized representative of the presidential candidate to whom the individual was pledged. (*Rule 18.D.2.*)
- b. Temporary Replacement of a Delegate: (*Rule 18.D.3.*)
- (i) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the Convention and an alternate temporarily acts in the delegate's place.
- (ii) Any alternate who temporarily replaces a delegate must be of the same presidential preference (including uncommitted status) as the delegate being replaced, and to the extent possible shall be of the same gender and from the same political subdivision within Democrats Abroad as the delegate.
- c. The following system will be used to select temporary and permanent replacements of delegates: (*Rule 18.D.1.*)
- (i) In the case of a temporary replacement of a delegate, the delegate may choose the alternate. If the delegate does not designate an alternate to replace the delegate temporarily, the delegation may designate the alternate by simple majority vote of all those present at the meeting of the delegation at which such designation is to be made.
- (ii) In the case of a permanent replacement, the delegation shall designate the alternate to replace the delegate by simple majority vote of all those present at the meeting of the delegation at which such designation is to be made.
- d. Certification of Replacements
- (i) Any alternate who permanently replaces a delegate shall be certified in writing to the Secretary of the DNC by the delegation Chair. (*Rule 18.D.3.*)

- (ii) Permanent replacement of a delegate (as specified above) by an alternate and replacement of a vacant alternate position shall be certified in writing by the delegation Chair to the Secretary of the Democratic National Committee within 72 hours after the replacement is selected. (*Call IV.D.1.*)
- (iii) Certification of permanent replacements will be accepted by the Secretary up to 72 hours before the first official session of the Convention is scheduled to convene. (*Call IV.D.1 & Reg. 4.32.*)
- (iv) In the case where a pledged delegate is permanently replaced after 72 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet. (*Call VIII.F.3.d, Call VIII.F.3.b & Reg. 5.6.*)
- e. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference (or uncommitted status), of the same gender, and (to the extent possible) from the same political subdivision as the alternate being replaced. (*Rule 18.E.*)
2. Automatic delegates shall not be entitled to a replacement, nor shall Democrats Abroad be entitled to a replacement, except under the following circumstances: (*Rule 18.E & Reg. 4.33.*)
- a. In the case of the death of such a delegate;
- b. In the case where Democrats Abroad's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2020 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of automatic delegates. (*Call, IV.D.2.b.*);
- c. Distinguished party leader delegates allocated to Democrats Abroad pursuant to Rule 9.A.(5) of the DNC Delegate Selection Rules and this Plan, shall not be entitled to name a replacement, nor shall Democrats Abroad be entitled to name a replacement. (*Call IV.D.2.c.*); and
- d. In no case may an alternate cast a vote for an automatic delegate. (*Call VIII.F.3.d.*)

Section IV

Convention Standing Committee Members

A. Introduction

1. Democrats Abroad has been allocated one (1) member on each of the three (3) standing committees for the 2020 Democratic National Convention (Credentials, Platform, and Rules), for a total of three (3) members. (*Call VII.A. & Appendix D.*)
2. All standing committee members representing Democrats Abroad, at the time of their selection as and throughout their terms, shall be members of Democrats Abroad, reside outside the United States, have the interest, welfare, and success of the Democratic Party of the United States and of Democrats Abroad at heart, and subscribe to the substance, intent, and principles of the Charter and Bylaws of the Democratic Party of the United States and the Charter of Democrats Abroad.
3. Members of the Convention standing committees need not be delegates or an alternate to the 2020 Democratic National Convention. (*Call VII.A.3.*)
4. These members will be selected in accordance with the procedures indicated below. (*Rule 1.G.*)

B. Standing Committee Members

1. Selection Meeting

- a. The members of the standing committees shall be elected by a quorum of the Democrats Abroad's National Convention delegates, at a meeting held on **or before May 18**, 2020 immediately following the final selection of all National Convention delegates, which meeting will be presided by the Global Chair. (*Call VII.B.1.*)
- b. All members of the delegation shall receive adequate notice of the time, date, and place of the meeting to select the standing committee members. (*Call VII.B.1.*)
- c. Participation in the meeting of Democrats Abroad's National Convention delegation may be by telephone, video-conference, Internet, or other similar means permitting all participants to hear and speak to the other participants.

2. Allocation of Members

- a. The members of the standing committees allocated to Democrats Abroad shall proportionately represent the presidential preference of all candidates (including uncommitted status) as determined by the Global Presidential Primary. However, no members of standing committees shall be allocated to candidates who fail to receive at least fifteen percent (15%) of the Presidential Preference Vote. (*Call VII.C.1 & Rule 14.E.*)
- b. The presidential preference of each candidate receiving the applicable

percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Democrats Abroad. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2.*)

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional Committee position. (*Call VII.C.3.*)
- d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4.*)

3. Presidential Candidate Right of Review

- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time, and location of the meeting of the Democrats Abroad delegation authorized to elect standing committee members. (*Call VII.D.1.*)
- a. Each presidential candidate, or that candidate's authorized representative(s), must submit to the Global Chair of Democrats Abroad, by April 24, 2020, a minimum of one (1) name for each slot awarded to that candidate for members of each committee. Presidential candidates shall not be required to submit the name of more than one (1) person for each seat awarded to such candidate for members of standing committees. (*Call VII.D.2.*)

4. Selection Procedure to Achieve Equal Division

- a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Democrats Abroad's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. (*Rule 6.I & Reg. 4.10*)

1
2 b. Equal Division Rules for the Election of Standing Committee Members
3

- 4 (i) A separate election shall be conducted for membership on each
5 standing committee.
6
7 (ii) The order in which standing committee members are elected shall be
8 determined by a simple majority vote of the Democrats Abroad Na-
9 tional Convention delegates at the meeting designated in Section
10 IV.C.1.
11
12 (iii) The membership of the standing committees shall be as equally di-
13 vided between men and women as possible; the variance between
14 men and women in any committee or among the three committees in
15 aggregate shall not exceed one. (*Call VII.E.2*)
16
17 (iv) Gender non-binary committee members shall not be counted as either
18 male or female for the purposes of equal division, and the remainder
19 of the delegation shall be equally divided between male gender (men)
20 and female gender (women). (*Call VII.E.1*)
21
22 (v) The positions allocated to each presidential candidate on each com-
23 mittee shall be voted on separately, and the winners shall be the high-
24 est vote-getter(s) of the appropriate gender.
25
26 (vi) Elections for standing committee members shall, to the greatest ex-
27 tent possible, be open to all genders, subject to the requirement to
28 achieve equal division.
29

30 *Example 1:* Democrats Abroad is entitled to three standing committee
31 members, one for each of the three standing committees. The Demo-
32 crats Abroad National Convention delegation establishes the order of
33 election as follows: (i) Credentials, (ii) Platform, (iii) Rules. The first
34 election for the Credentials Committee shall be open to all genders. If
35 a woman candidate is elected, the second election (Platform Commit-
36 tee) shall also be open to all genders. If the second election results in
37 the election of a man, the third election to the Rules Committee is,
38 then, open to all genders because equal division will be satisfied re-
39 gardless of the gender of the winner (female/male/non-binary), (fe-
40 male/male/female), (female/male/male).
41

42 *Example 2:* Same facts as Example 1 except the winner of the second
43 election is non-binary. In this case, the third election must result in the
44 election of a male committee member in order to achieve equal divi-

Substitutions must be made in accordance with the rules and the election procedures specified in this section and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected but not later than 48 hours before the respective standing committee meets. 7 **Section VI**

8 **General Provisions and Procedural Guarantees**

9

10 **A. Commitment to an Open Party**

11

12 Democrats Abroad reaffirms its commitment to an open party by incorporating the
13 "six basic elements," as listed below. As our Party strives to progress in the fight
14 against discrimination of all kinds, these six basic elements have evolved and
15 grown along with the constant push for more inclusion and empowerment. These
16 provisions demonstrate the intention of the Democratic Party to ensure a full op-
17 portunity for all minority group members to participate in the delegate selection
18 process. (*Rule 4.A, Rule 4.B & Rule 4.C*)
19

- 20 1. All public meetings at all levels of Democrats Abroad should be open to all
21 members of the Democratic Party regardless of race, sex, age, color, creed,
22 national origin, religion, ethnic identity, sexual orientation, gender identity and
23 expression, economic status, or disability (hereinafter collectively referred to
24 as "status"). (*Rule 4.B.1.*)
25
26 2. No test for membership in, nor any oaths of loyalty to, the Democratic Party
27 should be required or used that has the effect of requiring prospective or cur-
28 rent members of the Democratic Party to acquiesce in, condone, or support
29 discrimination based on "status." (*Rule 4.B.2.*)
30
31 3. The time and place for all public meetings of Democrats Abroad on all levels
32 should be publicized fully and in such manner as to assure timely notice to all
33 interested persons. Such meetings should be held in places accessible to all
34 party members and large enough to accommodate all interested persons.
35 (*Rule 4.B.3.*)
36
37 4. Democrats Abroad, on all levels, should support the broadest possible regis-
38 tration without discrimination based on "status." (*Rule 4.B.4.*)

40 5. Democrats Abroad should publicize fully and in such a manner as to assure
41 notice to all interested parties a full description of the legal and practical pro-
42 cedures for selection of DPCA officers and representatives on all levels. Pub-
43 lication of these procedures should be done in such fashion that all prospec-
44 tive and current members of Democrats Abroad will be fully and adequately
45 informed of the pertinent procedures in time to participate in each selection
46 procedure at all levels of the Democratic Party organization. As part of this,
47 the Democrats Abroad should develop a strategy to provide education pro-
48 grams directly to voters who continue to experience confusing timelines for
49 registration, changing party affiliation deadlines, or lack of awareness of the

process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (*Rule 4.B.5.*)

6. Democrats Abroad should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of Democrats Abroad. Such publication should be done in a timely fashion so that all prospective candidates or applicants for any elected or appointed position within Democrats Abroad will have full and adequate opportunity to compete for office. (*Rule 4.B.6.*)

B. No Discrimination on the Basis of Status

Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. (*Rule 5.B.*)

C. Equal Division

Democrats Abroad’s delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, i.e. the number of men and women shall not vary by more than one. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification. In the case of gender non-binary delegates or alternates, they shall not be counted as either male or female for the purposes of equal division, and the remainder of the delegation shall be equally divided by gender. (*Rule 6.C*)

D. Selection of Presidential Preference

All delegate and alternate candidates must be identified as to presidential preference or uncommitted status at all levels that determine presidential preference. (*Rule 12.A.*) No delegate at any level of the delegate selection process shall be mandated by law or party rules to vote contrary to that person’s presidential choice as expressed at the time the delegate is elected. (*Rule 13.I.*) Delegates elected to the National Convention pledged to a presidential candidate shall in all good conscience reflect the sentiments of those who elected them. (*Rule 13.J.*)

E. Membership in Democrats Abroad

Each delegate, alternate and standing committee member must be a bona fide Democrat, including being registered as a member of Democrats Abroad, who is faithful to the interests, welfare and success of the Democratic Party of the United States, who subscribes to the substance, intent and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith. (*Rule 16.*)

G. No Proxies

There shall be no voting by proxy at any stage of the delegate selection process.

H. No Unit Rule

The unit rule, or any rule or practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of a majority of the body, shall not be used at any stage of the delegate selection process. (*Rule 18.A.*)

I. Slates

Any individual or group of Democrats may sponsor or endorse a slate of candidates for Convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. (*Rule 18.B.*)

J. Timing of the Delegate Selection Process

All steps in the delegate selection process, including the filing of presidential candidates, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan and Outreach and Inclusion Programs. (*Rule 1.F & Rule 12.B.*)

K. Participation of Overseas Voters

In electing and certifying delegates, alternate, and standing committee members to the 2020 Democratic National Convention, Democrats Abroad undertakes to assure all Democratic voters residing outside the United States a full, timely, and equal opportunity to participate in the delegate selection process and in all party affairs and to implement affirmative-action and outreach and inclusion plans toward that end; that the delegates, alternates, and standing committee members to the Convention shall be selected in accordance with the Delegate Selection Rules for the 2020 Democratic National Convention; and that the certified delegates, alternates, and standing committee members will not publicly support or campaign for any candidate for President or Vice President other than the nominees of the Democratic National Convention. d. The Committee consists of members representing the Democratic-constituency groups set forth in the introduction to the Affirmative Action, Outreach and Inclusion Plan and is regionally diverse.

e. The Affirmative Action Committee is responsible for:

(i) Helping develop and design the proposed Affirmative Action Plan and Outreach and Inclusion Program and making recommendations to the Global Chair. (*Rule 6.F*)

(ii) Directing the implementation of all requirements of the Affirmative Action Plan and Outreach and Inclusion Program section of the Plan.

(iii) Implementing a financial assistance program for persons of low and moderate income to encourage their participation and representation as delegates and alternates. (*Rule 6.G.*)

(*Rule 1.F.*)

B. Representation Goals

1. In cooperation with the DNC, Democrats Abroad has determined the estimated demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders among U.S. citizens living abroad. These constituency percentages shall be established as goals for representation in Democrats Abroad’s National Convention delegation. (*Rule 6.A.*)
1. In cooperation with the DNC, Democrats Abroad has also determined that the demographic composition of members of the LGBTQ+ community, people with disabilities, and youth is consistent with the demographic composition of Democratic Party support in key states for Democrats Abroad. C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in Country Committees or by regionally-accessible teleconferences, beginning in November 2019. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate candidates of the availability of financial assistance. These workshops will be held in a manner that is easily accessible to persons with disabilities. The times, dates, places, and rules for the conduct of all education workshops, meetings, and other events involved in the delegate selection process shall be effectively publicized by the party organization and include local promotion as appropriate in each Country Committee. 20 where to participate in the delegate selection process, as locally appropriate,
21 and globally as recommended by the Affirmative Action Committee and in ac-
22 cordance with a Delegate Selection Media Plan (see Exhibit 2). Specifically,
23 this information will provide details as to how to qualify to run as a delegate
24 candidate. Regular releases during the delegate selection process to media
25 sources, such as English-language newspapers, wire services, and online ser-
26 vices for Americans living abroad will complete timely coverage. (*Rule 4.B.3*

E. Representation Goals

Democrats Abroad has determined the estimated demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders among U.S. citizens living abroad. These constituency percentages shall be established as goals for representation in Democrats Abroad's convention delegation. (*Rule 6.A.*)

2. Democrats Abroad has determined that the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the Democrats Abroad's Democratic electorate is consistent with the demographic composition of Democratic Party support in key states for Democrats Abroad. Key states for Democrats Abroad, according to voter registrations at www.votefromabroad.org and membership in Democrats Abroad, are California, New York, Massachusetts, Pennsylvania, and Florida.

Democrats Abroad has also determined that the demographic composition of members of the LGBT community, people with disabilities, and youth is consistent with the demographic composition of Democratic Party support in key states for Democrats Abroad. Furthermore, Democrats Abroad has chosen to establish these percentages or higher as goals for representation in Democrats Abroad's convention delegation.

	African Americans	Hispanics	Native Americans	Asian Americans and Pacific Islanders	LGBT Americans	People with Disabilities	Youth
Percent in Democratic Electorate	17.8	16	0.4	4.9	11.7	9.8	24
Numeric Goals for Delegation	4	4	1	2	3	3	6

3. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (pledged PLEO and unpledged) shall be compared with Democrats Abroad's goals in order to achieve an at-large selection process that helps to bring about a representative balance. A comparison including already-selected at-large delegates will be reported prior to each selection of any member of the delegation, by the chair of the body voting on that selection.
4. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for Democrats Abroad to conduct outreach activities such as recruitment, education, and training. (*Rule 6.A.3.*)

F. Obligations of Presidential Candidates to Maximize Participation

1. Presidential candidates shall assist Democrats Abroad in meeting the demographic representation goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program. Compliance with these affirmative action obligations shall be verified by the Affirmative Action Committee (*Rule 6.H.*)
2. Statement of Full Participation. Each presidential candidate shall submit a statement that specifies what steps the candidate is taking and will take to encourage full participation in the delegate selection process, including, but not limited to, (i) whether the presidential candidate's campaign may defray all or part of the expenses of those delegates otherwise unable to participate in the National Convention and (ii) procedures by which persons may file as candidates for delegate or alternate. Presidential candidates are required to present this information no later than January 6, 2020 in their letters of candidacy referred to above. (Sec. II.B.3, *Rules 6.G., 6.H.1., and 6.I.*) Presidential candidates are also required to submit such full participation statements to the DNC Rules and Bylaws Committee at the same time they are submitted to Democrats Abroad. (*Rule 6.H.1*)
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. (*Rule 6.H.2.*)
4. Presidential candidates (including the delegation of uncommitted status) shall use their best effort to ensure that their respective delegations within Democrats Abroad's delegate, alternate, and standing committee delegations shall achieve the affirmative action goals reflected in the affirmative action plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. (*Rule 6.I & Reg. 4.9.*)

- 1
2 5. Presidential candidates shall not be responsible for providing financial assistance to delegates who would otherwise be unable to participate in the National Convention (Rule 6.G).
3
4
5

6 **G. Outreach and Inclusion Plan**

7

- 8 1. Democrats Abroad is committed to help achieve full participation of those
9 groups of Americans who have historically been explicitly denied the right to
10 vote or who have been subjected to discriminatory and exclusionary practices
11 that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with
12 other groups of Americans who are also underrepresented in Party affairs.
13
14
15 2. As such, Democrats Abroad has developed outreach and inclusion programs
16 and is committed to fully implementing the programs so that all persons who
17 wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the
18 local, national, and global levels.
19
20
21 3. Democrats Abroad will make accommodations to facilitate greater participation by people with disabilities, by including reasonable physical accommodations in the selection of the venue for the Global Convention, bringing online
22 processes into compliance with standards where feasible, and soliciting feedback from people with disabilities.
23
24
25
26
27 4. In addition to the education, publicity and other steps described above, Democrats Abroad will continue its Travel Fund program to encourage the participation in the regional conventions and Global Convention of those historically underrepresented due to financial constraints. The Affirmative Action Committee will also encourage presidential candidates to establish similar programs.

Section IX Summary of Plan

A. Selection of Delegates and Alternate

Democrats Abroad will use a proportional-representation system based on the results of its Global Primary for apportioning its delegates to the 2020 Democratic National Convention.

The "first determining step" of Democrats Abroad's delegate selection process will occur between March 3-10, 2020, with its Global Primary.

Each presidential candidate, or that candidate's authorized representative(s), must submit to the Global Chair of Democrats Abroad a minimum of two (2) names for each slot awarded to that candidate by April 24, 2020, or at least ten (10) days prior to the applicable regional convention, whichever date occurs first, for at-large delegates to be elected in Democrats Abroad's regional conventions and by April 24, 2020 for at-large delegates, pledged PLEO delegate, and National Convention alternate to be elected by Democrats Abroad's Global Convention.

MEDIA PLAN

Media Outreach and Publicity

[Assets & Resources](#)

[Media Distribution](#)

[Stakeholder Engagement](#)

[Documentation & Reporting](#)

To achieve participation in the delegate selection process and in Party organization at all levels by the groups identified in the 2020 Delegate Selection Plan for the Democratic National Convention, Democrats Abroad commits to maximizing our reach among Democrats living around the world.

A multi-pronged effort is required to reach international voters, due to the unique demographics of Democrats Abroad. This requires utilizing traditional and “new” media, at a global, national, and local level.

Media plans will aim to raise visibility of the Party in international markets, through as many forms of communications as possible.

F. Assets & Resources

1. ONLINE PRESS KIT

Democrats Abroad will create a press kit to be used at an international level, with templated components that can be used by Democrats Abroad leaders at a country level as well as locally, in English or local language.

The initial media kit will include:

- Introduction, identifying the opportunity for media to cover the DPCA DSP and GPP
- Press announcement & media contact details
- Times, dates, and locations of the Regional Conventions and Global Convention
- Summary of how to become a candidate for National Convention Delegate or Alternate
- Summary of how Americans abroad can participate in the Global Presidential Primary
- Brief abstract of how delegate selection works
- Background on Democrats Abroad and the Global Primary
 - Fact sheet/FAQ
 - Statement on Democrats Abroad’s commitment to holding a fair, free, and unbiased Global Presidential Primary
 - Previous press coverage
 - Details of key global spokespeople
- Requisite visual assets (e.g. DPCA logo)

2. EXPLAINER MATERIALS

Most international editors and journalists are less familiar with the facts of voting from abroad, and many Americans abroad are highly embedded in their local communities, with little access to U.S. media and limited knowledge of how they can be involved.

Consequently, **explainer materials to supplement the initial press kit will include:**

- Outline of eligibility of U.S. citizens living abroad (both uniformed and civilian) to vote in primary and general elections, and what it means to vote in the Global Presidential Primary
- Reference materials on the importance of voting for Americans living abroad
- Summary of what is expected at the Democratic National Convention in 2020 and key events leading up to and following the convention

3. PROMPTS TO SHARE & ENGAGE

Further resources will be made available to encourage information sharing throughout the DPCA network of Americans around the world.

These assets will include:

- Print collateral (e.g. brochures and posters) will be made available and used where appropriate and effective
- Online event postings
- Press coverage
- Social assets (#TBT of previous years, scripted posts about engagement and process, reminders of DSP and GPP activities and timelines, etc.)

G. Media Distribution

All assets and resources will be made publicly available on the Democrats Abroad website. Those materials prepared for the general public will also be shared on social media properties at global and local levels, as well as through DPCA caucuses to better target and reach these marginalized constituencies.

Social media targeted advertising will be used to reach new audiences of Americans abroad who may not otherwise learn about the DSP and GPP.

Primary social media platforms include Facebook, Twitter and Instagram.

International Media Outreach

Throughout the delegate selection process and global presidential primary, Democrats Abroad will reach out to key global media outlets as well as those domestic outlets in the U.S. with considerable international audiences. This includes:

INTERNATIONAL & US PRINT MEDIA	NEWSWIRES / AGENCIES	TV/RADIO	ONLINE NEWS SITES & OTHER MEDIA
<i>BBC • Boston Globe • Chicago Sun-Times • Los Angeles Times • Stars and Stripes • Foreign Policy • The Guardian / Observer • The International New York Times • Los Angeles Times</i>	<i>• Agence France-Presse • Agencia EFE • Associated Press • Bloomberg • Canadian Press • Chicago/LA New Agency • Reuters</i>	<i>• ABC • BBC • Bloomberg • CBC • CNN • ITN • MSNBC • NPR • PBS • Sky</i>	<i>• Ballotpedia • Bustle • BuzzFeed • Daily Kos • The Hill • Huffington Post • Mother Jones • Politico • Real Clear Politics • Rewire • Salon • Slate • The Intercept • Talking Points</i>

--	--	--	--

Local Media Outreach

Releases to local media outlets are to be designated by each Country Committee in coordination with the Affirmative Action Committee. If Country Committees find other communities of American citizens that are more comfortable in a language other than English, media using these languages will be targeted as well. Country Committees are encouraged to localize the materials provided in the press kit to ensure local relevance.

The Democrats Abroad Communications Director will work with the Affirmative Action Committee, Country Committees and Chapter Chairs to further develop local media lists in their countries. These lists will be in place by September 15, 2019.

Country Committees, with support from the Democrats Abroad Communications Director, will be responsible for liaising with these media outlets throughout the DSP and GPP, and providing highlights of coverage to the global leadership team. Sample media outlets include but are certainly not limited to:

ABC (Australia) • *The Age* • *Berliner Zeitung* • *Channel News Asia* • *The Copenhagen Post* • *El País* • *Estado de Sao Paulo* • *Global News* • *The Globe and Mail* • *Ha'aretz* • *Hamilton Spectator* • *The Independent* • *The Irish Times* • *The Japan News by The Yomiur Shimbun* • *Le Monde* • *The Local (various)* • *Mexico News Daily* • *Montreal Gazette* • *National Post* • *The Paris Times* • *SBS (Special Broadcasting Service)* • *The Scotsman* • *The Straits Times* • *The South China Morning Post* • *Sydney Morning Herald* • *Toronto Star* • *The Vienna Review* • *The Prague Post*

In addition to traditional media, television and radio, Country Committees will be encouraged to reach out to any podcast producers and bloggers that may have substantial reach among constituents.

Targeted Media Outreach

Democrats Abroad will reach out to media outlets which cater to specific minorities and constituent segments. Realistically, some groups may not be represented outside the United States, and/or they are represented in the dailies and general interest outlets in their local area.

All DPCA caucuses will be encouraged to identify those outlets that may be of particular interest to their constituents. In some cases, members of minority groups living abroad use American online news sources. These may include websites such as:

Advocate • *Fusion Online* • *NBC Latino* • *NewsOne* • *The Root*

H. Stakeholder Engagement

Internal Stakeholders

Democrats Abroad in-country leaders are very often the best conduit for reaching local Americans and local American communities. Therefore, our success is dependent on ensuring that these internal stakeholders are informed, engaged and empowered.

Through both internal and public facing areas of our website, weekly and ad-hoc emails and monthly video conferences by region, these local leaders will be kept up to date at all times, in terms of the status of the DSP preparation, this includes internal schedules, expectations and responsibilities of lead volunteers. These platforms also provide full opportunity for leaders to raise issues, ask questions, and share success stories, to further improve the Delegate Selection Plan and Global Presidential Primary.

General members will also be kept up to date of this information and process, through web content, online speaker sessions, social media posts, email updates, and regular reminders at in-person events.

International Stakeholders

Through community outreach and global activism, Democrats Abroad has a strong network of organizations and interest groups, which we work with from time to time on particular issues of interest. At a global level, we will reach out to those organizations with a strong international structure. For those organizations managed fully at a local level, Democrats Abroad Country Committees will be encouraged to liaise directly.

The DPCA will utilize the organization's global caucuses to engage international stakeholder groups as well. These caucuses maintain an active global presence and include the Global Black Caucus, Hispanic Caucus, LGBT Caucus, Progressive Caucus, Women's Caucus, and the Youth Caucus.

Democrats Abroad will provide these organizations with similar materials to inform American voters about the Delegate Selection Plan and Global Presidential Primary. Organizations who we will reach out to include but are not limited to:

PAGE (Progressive Action, Global Exchange) • Black Women in Europe • non-partisan advocacy groups for Americans Abroad • the Global Women's March • Indivisible • various black, Hispanic, and LGBT fraternities and sororities with global activities •

Through its verified Twitter account, Democrats Abroad will reach out to influencers who have previously helped to drive awareness of DPCA GOTV activities and encourage them to share news of our delegate selection process and global primary. These influencers include but are not limited to Michael Blake, Earl Fowlkes, Michael Kapp, Grace Meng, Alyssa Milano, Malcolm Nance, Joe Scarborough, and George Takei.

I. Documentation & Reporting

Media outreach and coverage, as well as successful stakeholder engagement activities and social media reach, will be tracked and made available.

DEMOCRATS ABROAD CALLS ON AMERICANS ABROAD TO PARTICIPATE IN 2020 PRESIDENTIAL PRIMARY

- Organization makes push to reach historically underrepresented minority groups -

WASHINGTON, May 03, 2019 – Democrats Abroad, the largest organization for Americans living overseas and the official Democratic Party arm for the millions of Americans living outside the United States, today announced the adoption of its 2020 Delegate Selection Plan.

The Delegate Selection Plan outlines how American Democrats living abroad can participate in the presidential primary process and takes its place alongside plans from all other state Democratic parties. Key elements include rules and processes for the Democrats Abroad Global Presidential Primary (March 3-10, 2020), and how delegates will be selected to represent Americans abroad at the 2020 Democratic National Convention.

“The Global Presidential Primary and Delegate Selection Process ensures Americans abroad have the opportunity to easily participate in the Democratic primary process while also bringing our unique issues to the attention of Democratic presidential candidates,” explained Julia Bryan, Democrats Abroad Global Chair. “Democrats Abroad is representative of the millions of Democratic voters living abroad and voting in all 50 states; we welcome participation by the wide range of citizens living outside the US who share the core values of the Democratic Party, and we are making every effort to engage more Americans living abroad than ever before.”

All Americans living outside the United States may participate in the primary and run for a convention delegate position, provided they are eligible to vote and turn 18 on or before November 3, 2020, and that they are Democrats Abroad members.

Members will be notified on how they may run for a delegate position and participate in the Global Presidential Primary, including voting dates and locations, as well as how new voters (and those voting overseas for the first time) can register and request their ballots for general and special elections throughout 2020.

Democrats Abroad’s delegation to the 2020 Democratic National Convention will consist of 12 elected delegates and one alternate, in addition to the eight Democrats Abroad Democratic National Committee members.

Democrats Abroad is also taking major steps to encourage participation by the full and diverse composition of the Democratic electorate, through the Democrats Abroad Affirmative Action Committee. The organization will focus on reaching groups historically underrepresented in Democratic Party affairs, by virtue of race, ethnicity, age, sexual orientation, gender identity, or disability.

"All of the Democrats Abroad Affirmative Action Committee members are proud Americans who are just as enthusiastic about 2020 as I am in taking back the White House. As such, we are

fully committed to looking closely at every step of the delegate selection process to identify opportunities for participation by our members who come from historically disadvantaged groups,” said Michael Ramos, who serves as Chair of the Democrats Abroad Affirmative Action Committee.

Details on how to participate in the primary process can be found in the Democrats Abroad Delegate Selection Plan, available here: www.democratsabroad.org/2020primary.

PUBLIC COMMENTS

PUBLIC COMMENT NO. 1 (SARAH WHITMAN)

I have skimmed the delegate selection plan, have never read one before so I have no comparisons to offer, found it to be very thorough. I can suggest two insignificant changes: on page 53 ‘to cover the DPCA ...’, and on page 55 to add a space at the end of ‘Mexico News Daily’.
Thank you for all your work on behalf of DA.

PUBLIC COMMENT NO. 2 (ANN WASWO)

Sorry, but I don't have the time or inclination to read and comment on all this. I just hope that delegates come from a wide variety of Democrats Abroad constituencies, not just those in Europe [currently at least including the UK].

PUBLIC COMMENT NO. 3 (PETER J. FOLEY)

The number of 21 delegates to the Democratic Convention is too few given the size of the democrats living outside the U.S.

PUBLIC COMMENT NO. 4 (JEFF TSCHIRLEY)

I am unable to comment helpfully on a document such as this but would observe that during a quick glance, item A.1.b. strikes me as an open ended way to stack a delegation in a direction that may not reflect the views of most delegates. Just a thought.

If there will eventually be a policy platform prepared by Democrats abroad for key issues arising during the 2020 election period, I would be interested in seeing it and may have some comments to offer.

PUBLIC COMMENT NO. 5 (DAVID S. MILLER)

I've read the draft DSP, and I have a couple of serious concerns, as well as some suggestions, comments, and typo corrections. (It's a very long, yet hopefully very cogent, email.)

I'll participate in the DSP Town Hall this Saturday.

As a heads up prior to the Town Hall, here are my concerns, suggestions, comments, and typo corrections in detail (and in order of priority from my point of view):

1) Election of delegates and the Affirmative Action Plan

In Section III C 6 (viii) (3) [page 24 line 24], it's ironic that it refers to promoting balance, yet the rules do the exact opposite:

"To promote balance as to gender, racial, or ethnic minority representation, and in consideration for historically under-represented groups, the election of each National Convention delegate shall consist of one round of cumulative voting to eliminate delegates who fail to meet a threshold, followed by a round of Ranked Choice Voting to select a delegate from the remaining candidates. Prior to each election, the chair of the PPG shall report the comparison of the representative goals to the demographic composition of the already-elected National Convention delegates (including automatic delegates), in accordance with Section VII.E.3."

The first problem has to do with the 15% threshold [p. 24 l. 35]:

"For the first round, each elector will cast a ballot that allows for up to three votes to be cast for one or more delegates. The first round shall eliminate all candidates who do not meet the threshold of 15% of the total votes."

It seems to me that in the EMEA Regional Meeting, the three largest CC's (UK, Germany, France) plus one or two other CC's such as Italy, the Netherlands or Spain, could decide all of the EMEA delegates. Seeing how things went in 2016 at the EMEA delegate elections in Berlin, we could end up with predominantly (or solely) white, straight, older than 35 delegates reaching the 15% threshold, which adds nothing to our Affirmative Action goals.

I suggest that instead of a 15% threshold, in the first round, electors vote for 10 female and 10 male candidates (including non-binary) in no particular order. This will give an opportunity for electors to consider the 8 Affirmative Action categories when determining the pool of candidates that can be voted on. The 10 female and 10 male candidates (including non-binary) who receive the most votes can run for a delegate position in the second round, which is voting for 1 candidate (and not Ranked Choice Voting, see below).

If this is done for 10 female candidates and 10 male candidates (including non-binary), these same pools of candidates could then be used for the remainder of the Regional delegate elections. A similar system would be used for the Global election of delegates.

The second problem has to do with Ranked Choice Voting's negative impact on the Affirmative Action goals [p. 24 l. 40]:

"The second round shall select a single National Convention delegate from among the remaining candidates using Ranked Choice Voting, specifically Instant Runoff Voting as described by "Maine Question 5, 2016" for Maine's Congressional elections."

Based on my experience as an EMEA elector for Bernie Sanders delegates at the 2016 DA Global Convention in Berlin, it's important that electors can decide who to vote for as the elections for the individual delegate positions progresses. Affirmative Action criteria are taken into consideration, particularly as the electors can see that few or none of the Affirmative Action categories are represented. For instance, the two first Bernie Sanders EMEA delegates were a straight white male over 36 and a straight white female. The third delegate was an African American male (and Youth?), which was a deciding factor for many of the electors. In the second round of voting for Bernie Sanders alternate, an African American, LGBT, Person with a Disability, Youth was elected over the front-runner straight white male over 35 who was leading in the first round. (There were also other factors as to why the straight white male lost the second round, but Affirmative Action criteria played an important role.)

With Ranked Choice Voting, deliberations among electors to take Affirmative Action criteria into consideration as the votes progress will be impossible, such as in the case of the Bernie Sanders alternate.

I suggest we use the same system that we used in 2016, and not use Ranked Choice Voting.

The above also applies to the election of delegates at the DA Global Convention, which according to the draft DSP follows the same procedures as for Regional elections of delegates.

2) 300 DA member signatures for presidential candidates [p. 5 l. 3]

In Section II A 2., I understand the desire to only have serious presidential candidates running in the DA Global Primary, but I feel the rule that presidential candidates need to gather 300 DA member signatures (and pay \$2,500) to have access to the DA ballot is not rooted in the currently reality of 16 or so Democratic presidential candidates, about half of whom I consider serious and viable. This is in contrast to 2016, when there were two very strong candidates (Bernie Sanders and Hillary Clinton), and one less serious candidate (Roque "Rocky" De La Fuente).

I assume the 300 signature rule is to discourage less serious candidates.

However, perhaps it will discourage too many candidates.

No matter what, if it discourages serious candidates, the DSP is doing our membership a disservice by making it difficult for serious presidential candidates to have access to our ballot, and thus disenfranchising DA members from voting for these candidates.

One question is how will presidential candidates get access to 300 DA members? It's not like a U.S. state, where you can basically go door to door to get signatures. You can't do that in Japan or Denmark, because you'll almost always get a Japanese citizen or Danish citizen answering the door.

Presidential candidates are not allowed to use the DA membership database.

So the only option as far as I can tell is for the DA leadership to send an email to the entire membership with a link to each presidential campaign that has expressed interest in accessing the DA ballot, where members can sign a petition to get a particular candidate on the the DA ballot.

Is this the plan? Otherwise, I don't see how it's going to work.

Therefore, I'm not sure that the 300 signature rule is a good idea, and perhaps should be abandoned.

3) Disenfranchisement of our members to vote for their candidate of choice with the DNC-mandated 15% threshold for presidential candidates [p. 6 l. 28]

In Section III A 1. a., I understand that the DNC is requiring DA to drop any presidential candidates in our Global Primary who get less than 15% of the global vote among our membership. And maybe this rule made sense in a 2016 situation with basically two main candidates.

However, in 2020, we can expect 10 or more strong Democratic presidential candidates.

We risk that only one will get above 15% of the vote, yet 2-3 may get between 10-14 percent of the vote.

For instance, if we have 7 presidential candidates in the DA Global Primary, 1 candidate may get 25% of the vote, and the other 6 candidates would have an average of 10-11% of the vote each, and would represent 75% of the total membership vote. I.e., 75% of DA voters would be disenfranchised.

I feel that Ranked Choice Voting should be used in the DA Global Primary. This would mean that members' votes don't get lost due to the 15% rule.

(An online voting system, something that I've mentioned to Julia Bryan, would make Ranked Choice Voting easy to tabulate.)

4) Mention of online voting

Section I C 2. [p. 3 l. 15] reads:

"Democrats Abroad supports and will continue to support the efforts of Democratic State Parties and legislators to enhance voter and election security, particularly but not exclusively in the delivery and processing of ballots cast from outside the United States."

The DSP currently mentions in-person voting, voting by mail, by fax, and by email. There is no mention of online voting. I've been in touch with Julia Bryan about such a possibility (a particular system). I feel the DSP should be worded to include the possibility of online voting, without it being a required option. For instance, Section I 5. a. [p. 3 l. 38], which currently reads:

"The ballot for voting by mail, fax, or email will incorporate features to safeguard against error and fraud; (Rule 2.K.1) "

should read:

"The ballot for voting by mail, fax, online (if available) or email will incorporate features to safeguard against error and fraud; (Rule 2.K.1)"

These changes should be made throughout the DSP. (I've marked them in my printed copy.)

Also, mention of how to vote online (if available) should be inserted after Section III B 5. (Voting by Email) [p. 18 l. 32]:

"6. Online voting (if available)

"If online voting is made available, ballots may be cast online by members, including at Voting Centers, Member email addresses used to identify members in the Democrats Abroad membership database will be used as one of the identifiers to properly identify members. Such online ballots (if available) may be cast from 12:00 am New Zealand Daylight 27 Time on March 3, 2020 until 12:00 am Pacific Standard Time on March 11, 2020."

5) Weighted influence of the largest Country Committees (at least in the EMEA Regional Convention)

Assuming that voter turnout will more or less be larger with the large CC's (in EMEA it's the UK, Germany, and France), in the EMEA Regional Convention, these 3 CC's along with one or two other CC's (such as Italy, the Netherlands, or Spain) would be enough to elect all of the delegates. This could have a negative impact on the Affirmative Action goals, and excludes the majority of CC's in EMEA from having influence.

Could there be a rule that in the Regional Conventions, if there are 3 or more delegates to be elected, at least one elected delegate must be from among a Country Committee that is NOT among the top 5 CC's in terms of voter turnout?

This would be a way to ensure some kind of inclusiveness in terms of the smaller CC's, and could have a positive effect in reaching the Affirmative Action goals.

6) Confusing wording of formulas

I find the wording of the Delegate Apportionment Formula (Section III A 1. c.) [p. 6 l. 38] and the Regional Re-apportionment Formula (Section III A. 3. a.) [p. 8 l. 13] to be confusing. It could be reworded, and/or examples could be used to illustrate the formulas.

7) Why use 0.455 for rounding up?

In the DSP, 0.455 is used as the basis for rounding up to the nearest whole number instead of 0.500, such as in Section III A 11. [p. 12 l. 39]"

"In any calculation required hereunder except as otherwise indicated, any number that may require to be rounded shall be rounded upwards to the nearest round number if it is equal to or greater than 0.455 and shall be rounded downwards to the nearest round number if it is less than 0.455."

What is the reason for using 0.455 for rounding up to the nearest whole number, rather than 0.500?

8) Specific Voting Center instructions for tallying ballots

Based on my experience in the 2008, 2012, and 2016 Copenhagen Voting Centers, and knowing how paper ballots are tallied in Danish local and parliamentary elections, in the interest of transparency and ballot integrity, I suggest the DSP provides the following or similar instructions for tallying paper ballots, for instance as a new Section III B 2. c. (v) [p. 16 l. 3]:

"Voters should place their ballot in a sealed ballot box that has a slot for inserting the ballot. Ballot boxes may be sealed with tape, plastic strip, wire, or another secure method. If sealed by tape, the Voting Center Manager should sign the tape over the area of the seal.

"A separate area in view of voters and others should be used for tallying ballots. This could be the corner of the main room where voting took place, or a separate room where the door should be kept open so voters and others can observe the tallying process from a distance.

"Ballot boxes should be emptied for tallying upon the closing of the Voting Center. If it is not possible to tally the ballots upon the closing of the Voting Center, the Voting Center Manager should announce the time and place of where the ballots will be tallied, which should be a publicly accessible venue.

"A large table or several tables placed together should be used for emptying the ballot box. Without placing hands in the ballot box, the ballot box should be tipped over the table so the ballots fall onto the table. Any ballots that fall on the floor should be immediately picked up and placed on the table. The empty ballot box should be tipped toward the people in the room so they can see that it is empty.

"If there are any ballots stuck in the ballot box, the ballot box should be tipped toward the people in the room so they can see the stuck ballots, and then one of the tellers should reach into the ballot box, remove the stuck ballots and place them on the table, and then tip the empty ballot box to the people in the room so they can see it is empty.

“The results of the tally should be announced in the room, and it should be announced that the tally is only for the in-person voting and not email voting, etc., and that Democrats Abroad’s Global Chair will be responsible for announcing the final global tally.”

9) Access to Voter Centers by voters with disabilities

A new Section III B 3. d. (ii) [p. 17 l. 15] should be inserted:

“If disabled voters are not able to enter a Voting Center, the Voting Center Manager should ensure that such disabled voters be able to contact Voting Center staff so a ballot can be cast immediately outside the voting center.”

10) Mention of using computers and/or paper forms for registering new members of Democrats Abroad prior to voting

A new Section III B 3. c. [p. 17 l. 1] should be inserted:

“Voting Centers should have adequate space and means for voters to join Democrats Abroad prior to voting, including the use of paper forms and/or computers and online forms for joining Democrats Abroad.”

11) Gender-neutral wording

In keeping with Democrats Abroad’s goal of being inclusive, the DSP should to the extent possible avoid using “his/her”, “he/she” and other binary gender-specific wording throughout the document. An example can be found in Section III C 6. a. (i) [p. 21 l. 45]:

“In order to register, each regional convention elector shall sign a statement of support for **his/her**-presidential candidate (including uncommitted) indicating the Country Committee and Chapter (if applicable) of which **he/she** is a member.”

12) Delegate candidate gender when applying to be a delegate candidate

In Section III A 7. b. [p. 10 l. 8] (and perhaps other places in the DSP), a delegate candidate should declare the candidate’s gender identity (e.g., female, male, non-binary).

13) What is a “non-voting Country Committee in good standing”?

See Section III A 3. [p. 8 l. 4].

14) Additional wording re: inability of authorized representative of presidential candidate, et al., to run as a delegate or alternate candidate

The words “, or anyone who has influence over the approval of delegate or alternate candidates,” should be added to Section III A 7. f. [p. 11 l. 5]:

"Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below), **or anyone who has influence over the approval of delegate or alternate candidates**, is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential 6 candidate (including uncommitted)."

15) Should Super Tuesday be the first or last day of our Global Primary?

In the U.S., absentee ballot voting takes place up to the day of in-person voting. In our Global Primary, Super Tuesday, which will be a recommended day to have Voting Centers open, is the first day of our Global Primary. I understand the reasoning for this (it could lead to more participation via email ballots, or more weekend in-person voting for Voting Centers open during the weekend after Super Tuesday), but we should consider how this fits in to what's considered normal voting practice.

16) Is campaigning allowed at Voting Centers?

See Section III B 6. c. [p. 18 l. 43]:

"The Global Chair of Democrats Abroad **shall establish uniform rules and regulations for "campaigning" of any nature at any Voting Centers**. No preferential treatment shall be accorded to any campaign(s). Voting Center Managers shall post these uniform rules and enforce them. "

17) Use of "race" and "racial"

See [p. 12 l. 21], etc.

Professionally, I work with communications and the framing of messages. In general, I do not like using the word "race" (or "racial"), as it implies that there are different races; all humans are of one race. If necessary, I prefer "color of skin" (as Dr. Martin Luther King, Jr. used) or "skin color", etc., to denote such differences (socially, historically, etc.). The reason for this is that words matter, and if we use words that cause us to think of a frame where people are fundamentally different (e.g., "race"), then it is more difficult to negate that frame. If Democrats Abroad can come up with more suitable wording (as we did in redefining "sex" in terms of electing the Chair and Vice Chair), this could benefit the entire Democratic Party at some point.

18) What does "respective constituencies" mean?

See [p. 22 l. 28]:

"All committees and officials of Democrats Abroad shall take such practical steps as may be within their legitimate power to assure that all regional conventions and the Global Convention, and all committees include: men and women, various age groups, racial-minority groups, economic groups, traditionally under-represented groups, and representatives of identifiable geographically-

defined populations—all in reasonable relationship to the proportions in which these groups are found in the population of the **respective constituencies** and without discrimination based on creed or religious preference, sexual orientation, or physical disability.”

19) Affirmative Action Committee report

The agenda of the Global Convention should include a report of the Affirmative Action Committee. See Section iii D 2. c. [p. 27 l. 2].

20) Consequences of presidential candidate not using best efforts to meet Affirmative Action goals

What are the consequences if a presidential candidate (or its representative) does not use best efforts to meet the Affirmative Action goals? See Section III F 4. d. [p. 30 l. 31-37].

21) Various typos, omissions, etc.

[p. 4 l. 32]: insert “residing abroad”, as in “participation of all Democrats residing abroad.”

[p. 5 l. 41] Cap “Presidential”.

[p. 5 l. 43] Cap “Presidential”.

Section III A 3. b. [p. 8 l. 33-39]: The last sentence of this paragraph in line 38 should be moved to line 33 as the second sentence of the paragraph.

[p. 12 l. 16]: Why are “women” mentioned as a priority of consideration, when voting is more or less 50/50 for women and men. Also, women aren’t considered an Affirmative Action category.

[p. 14 l. 43]: Change “but would not be limited to” to “but is not limited to”.

[p. 17 l. 28]: Delete comma after “Voting Center”.

[p. 18 l. 44]: Change “Voter Centers” to the singular “Voting Center.”

[p. 19 l. 24]: Change “that region” to “the respective region”.

[p. 19 l. 46]: Change “All elected national officers” to “All Country Committee officers”.

[p. 27 l. 32.33]: Cap “Affirmative Action Plan”.

[p. 28 l. 10]: Cap “Affirmative Action Plan”.

[p. 30 l. 35-36]: Cap “Affirmative Action” as in “the Affirmative Action section of this Plan.”

[p. 31 l. 5]: Add “or is otherwise unable to serve” as in “when a delegate resigns or dies or is otherwise unable to serve”.

[p. 32 l. 46]: Add “, or such delegates are otherwise unable to serve” as in “In the case of death of such delegates, or such delegates are otherwise unable to serve;”

[p. 36 l. 17]: Change “appropriate” to “pertinent”.

[p. 37 l. 2]: Insert “or otherwise not able to serve.” after “death”.

[p. 37 l. 43]: Delete comma after “possible”.

[p. 37 l. 44]: Cap “Affirmative Action”.

[p. 38 l. 20]: Should “the Democratic Party” not read “Democrats Abroad”?

[p. 38 l. 44]: Delete “the” preceding “Democrats Abroad”.

[p. 41 l. 3]: Insert “in the respective state they vote in” after “election ballots”.

[p. 41 l. 37]: Why are “women” mentioned as a priority of consideration, when voting is more or less 50/50 for women and men. Also, women aren’t considered an Affirmative Action category.

[p. 47 l. 29]: Change “local, national,” to “Chapter, Country Committee,”

[p. 51]: In the 5th column of the 3rd row of the top table, add “2019” as in “Two (2) elected as Chair and Vice Chair of DPCA during Democrats Abroad’s 2019 Global Meeting.”

PUBLIC COMMENT NO. 6 (DAVID S. MILLER)

Here are some follow-up comments to the draft DSP after the Webex call yesterday. The numbers refer to the numbering in my original email (below).

Ad 1) Election of delegates and the Affirmative Action Plan [p 24 l. 24, etc.]

In terms of electing delegates and adhering to our Affirmative Action goals, rather than cutting those delegates who do not reach 15% of the vote in the first round, I suggest that we keep 12 female delegates (including non-binary) and 12 male delegates (including non-binary) who have the top votes.

I suggest that we only vote once, for instance in the Regional Convention, to pare down the delegate candidate list to get it down to 24 delegate candidates. These 24 would then run in the subsequent elections (for instance for 3 EMEA delegate positions for one presidential candidate).

(The number could be less than 12 female or non-binary or less than 12 male or non-binary if there aren't that many delegate candidates available for a particular presidential candidate in a particular region or for the Global delegate elections.)

If we must vote each time for paring down the delegate list for each delegate position, then electors could keep voting for the same delegate candidates (adding one after each delegate is elected, for instance one extra female or non-binary after a female delegate candidate is elected).

As I mentioned in my previous email (and on the Webex call), I suggest that we do not use Ranked Choice Voting in the second round to elect delegate candidates, as this would make it impossible to take into consideration our Affirmative Action goals as the voting progresses, **and according to the DSP, we must take these goals into consideration, even if they're not mandated.**

Ad 2) 300 DA member signatures for presidential candidates [p. 5 l. 3]

As I mentioned in my previous email and on the Webex call, I feel that the 300 signature rule 1 is a bad idea, as it may very likely keep some viable candidates away from running in the DA Global Primary, as it limits ballot access.

The example used on the Webex call of the ability of Bernie Sanders to gain new members in 2016 is misleading. Bernie Sanders motivated our current and new members to vote in 2016, and some of these new members were due to the Bernie campaign abroad. However, the core of these new members that joined due to the Bernie campaign abroad had little or no interest in DA, other than to control the Bernie delegates at the Democratic National Convention.

As I mentioned on the Webex call, many of these core Bernie campaign abroad that were DA members, ran slates through Our Revolution Abroad against other DA members in the 2017 CC ExCom elections (e.g., Denmark, Spain). In the case of Denmark, none of them won, yet when asked afterward if they wanted to be active on the ExCom with ex-officio voting positions, they declined. The vast majority have not been active in DA Denmark since.

Gaining new DA members in order to get signatures for a campaign (Kamala Harris, Elizabeth Warren, Cory Booker, et al.) will have the tendency that these new members who are core to a campaign will be loyal to the campaign itself, and not necessarily the future of DA. (At least this is what we witnessed with at least one campaign in the past.)

Therefore, I suggest we drop the 300 signature rule.

However, if we keep the rule, then I suggest that certain procedures and deadlines be stated in the DSP (including the timeline), such as the Sept. 1, 2019 deadline for the Global Chair [p. 5 l. 5]:

"The Global Chair, upon request, shall make the form and rules governing the petition process available to presidential campaigns on or before September 1, 2019."

In addition, the DSP should mention that DA will send out an email to the entire membership with links to the various signature forms (hosted by DA or the campaigns?), for instance by September 13, 2019 (beginning of the implementation of the Affirmative Action Plan) [p. 43 l. 7].

Ad 3) Ranked Choice Voting in the Global Primary (DNC-mandated 15% threshold) [p. 6 l. 28]

As I mentioned on the Webex call, I will investigate pricing for ballot scanners (to be placed at the Global Chair's tallying venue) and a tallying system to tally paper/PDF ballots with Ranked Choice Voting.

Even if we decide not to use RCV, I will investigate what the scanners cost just for tallying one-candidate ballots (like the ballots used in previous Global Primaries) to make it easier for the tellers.

I'll get back to the DSP Committee and the Global Chair once I have the information.

Ad 4) Dropping the suggestion of online voting

As I mentioned on the Webex call, I'm dropping my suggestion that we mention in the DSP online voting in the Global Primary.

Ad 14) Additional wording re: inability of authorized representative of presidential candidate, et al., to run as a delegate or alternate candidate

As I wrote in my previous email as well as I mentioned on the Webex call, I feel that not only the presidential candidate's representative, but also anyone who has influence over a delegate candidate list should not be allowed to be on the list, as it is a conflict of interest and unethical, and goes against the spirit and intent of the Conflict of Interest section of the DA Code of Conduct.

Any candidate representative whose presidential candidate has DA delegates at the Democratic National Convention will be able to attend the convention, for instance as part of the Credentials Committee, and therefore there is no reason for a candidate representative to be a delegate.

Just so you know, the argument in 2016 by the representatives of the Bernie abroad campaign for cutting delegate candidates and keeping the candidate representative's name on the delegate candidate list was that they did not trust the regular DA members running to be delegate candidates to actually vote for Bernie Sanders at the Democratic National Convention. Considering that they knew at the time of the DA Global Convention in Berlin that 70% of DA voters voted for Bernie Sanders, I found the campaign's reasoning to be distrustful of the DPCA as well as of regular DA members.

I can imagine that the Our Revolution abroad members of DA who are currently involved in the Bernie campaign abroad will be in opposition of the current wording, let alone my additional wording. Due to their organizing for Bernie's 2016 campaign, and the fact that the organization has remained intact, they are the only current presidential campaign that is organized abroad, and which has campaign leaders who are active in DA.

Therefore, it is the only current presidential campaign that can exert influence on the DSP, which needs to be finalized in the coming weeks.

I suggest that DA resist any pressure from this one presidential campaign to remove the current wording or resist my suggested additional wording, since they have already shown how they operated in the past, and will likely want to operate in a similar way in 2020.

Remember: I was a Bernie Sanders supporter and EMEA elector in 2016. I put the campaign representative in touch with DA 2-3 months prior to the 2016 Global Primary.

Besides the unethical methods of the Bernie abroad campaign leaders and how it had a detrimental effect on DA's goodwill amongst its members by disappointing well over a hundred DA members around the world who could no longer run as a delegate candidate, one of my main concerns was that such unethical behavior (if the campaign representative got elected as a delegate or alternate) could lead to negative press for Bernie Sanders at the Democratic National Convention, let alone the damage it would do to DA's reputation as a fair Democratic State Party Committee. Despite my saying this numerous times to the campaign representative and to the presidential candidate's brother, they didn't see it as a problem. They certainly didn't have the best interests of DA in mind, quite the opposite.

Therefore, I have concerns about what they are likely planning for 2020. For me, the ends do not justify the means, and certainly not in conjunction with the DSP, the Global Primary, or the Global Convention.

I strongly feel that there should be no opportunity for any campaign to hijack the Delegate Selection Plan process. The process must be democratic, fair, free of conflicts of interest, and provide equal access for all eligible members to run as a delegate candidate.

I've amended the current wording further compared to my suggestion in my previous email [p. 11 l. 5]:

“In order to avoid conflicts of interest or the appearance of conflicts of interest, and in order to abide by the norms of fair elections, any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below), or anyone who has influence over the approval of delegate or alternate candidates, is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).”

That’s all for now. Most of my other comments from my previous email still stand.

Thanks for all your hard work!

PUBLIC COMMENT NO. 7 (HELENKA KINNAN)

I wasn't able to read all the way through, but I wanted to send it along in time. I found some typos. (In Italy my mania is called "deformazione professionale", professional bias, but more like professional OCD... Once a proofreader, always a proofreader!)

Some of the errors should be corrected throughout (e.g., comma after the date).

Let me know if there are any questions regarding my scribbles.

Substantive Comments

Page 18, lines 43 through 46: The rule should be that NO campaigning of any kind is permitted at any Voting Center or within a designated distance of 50 meters of a Voting Center.

Page 24, lines 24 through 33: Ranked Choice Voting should apply to all rounds of delegate selection, not simply the second and subsequent rounds.

Page 25, line 8: Challenges should be made known prior to the public announcing of the results if possible to allow for the correction of simple errors. Insert a new sub-paragraph (2) reading: “Any member of a PPG who wishes to challenge the results of the PPG should make the challenge known by informing the Permanent Convention Chair prior to the announcing of the results, if possible. If no correction is made with respect to the error or event in question, a formal challenge may be made immediately upon the announcement of the results.” Renumber existing sub-paragraph “(2)” as “(3)”.

Page 37, line 15: Insert a new paragraph spelling out what the “Delegation” consists of: “The Democrats Abroad Delegation to the National Convention shall consist of the eight (8) sitting National Committee Members, the twelve (12) at large National Convention Delegates, the PLEO

National Convention Delegate, any Distinguished Party Leader Delegate and the National Convention Alternates.” Consider including the Standing Committee members as part of the Delegation for the purpose of electing the Delegation Chair.

Page 37, line 23: in light of the previous comment, replace “delegates” with “Delegation”.

PUBLIC COMMENT NO. 9 (DAVID S. MILLER)

I promised Will a list of gender-specific wording in the draft DSP (he/she, etc.).

Besides the two instances I mentioned in my previous email ([page 21 line 43 and 45]), there is also one other instance:

[page 46 line 29].

PUBLIC COMMENT NO. 10 (RICK WICKS)

Suggestions, comments, and questions on DA's 2020 DSP

Rick Wicks

Göteborg, Sweden (and Anchorage, Alaska)

What a massive amount of work! Here's lots of suggestions, some pickier than others, and of course you may not agree with them all, though if you're interested I can explain my reasons for suggestions where they may not be obvious.

Page 1

Line 14: Spell out "is a Party Leader or Elected Official (PLEO)"

Line 15: Why does it say "at least one alternate" but in the summary at the end it seems quite specifically one?

Line 24: Could reference where "distinguished party leader delegates" are defined

Lines 37-38: Add (hereafter "Global Chair") after Democrats Abroad. Then delete "of Democrats Abroad" after every future reference to the Global Chair. Alternatively, ADD "of Democrats Abroad" in those instances where it's missing. (Usage appears to be random.)

Line 38: Add "both" after "after consultation with"

Line 39: Move "of Democrats Abroad" after "the Affirmative Action Committee"

Lines 42-43: Substitute "in consultation with the" instead of "and" International Counsel

Page 2

Line 11: Add ""Global Presidential Primary"" after "Presidential Preference Vote"

Line 11: Add "or "GPP"" before "shall be" – but why not search and replace with one standard term?

Line 14: Delete (or explain) the quotation marks on "first determining step"

Line 15: Delete (or explain) "committee-run"

Lines 38-39: Delete "and shall thereby become a participant in the Global Primary" as redundant (they're already participating per line 36).

Line 39: Substitute "Each individual" for "A person" – no reason to change construction from line 36.

Line 41: Delete "prior to participating in the Global Primary" – that's what "first" means.

Page 3

Lines 12-13: Delete "committee-run" – and why not say "Global Presidential Primary" (or "GPP")?

Line 28: Delete "by voters" ("of voters" in the next line makes it redundant)

Lines 29-30: Now we have yet another expression: "the Democratic presidential nominating process" – better to standardize on "Global Presidential Primary".

Line 34: Remove capitalization on "Selection" and add "to" before "resist attempts".

Page 4

Lines 8-9: Reverse the order of three clauses so it reads "Subject to recount, the allocation of all National Convention delegates will be locked in at the time of the final global count."

Line 22: Add/change so it says "to ensure their availability for..." OR "to ensure the possibility of..."

Line 39: Change "allow" to "encourage" and delete "who are unable to be a part of the process in person" which doesn't make sense with the following statement about week-long period for in-person voting.

Lines 33-34: Move “Despite its nature as a global organization,” before “Democrats Abroad” so it starts the sentence and the sentence reads more smoothly.

Page 5

Line 25: Insert “of” after “name(s)”

Line 29: Change “use” to “make”.

Line 41: Capitalize “Presidential” and change “present” to “submit”

Line 42: Change “letters” to “letter” (each one only has one letter).

Line 43: Capitalize “Presidential”.

Page 6

Line 9: Note that this line refers to “Apportionment, Allocation, [needscomma] and Selection

Line 12: Note that Section A refers only to Apportionment, but in fact a section on Allocation starts on p. 8 (line 33). Either this heading should include Allocation OR p. 8 line 33 should start a new Section B.

Line 15: Since our party leader might not be an elected official, change “and” to “or”.

Lines 24-25: Note that this refers to “all at-large delegates” – compare with Lines 34-5 below.

Line 30: Substitute “case” for “all situations where”

Lines 34-35: This refers to “twelve at large delegates and one PLEO delegate” – compare to Lines 24-5 above.

Line 38: Delete “To three decimals” as irrelevant in the first step – 15% is clear.

Line 45: Excluding – so apparently those votes, in effect, get reallocated proportionally to those who got more than 15%, rather than, for example, going to “uncommitted”?

Page 7

Lines 5-6: Delete “delegates” after “at-large”

Line 37: Change “participate” to “participated” (past tense)

Page 8

Line 33: This is where “Allocation” starts – it should either be acknowledged in the title of Section A above, or this should be the beginning of Section B

Line 35: This is the first use of the word “eligible”. What does it mean here?

Line 36; Delete comma after “process”

Page 9

Line 19: Change “levels” to “level”

Line 37: Delete “male and female” as redundant. Incidentally, what is the male:female ratio of DA members globally, is it close to 50:50?

Line 43: Delete “a” before “male”

Page 10

Line 6: I don’t understand this sentence as written. I believe it needs a comma after “automatic status”; OR “at all levels that determine presidential preference” could be inserted – between dashes – after “identified”; OR (best, I think) that clause could be deleted as unnecessary! I guess it’s clear elsewhere – even automatic delegates must state their preference as part of making our overall results match the GPP?

Lines 8-17: There are two (mostly) parallel statements here, one concerning regional conventions, the other the global convention. At minimum, the second one (starting on Line 12) should follow the identical form of the first statement wherever possible, deviating only to add further info. However, they could (should) be merged like this:

“To become a candidate for at-large delegate to be elected at a regional convention – or to become a candidate or at-large delegate, pledged PLEO delegate, or alternate to be elected by the Global

Convention – an individual may submit a written application to the Global Chair of Democrats Abroad beginning on March 24, 2020; all applications must be received on or before April 17, 2020 (Pacific Daylight Time) or (for regional candidates) 14 days before the appropriate regional convention, whichever is earlier.”

Line 14: Is the word “pledged” essential here (but not for the other categories)?

Line 22: Delete “for” at the end of the line.

Line 30: Add comma after “positions”.

Lines 40-42: Re-order the clauses (with a few minor changes) so (ii) reads “be a member of Democrats Abroad at the time of selection as well as at the time of the National Convention”.

Lines 42-43: Similarly reorder so that (iii) reads “reside temporarily or permanently outside the United States at the time of selection as well as at the time of the National Convention”.

Page 11

Lines 12-22: Merge as above and reorganize so it reads:

“Not later than April 20, 2020 – or, in the case of regional conventions, 10 days before that convention, whichever is earlier – the Global Chair of Democrats Abroad shall convey to the presidential candidate, or to that candidate's authorized representative(s), a list of all persons pledged to that presidential candidate who have filed notice of their candidacy for at-large delegates to be elected by the regional conventions – and a similar list of all persons who have filed notice of their candidacy for the remaining at-large delegates, pledged PLEO delegate, and alternate to be elected at the Global Convention.”

Lines 27-29: Add dashes and text and delete thus: “2020 – or, in the case of regional conventions, 6 days before that convention, whichever is earlier – a list...”

Page 12

Line 6: Change “used” to “made”. Question: Since there’s no candidate, who is responsible for making best efforts for uncommitted?

Lines 42-44: Change 0 to X and add at the end “where X is any integer”. Also delete spaces in “downwards”.

Page 13

Lines 5-12: Reverse points (i) which should come last with point (v) which should come first. However, perhaps add an additional point before the last saying “has not and will not vote in another state primary”!

Line 17: Delete “prior to participating in the Primary”.

Lines 21-24: Are people who live in countries WITH a country committee NOT allowed to vote by mail, fax, or email? (It sounds that way here.)

Line 29: Add “comma fax, or email” before ballots?

Line 30: Change “to” to “and must”.

Line 43: Delete “of this kind”.

Page 14

Line 2: Add “state” after “another” (if that’s what is meant).

Lines 10-11: Rewrite so it says: “Those wishing to vote in the Global Primary must complete a ballot.”

Line 13: Change “voter” to “person”.

Line 16: Add “Their” before “full name” and delete “of person voting”.

Line 31: Delete “of voter”

Lines 33-46: Reorder the paragraphs so that the one beginning “Provisional ballots” is (iii), the following one is (iv), and current (iii) shall become (v).

Page 15

Line 17: This whole section 2 should instead be section 3 (and section 3 next page should be section 2 here).

Line 20: Delete “from”

Line 23: Change “the” to “a” and delete comma after “Voting Center Manager”.

Lines 24-26: Won’t the Intl. Chair also want to know whether in fact it’s the Chapter Chair or the Country Chair who is the manager?

Lines 29-31: Is there no provision for adding Voting Centers after December 31?

Line 44: Add “that” before “they remain”.

Page 16

Line 13: Move “by telephone” before “immediately”.

Line 18: Make point (vii) the first point (i) above and renumber the others.

Lines 21-22: Insert commas after “or” and before “then”.

Line 22: Previously Chapter has been before Country Committee, which makes sense since most Voting Centers will be run by chapters. Perhaps standardize that way here too?

Line 29: As noted earlier, this whole section (3) should be section (2).

Lines 31-32: Delete “the”, make “Voting Centers” plus, delete “a” and make “Country Committees” plural. Insert “Chapters or” before “Country Committees”.

Line 34: Insert “at least one (1)” and make “Voting Center” singular.

Lines 38-40: Delete sentence beginning “A Country Committee without”.

Line 43: Here it’s clear that, even in countries with committees, voters can mail, fax, or email to the Intl. Chair.

Line 45: Insert “sufficient” before “Voting Centers”.

Page 17

Lines 2-4: Rewrite so it says “number of its Voting Centers and notify the Intl. Chair of their addresses and open dates.”

Line 6: Delete title and replace with “Additional rules”.

Line 11: Delete “therefore”.

Line 15: Insert “Chapter or” before “Country Committee”.

Line 16: Change “the” to “its”.

Lines 18-21: Delete as included in section c above (lines 1-4), and renumber the following section.

Line 24: Change “unpreventable” to “unavoidable” and add “or dates” after “locations”.

Line 33: Change “said individual’s” to “a”.

Line 38: Add “or area” after “country”

Line 39: Delete “at the designated location(s)”

Line 41: Delete “by” before “no earlier”

Page 18

Line 5: Insert comma and delete “or” after mail, insert comma after fax

Line 6: Change “or otherwise” to “and vice versa”.

Line 7: Insert “valid” after “first” and delete “provided said ballot is not spoiled”.

Line 10: Insert “or by the Global Chair” before “prior”.

Line 40: Change “votes” to plural, insert “comma, fax, comma” before “or”, and change “mailed” to “sent”.

Line 44: Delete (or explain) quote marks on “campaigning” and delete “any” before “Voting Centers”.

Line 46: Rewrite so it says “shall post and enforce these uniform rules”.

Page 19

Line 5: What does this mean? What's it talking about?

Line 7: Change "see" to "assure"

Lines 19-25: Move "at such time and place as" (at the end of line 22) – to the end of the sentence – to the end of line 19.

Line 33: Delete "single" or replace with the word "combined"

Line 39: Insert "(in addition to the Regional Vice Chair) after "Electors"

Line 46: Add "including elected at-large executive committee members" after "officers", and delete "of each country" (to the end of the clause on the next page).

Page 20

Line 1: Delete except for "and" at the end.

Line 3-5: Delete everything except "Chapter chairs: and"

Lines 7-9: Delete as now included in section (a).

Line 11: Delete – the RVC can't be a member of every CC delegation, or? This info is now included in Line 39 on the previous page.

Line 17: Substitute "above" for "below"?

Lines 31-32: Rewrite to say "Any regional convention elector may renounce their role by written notice..." – but why would they do so, after getting themselves elected? And what effect would it have, for quorum? For replacement?

Page 21

Line 2: Delete plural so it says "or any rule or practice"

Line 14: Split this section so a new section starts with "Representatives of the presidential candidates..." which has nothing to do with the first sentence (line 13). Or see comments below – why not just delete this entire part (Lines 14-21)?

Lines 14-17: Has PPG Chair been defined (i.e., a process for selection)? But in any case, what difference does this make? Why is it here? Anybody can inform anybody of anything, but so what?

Line 19: Substitute "it" for "such unacceptability".

Lines 23-25: Delete the clause "As a process...under-represented groups," and capitalize "A candidate..."

Line 28: Delete "the" after "divided among".

Line 33: Delete "a" before "male or female"

Line 46: I guess there's a good reason why TWO attachments are necessary (and they can't be combined)?

Page 22

Lines 17-18: Start a new paragraph with the sentence "The Permanent Chair shall..."

Lines 25-26: What an example of "representatives of identifiable geographically-defined populations" (and what's an example of someone who's not)?

Page 23

Line 3: Rewrite so it says "strength calculated as the participation..."

Line 8: Rewrite so it says " $= B/A \times 100$ "

Lines 12-13: What does "by the vote of the delegates from that Country Committee only" mean? What would be the alternative? Could that clause be deleted?

Lines 13-16: If there are no electors then it has no vote. If there are no electors present then they must be temporarily absent (or?), in which case Lines 15-17 can be deleted.

Lines 10-17: Could this whole paragraph be deleted?

Line 34: Delete "and" and insert a comma instead.

Line 40: Delete “then”

Lines 41-42: Make “purpose” singular.

Page 24

Line 16: Substitute “their” for “her/his”.

Line 30: Change “the” (comparison) to “a”

Line 35: Change “will” to “shall” in conformity with usage throughout (though it’s a bit random). It might be useful to search on both “will” and “shall” and see if each usage conforms to some rule of consistency. I suggest that “shall” should indicate what people should do, and “will” should state consequences, what will happen (see next two points).

Line 37: Change “shall” to “will”.

Line 40: Change “shall” to “will”.

Page 25

Line 6: Insert “elections” after the first “PPG” and change “each” to “the”.

Line 14: Delete capitalization on “Elections”, “Conducted”, and “Actions”.

Line 18: Change “proceed with the election” to “elect”.

Lines 22-23: Could “and shall respect equal division” be deleted as unnecessarily mysterious, or could the word “gender” be inserted so it says “equal gender division” if that’s what is intended?

Page 26

Line 15: Change “said member’s” to “their”.

Lines 25-26: Change “division” to singular.

Line 31: Insert “global” before “Credentials”.

Page 27

Lines 4-5: Delete “Credentials and Rules” and delete capitalization on “committee” in accordance with previous usage (Lines 34 and 45).

Line 5: What does “paragraph (d) above” refer to?

Line 7: Insert “National Convention” before “Delegates”.

Line 15: Delete either “certified” or “eligible to vote” as they must mean the same thing.

Line 15: Insert comma then “whether” before “present”.

Line 33: Change “purpose” to singular.

Line 39: Change “PLEO delegate” to singular.

Line 40: Clarify if this is the International or the PPG “Chair” being referred to.

Page 28

Line 13: Change “DPCA” to “Democrats Abroad”.

Line 22: Insert “National Convention” before “Delegates”

Lines 28-29: Insert period after “Abroad” and delete the rest of the sentence (see 3a below).

Lines 32-39: Insert comma after “(if any)”, insert “including”, then delete the next lines (33-34) up to “former...” and delete five more instances of “all” in the following description. Question: IF we had such a person, how would that affect our 8 automatic delegates?

Lines 42-44: Why would someone do that? If they did, would we lose a vote as we would lose an automatic delegate?

Page 29

Line 1: Delete “and distinguished party leader” because we’ve just defined them as part of “automatic”.

Line 6: Again delete as on Line 1.

Line 14: Change “preferences” to plural and delete apostrophe in “Democrats”.

Lines 15-16: Either capitalize “Delegate” (at the end of Line 15) or delete capitalization of “Selection Process”. If the former, the phrase should be capitalized anywhere it occurs (but why?).

Line 18: Delete “delegate” before “men” and after “and”.

Line 21: Delete “including those who identify as male or female” as obvious – or change it to mean whatever was intended? But is anything necessary to say?

Line 24: Insert “National Convention” after “(PLEO)” and change “Delegate” to singular.

Line 30: Change “slot” to singular and say “shall be allocated to the presidential candidate with the strongest preference in the Global Primary”.

Lines 36-37: What does “priority” imply here? It’s an elected position among all candidates, or? I suggest: “The following shall be eligible for the pledged PLEO delegate position: Officers...”

Page 30

Lines 2-4: I suggest: “A separate alternate is not selected for the PLEO category but the at-large alternate also serves this purpose.”

Lines 10-12: Delete “have” and insert comma “not later than April 17, 2020,” (moved from the next line), delete “pledged” before “PLEO” and delete comma after “Convention”.

Line 17: Delete “he or she”

Line 24: Insert hyphen between “binary” and “gender”.

Lines 26-29: Delete from “unless” to the end as redundant (it says, essentially, unless you respond, doesn’t it?).

Lines 31-37: Move from the end to the beginning the clause starting “Within three (3) days... (changing “returning” to “receiving”)), then comma and continue from the beginning.

Line 33: “including uncommitted status” – how could that be accomplished? By whom?

Line 41: Change “delegate” to singular and perhaps use abbreviation to PLEO since (in the singular) it’s “or” not “and” – that is, probably NOT an elected official.

Line 44: Insert “National Convention” before “Delegates”

Page 31

Line 5: Insert “certified” before “delegate” (see point iii below).

Line 10: Substitute “gender” for “sex”.

Line 11: Change “he/she replaces” to “replaced”

Line 12: Substitute “region” for “political subdivision” if that’s what is meant.

Line 18: Change “the opposite sex” to “a different gender”.

Line 21: Insert “if possible” after “shall” (before comma).

Line 23: Substitute “a different gender” for “the opposite sex”.

Line 40: Change “he/she replaces” to “replaced” and change “sex” to “gender”.

Line 41: Substitute “region” for “political subdivision” if that’s what is meant.

Line 44: Reverse order so it says “temporary and permanent”

Page 32

Line 1: Strike the first line and say “A delegate needing a temporary replacement may...”

Lines 2-3: Delete “to replace the delegate temporarily”

Lines 14-21: Say “Any alternate who permanently replaces a delegate, and replacement of a vacant alternate position, shall be certified in writing to the Secretary of the DNC by the delegation Chair within three (3) days after the replacement is selected. [In other words, merge points i and ii, and renumber the rest accordingly]

Line 25: Here it refers to “72 hours” whereas line 21 referred to “three days” – better to standardize expressions.

Line 39: Change “sex” to “gender” and “political subdivision” to “region”

Line 42: This appears to be section 2 not section 4.

Line 46: Say “In case of the death of such a delegate,”

Page 33

Line 6: Change “delegate” to singular.

Line 8: Insert “A” before “distinguished” and change “delegate” to singular.

Line 13: This is not a “circumstance” under point 2 (was 4) above, but should be point 3 instead of point d.

Line 35: Insert “a” and change “delegate” to singular, then delete “an”

Lines 38-39: Insert “following” before “procedures” and delete “indicated below”.

Page 34

Line 5: Delete “the occurrence of”

Line 11: Insert “Permanent” before “Standing”

Line 15: Delete “the” at the end of the line.

Line 18: Insert “over” after “presided”

Line 32: Change “the” to “DA’s”, make “preferences” plural, and delete “of all candidates”

Lines 38-39: What’s “the applicable percentage”? “within the delegation” (not in DA’s primary?)

Does this mean to say: “The percentage of each PPG within DA’s delegation will be multiplied...”?

Lines 40-45: Consider this example: Two candidates each have 50%. Multiplied by 3, they’re both above 1.455 so entitled to two positions each – but there are only 3 positions! Another example: Five candidates each get 20%. Multiplied by 3, they each above 0.455 so entitled to one position (five in total) but there are only 3! I guess this is covered in the next point.

Page 35

Line 4: Change “figure of representation” to “result of multiplication”

Lines 7-8: Change “figure of representation” to “result of multiplication”

Lines 19-21: Delete “to the greatest extent possible” and move “Subject to the requirement to achieve equal division” to the beginning.

Line 28: Change “binary female candidate” to “woman”

Line 30: Change “binary male” to “man”

Lines 32-33: Insert “(including non-binary)” after “gender” and delete the examples in parentheses.

Line 36: Change “must” to “could”

Line 37: Change “male committee member” to “man” and insert a comma after division.

Lines 38-39: Change “a” to “another” and delete from “in order” to the end.

Line 20: Delete “the” and change “Democratic Party” to “Democrats Abroad” and change “sex” to “gender”

Line 25: Make “oath” singular

Line 26: Change “should” to “shall”

Line 28: Delete quote marks on “status” but add “as defined above”.

Line 30: Change “on” to “at”

Line 31: Change “should” to “shall”

Line 32: Change “must” to “shall”

Line 35: Delete “on all levels, shall” and change “support” to “supports”

Line 35: Insert “voter” before “registration” if that’s what is meant (otherwise, explain).

Line 36: Delete quote marks on “status”.

Line 38: Change “should” to “shall” and delete “a” before “manner”

Line 40: Change “on” to “at”

Line 41: Change “should” to “shall” and reverse order to say “current and prospective”

Lines 43-44: Delete “of the Democratic Party organization”

Line 44: After “As part of this” insert from next page (Lines 1-3) “to ensure that all... (to the end, adding the word “that”)” and change “should” to “will” at the end of Line 44

Lines 45-46: Delete “continue to”

Page 39

Line 1: Insert “who” after “or” and insert period after “delegate” (moving the rest of the sentence above as indicated earlier).

Line 5: Change “should” to “will” and insert comma after “publicize”

Line 7: Change the first “of” to “required for”, change “officer” to singular, change “and” to “or”, change “representative” to singular.

Line 8: Change “should” to “shall”

Line 15: Delete quote marks on “status” (but insert “as defined above” or “as defined in section xx”)?

Line 21: Delete “delegate” before “women” (twice!), change “and” to “as well as between” But there’s only one alternate, so why mention them at all here?

Lines 24-25: This entire sentence can be deleted as redundant and irrelevant.

Lines 25-27: Just say: “Gender non-binary delegates shall not be counted for purpose of equal division.”

Line 35: Change “choice” to “preference”

Line 42: Insert comma after “alternate”

Line 45: Insert comma after “intent”

Page 40

Line 40: Insert “of” after “States”

Line 42: Insert period after “end” and delete “that”

Line 43: Capitalize “The” before delegates, change “alternate” to singular

Line 45: Insert comma after “Convention”, delete “that”, change “alternate” to singular

Page 41

Lines 2-4: Why is this statement here? I would delete it or change it so it says something more meaningful, like DA will do our best to help them?

Line 18: Delete quote marks on “status” (and perhaps explain as above)

Line 21: Change “should be” to “are” (or “shall be”)

Line 22: Delete “of the Democratic Party”, change “sex” to “gender”

Lines 24-25: Delete the parenthetical explanation as it was already defined on p. 38. In fact line 22 above could just say “regardless of status”.

Line 28: Delete “Democratic” and delete the comma after “affairs”

Line 33: Insert “living abroad” after “Democrats”

Line 42: Change “shall be” to “is”

Lines 42-43: Move “in the delegate selection process and in party organizations at all levels” to the end of the sentence, after a comma and followed by a period.

Line 44: Insert comma after “groups”, change “as indicated by” to “in accordance with”

Page 42

Line 7: Make “American” singular

Line 36: Insert “the” after “Action Plan and”

Line 37: Insert “for” before “making”

Line 41: Insert “the” before “Outreach” and change “this” to “that” – or is THIS SECTION the plan? In that case it’s title – Line 8 on the previous page – is “Affirmative Action, Outreach, and Inclusion Plan” – In that case, change “the” to “this” before Affirmative on Line 40 and delete “section of this Plan” here.

Page 43

Lines 3: Insert “volunteers and” before “staff.”

Line 4: Delete “and volunteers”

Line 7: Capitalize “Affirmative Action Plan”

Line 8: Delete “the” before “distribution”

Line 17: Delete “established as”

Lines 22-23: Does this mean we don’t know the demographic composition of DA, but we do know for “key states”, so we’ll use those figures?

Line 23: Delete “Furthermore”

Line 24: Delete “or higher” – I start to feel discriminated against!

Line 45: Change “education” to “educational”

The Global Chair SHALL make ballots available by electronic means DURING THE PERIOD February 18 TO March 10, 2020.

PUBLIC COMMENT NO. 11 (JULIAN BECKER)

I write to submit my comments in relation to the draft Delegate Selection Plan (DSP) for 2020. I would like to thank those who worked on the draft DSP and I would like to express some concerns that I have about the wording and implementation of provisions based on the experience of volunteering in the administration of the 2016 Global Primary in London.

I have concern about the requirement in part B(1)(g)(ii)(7) of the draft DSP for US voting address:

1. Many newly involved voters will not understand the concept of “voting residence” or “voting residence” and will not understand that this is their last residence in the US.
2. Strictly speaking, US citizens who were born abroad to US citizen parents and have never had a residence in the US might not be permitted in their parents’ last state of residence to vote. For this reason, we might need to have a provision in the DSP deeming such people’s voting residence to be their US citizens parent's last residence in the US.
3. Many people will now know their last address in the US if they lived there some time ago.
4. In general, the more you ask on a form, the more likely people are to make mistakes. For this reason, why not ask people to specify only their state of last residence in the US (or, where relevant, their US citizen parent’s last residence in the US)?

I also note that the ballot design in 2016 had the following features that led to confusion by some voters:

1. The need for those voting at voting centres to specify their country of residence on the form led to some confusion. Some people thought that this was a question about their citizenship or whether their UK immigration status gave them a permanent right to reside. For this reason, anything on a ballot cast at a voting centre should have the country committee pre-printed.
2. The request for an “overseas address” led some voters to believe that this was asking about their residence outside the UK. For this reason, any reference to residence outside the US should specifically say “address outside the United States” so that meaning is not dependent on perspective.
3. As noted above, there was some confusion or doubt in 2016 about the field for residence in the US. This should be worded to clarify that this is the voter’s “last state of residence in the United States” or, where the US citizen has never lived in the US, state where the voter's US citizen parent's last state of residence in the US.

I should be most grateful if this could be taken into account in the finalisation of the DSP, the issuance of guidelines, and the design of ballots.

PUBLIC COMMENT NO. 12 (ADA SHEN)

2019 DSP Amendment Suggestions

1. *My suggestion is to amend the DSP text to make clear that day and date registration will be allowed online for those who cannot access a Voting Center. My understanding from the March 23 DSP WebEx session is that this is the intention of the 2019 drafters; however I feel that the text is currently ambiguous on this point.*

Section ~~1~~ *I*, Art. C, 1a:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad ~~by completing an online membership form~~ prior to participating in the Global Primary which may be done at a Democrats Abroad Voting Center (defined below) on **or before** the date of the Global Primary **or by completing an online membership form**, and by completing the Declaration appearing on the ballot.

Section ~~1~~ *I*, Art. C, 5c

Same-day voter registration and party-affiliation changes are possible at voting ~~locations~~ **centers and online**, noting that Americans living abroad may also need to change party affiliation with their voting state

(Note: because registration with DA does NOT affect state party voting affiliation, I don't see how joining DA changes party-affiliation except with us. It needs to be communicated to the voter to change party affiliation with their state such as via an FPCA form or otherwise contacting their voting state elections officials.)

Section ~~1~~ *I*, Art. C, 5h

The mechanisms of this Delegate Selection Plan are designed expressly to allow voters who are unable to be a part of the process in person to participate, with features such as **same-day voter registration available online or in-person at Voting Centers** a week-long period for in-person voting, and early and simultaneous voting by mail, fax, and email.

Section III, Article B, 4 – Voting by ~~Mail/Fax~~ **Phone, Mail, Fax or Email**

(If we are allowing for the possibility of Online voting then Online needs to be added to this section.)

2. *Suggestion to make clear that DA can request contributions, just not make them mandatory.*

Section ~~1~~ *I*, Art. B, 1b:

At no stage of Democrats Abroad's delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee to Democrats Abroad as a condition for participating. Voluntary contributions to the party may be made, **and voluntary contributions may be requested by the party,** but under no circumstances shall a contribution be mandatory for participation.

3. *Suggestion to emphasize that GPP participants may not participate or vote in the party primary process of any other state.*

Section ~~1~~ ***I***, Art. B, 1c:

No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other delegation to the 2020 Democratic National Convention, ***or any other state party primary process,*** or of any other political party for the corresponding presidential elections.

PUBLIC COMMENT NO. 13 (RICK WICKS)

Following the discussion on Saturday, I suggest that we ask voters to rank their choices. Those who get more than 15% will be counted as such. But those who get less than 15% will be reallocated to the voter's next choice. And the process will be repeated until all votes have been cast for someone over 15%, so no voter loses their vote. Of course if someone is confident that their candidate will get more than 15% -- or if they're willing to risk it (or don't care) -- they wouldn't have to rank their choices.

Separately, I was confused (earlier) in suggested to delete TENTATIVE on next year's meeting date. I was thinking about THIS year's meeting, which must be date-certain.

PUBLIC COMMENT NO. 14 (SALLI SWARTZ)

Comments on the draft Delegate Selection Plan

Comments on the form:

1. The following words should be capitalized throughout the document in a consistent manner:
 - Region
 - Regional
 - Presidential and Vice Presidential
 - Affirmative Action Plan.
2. The use of hyphens throughout the document is inconsistent and sometimes grammatically incorrect. See for example page 6, lines 19, 32; page 24, line 25, page 4, line 1, page 5, line 31, page 6, line 19 and line 32 etc.
3. Be careful about setting deadlines by one date. DA spans wide time zones and a date in one time zone could be the day before or after the date cited in the Plan. Use of the words “no later than midnight on xxxx in Eastern Standard Time would be a better reference.
4. Page 2, lines 2-3 if approved by the RBC, should become effective”.
5. Page 2, line 14: why is the term “first determining step” in quotes?
6. Page 2, line 26: replace “latest” with “most recent”.
7. Page 3, line 5: add “or voting” after the word “participation”.
8. Page 4, line 32: replace the words “have been” with “shall be”.
9. Page 4, line 34: delete the words “despite its nature as a global organization”. Why despite and what does this phrase add?
10. Page 4: replace “.” with “;”. Alternatively, on page 5, lines 11 and 16 replace “;” with “.” at the end of the paragraphs.
11. Page 12, line 34: add the words “or before” after the word “on”.
12. Page 14, line 46: “it shall be **considered to be** invalid”.
13. Page 15, line 3 should read: “all subsequent ballots shall be **considered**” to be invalid.
14. Page 15, line 5: Is a “spoiled ballot” and invalid ballot? If so, why use two different terms which is confusing. If the meaning is not the same, then the term “spoiled” should be defined.
15. Page 15, line 33: replace the words “make certain” with “assure”.
16. Page 15, line 35: add the words “in a timely manner” after the word “tabulated”.
17. Page 15, line 36: add the words “without delay” after the word “Abroad”.
18. Page 15, line 41: add the word “however” before the word “those”.
19. Page 15, line 42, delete the words “being nevertheless” and replace them with “shall be”.
20. Page 16, line 3: replace the word “see” with the word “assure” and add the words “each, day” after the word “tabulate”.
21. Page 16, line 4: add the words “on a daily basis” to the word “cast” at the end of the sentence.
22. Page 16, line 9, add the words “by the Voting Manager” after the word “signed”, unless this is incorrect. In such case, please clarify who should sign the statement.
23. Page 16, line 22, the word “date” should be plural.
24. Page 18, line 10, delete the words “prior to” and add the words “at the latest on” before “March 11, 2020.”
25. Page 19, line 31, delete the word “name” and replace it with “appoint”.

26. Page 20, line 1: replace “within” with “in”.
27. Page 21, you may want to consider defining the following terms which are not clear: “a party unit” (do you mean the Democratic Party?) and “the will of the majority of the body” (what body?).
28. Page 21? Line 6, do you mean to refer to “Democrats” or Democrats **Abroad**?
29. Page 23, line 42: do you want to refer to “uncommitted” or to “uncommitted status”?
30. Page 24, line 26, the word “delegate” should be replaced by “candidate”.
31. Page 25, line 41, see above references to dates and times.
32. Page 25, line 44: can there be more than one “alternate”? If so, the word should be plural
33. Page 26, line 35: the word “committee” should be capitalized or the specific name of the committee should be inserted. Otherwise, a reader may wonder “what committee”?
34. Page 27, line 39: I understood there was only one PLEO. If so, the word “delegates” should be singular.
35. Page 27, lines 42 and 44: see comments above re capitalization of terms.
36. Page 28, line 9: replace the word “breakdown” with the word “composition”.
37. Page 28, line 10: see comments above re capitalization of terms.
38. Page 28, lines 31 and 34: the term “Distinguished party leader” should be capitalized. See also page 29, line 6.
39. Page 30, line 2: replace the word “These” with the word “The”.
40. Page 31, lines 10 and 40: is the term “sex” or “gender” here?
41. Page 31, lines 11 and 40: it may be better to say “s/he” instead of “he/she”.
42. Page 33, lines 29 and 30: replace the word “have” with the word “promote” and delete the words “at heart” in line 30.
43. Page 42, line 7: see comment about capitalization of terms.
44. Page 42, lines 14-25: why are there two separate paragraphs instead of one to apply to all of the groups covered by the representation goals?
45. Page 45, line 44: the reference should be to “LGBTQ+” and not “LGBT”. This is inconsistent with references elsewhere in the Plan.
46. Page 49, line 6: are there Co Chairs of the Rules and Bylaws Committee? Only one Chair is indicated in our wiki (unless this has been changed recently; I admit I did not verify it).

Comments on the substance

1. Pages 10, lines 16 and 17, page 17, lines 42 and 45 and page 18, lines 27 and 28: The time periods are too short for submitting candidatures, availability of ballots and voting by email. I see from the comments which were sent around that these periods were deemed acceptable based on data from the 2016 election cycle, but I disagree. First, one election cycle is not sufficient. Second, I don’t see why we need such short periods. Why can’t candidates get their candidacies in before March 24, 2020? Why can’t ballots be available before February 18, 2020 (which makes no sense, by the way if the cut off date for submission of candidacies is April 17, 2020). I am sure there must be some logic in using these dates but I would submit that more time be given for people to declare candidacies and voting by email. Not everyone is available to make decisions about running and then voting in periods of 7 days (see 7 day period for voting by fax or mail for example). Furthermore, dates don’t make sense with a time zone indication. I would urge that the time zone indications be uniform (why New Zealand and then Pacific time elsewhere). Also I suggest that one time zone be used throughout the document and

that it be Eastern Standard Time. See comment n° 3 above under Section “Comments on the Form”.

2. Page 19, line 5: Are you referring to the case where a single ballot **by the same voter with the same choice**” is submitted multiple times or the case where a single ballot **by the same voter** is submitted **with different choices**?
3. Page 21, line 10: what are “identical qualifying requirements”?
4. Page 24, line 42: unless you vote in Maine, or are a political junkie, many people will not know to what “Instant Runoff Voting as described by “Maine Question 5, 2016” refers. I suggest you add a link or a clear reference here.
5. Page 30, line 2: there is confusion throughout the Plan on the number of alternates. How many alternates do we have? See also, page 48, line 21. There is confusion throughout the document concerning the singular and plural use of the word “alternate(s)”.
6. Page 37, lines 1-7: it is not clear whether the reference to Call VII, B. 4 refers to the timing or the substance of the substitution issue. This section is not clear because it appears to refer to two separate issues: substitution of standing committee members and the process for such substitution. Cannot alternates replace a member who is unable to participate in the standing committee meetings for reasons other than for resignation or death?
7. Page 43, lines 14-25: I am concerned by the “determination” made that the “estimated” demographic composition/percentages of DA members of the African American, Hispanics, Native Americans and Asian and Pacific Islanders (lines 14-18) and the LGBTQ+ community, people with disabilities (lines 20-25) is the same as that of the Democratic Party in key States. On what is this determination based since the collection of such data is illegal in many countries in Europe and possibly elsewhere? Unless you specify that such determination is based on self-reporting, the current wording could cause DA to have legal issues with certain regulating authorities in the EU and France (for example).
8. Page 45, lines 29-46 and Page 46, lines 1-14: see my comments above re representation goals and privacy regulations.

PUBLIC COMMENT NO. 15 (ERIC LEE)

I am writing this in response to the following clause in the DSP:

"Any authorized representative for a presidential candidate or preference 3 group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). Authorized representatives may be electors at the regional convention or Global Convention if otherwise qualified."

I propose that this clause be deleted for the following reasons.

This is a new clause and was not in effect in 2016 when I was the authorized representative of the Bernie Sanders campaign to Democrats Abroad. At the Global Convention of DA held that year in Berlin, there were only two presidential candidates, and only one of those had chosen to include its representative (me) as a candidate to be a delegate to the Democratic National Convention in Philadelphia.

I have reason to believe that this new clause has been included in the DSP for 2020 as a result of what happened last time, and my role in it, and therefore I consider myself to be personally involved.

As [I wrote at the time](#), "That shortlist [which we submitted] met the requirement for gender balance, and 60% of the names on it met the affirmative action criteria as well. It included young and old people, Democrats Abroad veterans and people who have never been active in the organization. Our idea was to ensure that some of the latter group, newcomers who the existing leaders of Democrats Abroad would not know, would go as delegates to Philadelphia. Their chances were increased because of the shortlist."

The shortlist, which was nearly twice as long as DA required (34 names instead of 18) was compiled by myself together with a staff member at the Bernie Sanders campaign headquarters in Vermont. We went through the more than 200 names of people who had proposed themselves to be delegates, knowing that only nine of us would get to go. We based our decisions on information we had, including who had signed up to the campaign, or donated money, or volunteered. And we wrote to everyone of those 200+ telling them what we had done and why. And not a single person complained in response to our message.

Specifically, the campaign official in Vermont and I discussed whether or not I could be included among the 34 names being proposed to the DA Global Convention. The campaign agreed that my name should be on offer, as I had played a central role in the campaign inside DA, and in fact had launched it.

It goes without saying that of course DA had the right to reject my name, which they did. (And which we expected would happen.)

The reason why my name was included and why we presented a short-list rather than allowing the DA Global Convention to choose from the more than 200 people who had self-nominated was the same: we were an insurgent campaign with almost no resources comprised of people who had never worked together before, many of whom had never been involved in DA.

The other candidate had the support of many leaders of DA who had worked for her before, as well as in 2016.

Because we were a small team, we couldn't easily separate out the various functions in a way that a larger group that had worked together for years might do.

Had I not been the representative of the Sanders campaign to DA, and had someone else had that position, I would have supported their right to be on our shortlist -- and I would have supported them, because they were clearly the people who the campaign felt confident in.

We took the decision not to allow DA to choose from all 200+ self-nominated candidates because we did not trust DA to choose the most active and committed Sanders supporters. (We also did not expect the DA global leadership to know, as we did, who those people were.) We did not trust DA for a good reason: As Senator Sanders has pointed out repeatedly, the American political system is a "rigged system" and the Democratic Party was rigged as well.

Our worst fears were confirmed in 2016 as we learned how hard the DNC had worked against our campaign, leading to the resignation of its chair -- and eventually to the reform process that has finally begun in the party.

We even got a small taste of the rigged system ourselves **when our opponents challenged our right to all 9 delegates** which we had won by winning about 70% of the votes in the global primary. We had to fight hard to ensure that our voters -- the tens of thousands who supported Sanders in the global primary -- got represented at all in Philadelphia. Fortunately, we won that fight. Nevertheless, a bad taste remained and remains.

At the Berlin convention and afterwards, we felt that some people in DA were **acting in bad faith, smearing our campaign, trying to divide our ranks, and even to steal one of our delegates.**

I think that our experience was typical of insurgent campaigns that take on the system, and that this scenario may happen again and again.

This year, with many candidates in the running, others will be in the position that we were in 2016. They will have few resources, a small team, and little knowledge of who their candidate's supporters are around the world. If those campaigns decide to include their official representatives to DA as candidates for delegate to the DNC, I say: why not?

If the Democratic Party is to remain united and to win in 2020, it must repudiate past actions that led to Senator Sanders and others speaking of a "rigged system" It must be transparent and fair -- and that means allowing campaigns, especially insurgent campaigns, **to choose their own delegates.**

To interfere in this way, to say that the people in the leadership of your campaign cannot be candidates, is a gross violation of democratic norms.

I urge you to drop this clause from the DSP.

Note: Alaska is using ranked-choice voting in its primary!

PUBLIC COMMENT NO. 17 (SUSAN ALKSNIS)

please see below and attached my public comment regarding former Officers of the DPCA in the PLEO priority ranking.

Former Officers of DPCA priority ranking for PLEO
Submitted by Sue Alksnis

Page 20, lines 37-41, Section F3

In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...ChapterExecutive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ Officers of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second place in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. There is a very long list of former Officers of the DPCA, meaning that if just one runs for PLEO, all other currently involved DA leaders besides sitting Officers of DPCA, are automatically not selected as PLEO.
5. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
6. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
7. In conflict with affirmative action targets, since former DPCA Officers will skew older and whiter.
8. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

Benefits of elevating priority for sitting Chairs, Vice Chairs and Executive Committee members in DA

1. Recently elected Officers, Chairs, Vice Chairs, and Executive Committee members at all levels better represent the current views and preferences of current DA members, who recently elected them.

2. Increases chance that PLEO will be chosen from those who are currently involved and contributing to DA
3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Likely to be more aware of current DA programs, processes, platform, and membership views.
6. Recently elected Represents the views of current members by prioritizing leaders recently elected.
7. Firmly in line with the DNC party reforms passed August 2018

PUBLIC COMMENT NO. 18 (SUSAN ALKSNIS)

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

submitted by Sue Alksnis, Canada

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting centre volunteers to provide a way to join DA online.

In order to be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add that it is possible for non member of DA to join on a paper form when joining online is not possible.

PUBLIC COMMENT NO. 19 (SUSAN ALKSNIS)

please include in the published public comments my submission below and attached.

Change all references to “Physical disability (or disabilities)” to read “disability (or disabilities)” in order to be more inclusive of persons living with all types of disability.

Throughout the DSP change all instances of ‘physical disability’ to ‘disability’. This occurs particularly in reference to affirmative action targets.

Not all disabilities are physical. The term ‘physical disability’ excludes persons living with other types of disability that are not strictly ‘physical’. All persons living with disabilities, of all kinds, should be encouraged to participate in the process and be recognized in the affirmative action targets.

Relevant location in the draft DSP:

P 38. Line 22

P 42 24

P 43 line 34

p 47 line 33 (‘physical’ accommodations – there may be nonphysical accommodations needed, like audio visual, a quiet space, etc)

PUBLIC COMMENT NO. 20 (ORLANDO VIDAL)

I support Susan's recommendation that the word physical be removed from the phrase "physical disabilities" in our DSP.

PUBLIC COMMENT NO. 22 (ERIC JACKSON)

I agree with Susan. So much of the world does not have the same sorts of communications infrastructures as in the USA, Canada and Europe.

And certainly for in-person voting locations joining on paper should be proper.

What if we in Panama, for example, vote in the same place as 2016 -- which we shouldn't because it's not barrier-free -- but on that day Carlos Slim's company bestows upon us an Internet outage, as it often gives us? Or if some sovereign citizen decides that it's a really cool trick to jam all of our communications at our voting place with a strong distorting signal. (If you don't think that there are people like that in Panama who pull the sorts of abuses that they do in the States, think again.) Or if May 5th's elections give Panama another Martinelista regime and they fire up their Pegasus machine again. Or if any number of Latin American governments decide that they don't like Americans, or they need to show obeisance to Trump. Should we then tell Democrats in Panama, or in Haiti, or in Nicaragua or Venezuela or Brazil or Honduras or Ecuador, that they're too underdeveloped to vote?

We should also bear in mind our oldest Democrats, and those of us with disabilities. Those are the folks most likely to be unconnected on the Internet. I am pretty sure that our senior voter in 2008, who was 98 years old at the time she showed up at the Balboa Elks Club to vote, did not have an Internet connection. We shouldn't have physical barriers to voting, and we shouldn't have technological ones, either.

PUBLIC COMMENT NO. 23 (GEORGE SPIEGELMAN)

Two things that have been pointed out to me that I agree with that should be changed:

First, in the text relating to PLEO delegate position, I think there is a typographical error in that "former officers of the DPCA" are placed above sitting country committee chairs. This surely can't be right. Former officers might well not be interested.

Second it would be good if DA Global Primary would allow non members to join DA on paper if online joining is not possible. There are many places where electronic access is minimal.

These two issues were part of submissions by Sue Alksnis from Canada.

PUBLIC COMMENT NO. 24 (PENNY SCHANTZ)

I am writing to support the submission by Eric Lee from London, UK that the the following clause in the DSP be deleted:

"Any authorized representative for a presidential candidate or preference 3 group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). Authorized representatives may be electors at the regional convention or Global Convention if otherwise qualified."

If the Democratic Party is to remain united and win in 2020, it must repudiate past actions that led to Senator Sanders and others speaking of a "rigged system." It must be transparent and fair -- which means allowing campaigns, especially insurgent campaigns, to choose their own delegates. To interfere as proposed, to say that the people in the leadership of your campaign cannot be candidates, is a gross violation of democratic norms.

With so many candidates in the running for 2020, many campaigns will have few resources, a small team, and little knowledge of who their candidate's supporters are around the world. If those campaigns decide to include their official representatives to DA as candidates for delegate to the DNC, they should not be prohibited from doing so.

I urge you to drop this clause from the DSP.

PUBLIC COMMENT NO. 25 (SUSAN ALKSNIS)

please include this submission (below and attached) in the public comments on the Draft DSP:

Authorized representatives of a presidential candidates should be able to run for delegate.

Re: Page 11 lines 3-8 Section III. 7.F

The relevant section in the current draft DSP reads:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).

I propose deleting the entire quoted section or deleting the word ‘not’ which would change this section to read:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is [delete not] eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted). ...

Rationale:

The Democratic Party is working hard to dispel perceptions of ‘rigging’ the primary.

1. This provision would disadvantage campaigns that have a harder time finding volunteers, particularly campaigns that have broad appeal to Americans outside of DA, whereas candidates more firmly within the party will find it easier to find campaign volunteers and leaders within DA.

2. There are also several candidates for 2020 with limited name recognition who will have equally difficult time securing campaign volunteers even among DA membership.

3. This provision seems to put DA’s finger on the scale for candidates who are better known at the start of the campaign, since these candidates’ will have many potential volunteers ready to step forward as liaison, and willing to forego the chance to be a delegate. Whereas candidates who are less well known, or without a large following within DA may have a harder time finding a liaison willing to forego running for delegate.

4. Affirmative action impact. This provision may also have the unintended consequence of forcing volunteers who are in groups within the affirmative action targets to decline the kind of leadership and campaign experience that will help them grow in the party: specifically, serving as liaison to a campaign.

5. Makes DA harder for campaigns to work with: Presumably, the campaigns will be designating their own liaisons. This provision adds a layer of complexity that may lead campaigns to consider DA difficult to work with. Campaigns will need to ensure that the person they designate as liaison is not interested in running for delegate. Why complicate it? Why ask campaigns to complicate it? Particularly this year when DA is asking for the first time for a fee to access our ballot.

6. Could increase back door influence on approval of delegate and alternate candidates: Another problem with this provision is that someone who is NOT an authorized campaign representative, but DOES participate in the approval of delegate and alternate candidates CAN stand as delegate. This provision could make the process of approving delegate and alternate candidate lists LESS transparent, rather than MORE transparent.

I strongly urge you to delete or amend this provision.

PUBLIC COMMENT NO. 26 (KELSEY McLENDON)

Re: Page 11 lines 3-8 Section III. 7.F

I urge you to delete the following provision:

Any authorized representative for a presidential candidate or preference group who is responsible for the approval of delegate and alternate candidates (as provided in Section VII, below) is not eligible to be a candidate for at-large delegate, alternate, or pledged PLEO delegate for any presidential candidate (including uncommitted).

This provision is anti-democratic, will make it harder for non-front runner campaigns to secure campaign liaisons, could be perceived as biased against certain candidates, may make campaigns perceive DA as 'difficult to work with', discourages transparency (since those who unofficially influence the approval of delegate candidate and alternate lists CAN still run for delegate) and may discourage members of affirmative action target groups from either being a liaison or running for delegate (since the provision makes these roles mutually exclusive).

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form (or when not possible, a paper membership form) prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting centre volunteers to provide a way to join DA online.

In order to be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add that it is possible for non member of DA to join on a paper form when joining online is not possible.

Global Primary Rules – provide more detail on tabulation and security of ballots

Submitted by Sue Alksnis, Canada, susankalksnis@gmail.com

Under 2. Voting Center Rules, item C, steps taken by Voting Center Manager (Pages 15 line 33 to page 16 line 19)

Add the following requirements:

- Ballots are tabulated at the voting center location before they are sealed and removed from the location
- Ballots are tabulated by at least 2 individuals
- May remove the ballots (after tabulation) from the voting Centres at the end of each day of voting. (2.C. iii)
- See that the ballots are tabulated by at least 2 persons, while still at the Voting Centre
- Send the ballots.... With a signed statement **by all tabulators...** that the tabulation is accurate...

- Each mailed ballot must remain sealed until tabulators and campaign observers if any are present
- Line 17-18 : statement signed **by all tabulators** that the tabulation is accurate...

PUBLIC COMMENT NO. 28 (VIRGINIA SMITH)

I am a member of Democrats Abroad, and I want to let you know that I think that it is very important to enable people with disabilities to be included in the Delegate Selection Plan. I hope that steps will be taken to ensure that inclusion is those steps have not been taken already -- If they have been taken, that is good and thank you.

- PAGE 13 LINE 19: There will be no voting by Proxy - How is voting handled for members with limited visibility if voting by email or paper ballot is a challenge?
- PAGE 37 LINE 36: The Delegation will include 1 Convention Page - In the past DPCA split the Page position among more than one member allowing increased participation among our younger members. Is this something we can do again in 2020? The Page role is incredibly intense for one person and sharing the responsibility allows more diversity and helps to achieve the Affirmative Action goals.
- ATTACHMENT 2.1: Targeted Media Outreach - In the mix of new media in 2008 bloggers (AfroSpear group was one) were a huge target for DPCA with the GOTV efforts. Great to see influencers and bloggers that reach our demographic included as International Stakeholders!

PUBLIC COMMENT NO. 30 (BRUCE MURRAY)

Former Officers of DPCA priority ranking for PLEO

Page 20, lines 37-41, Section F3

Proposed revision: In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...ChapterExecutive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
5. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
6. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

Benefits of elevating priority for sitting Chairs, Vice Chairs and Executive Committee members in DA

1. Recently elected Officers, Chairs, Vice Chairs, and Executive Committee members at all levels better represent the current views and preferences of current DA members, who recently elected them.
2. Increases chance that PLEO will be chosen from those who are currently involved and contributing to DA
3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Recently elected Represents the views of current members by prioritizing leaders recently elected.
6. Firmly in line with the DNC party reforms passed August 2018

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper DA membership application option to increase inclusivity, especially at locations with limited internet and during the Global Presidential Primary

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not DA members to join, using a paper application form, if the online option is not possible/practical.

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting center volunteers to provide a way to join DA online.

This could be especially challenging at voting centers during the Global Presidential Primary.

To be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add the possibility for non members of DA to join, using a paper form when joining online is not possible.

PUBLIC COMMENT NO. 31 (TRE' SHAWN L. GRIFFIN-NOORDERMEER)

One of my biggest concerns is enforcing that the goals are met continuously and new people are selected. (i.e. youth). And that DA voting members don't ignore some candidates (possibly due to not knowing them) in favor of someone who they know or has been to the convention before.

PUBLIC COMMENT NO. 32 (KATIE SOLON)

Katie Solon comments/suggestions on 2020 DSP:

Page 1, line 16 and/or line 18:

Perhaps mention that DA's one Page position may be divided among more individuals. Here and/or later in the document. We had such good luck/results in 2016 with 4 people serving as page, each one for one of four days of the Convention. And with usually obtaining a convention pass for the other Pages on the days they weren't serving. (3 of the 4 2016 Pages are now active DA leaders.) Other state parties do this as well.

Page 2, line 36

This says DA will clarify on the GPP participant declaration form that a voter may vote in either the DA GPP or in their voting state's primary or caucus, but not in both. Might you want to spell that out here as well in c. (Page 3, line 2) or d. (Page 3, line 8) or add a new section e.? Recall there was some confusion (and disappointment) about this in 2016, when DA members voted in home state caucus and then wanted to participate in DA's global convention.

Page 3, line 11

Might you mention that DA will be helpful to our members who chose to participate in home state caucuses if they so choose (to do that rather than the GPP)? In 2016, Iowa and Nevada were the first to include remote participation by video conference for their overseas voters. We helped to advertise, while still diplomatically recommending (and giving the various reasons) that overseas voters vote in the GPP.

Page 3, line 41, c.

Mention also that GPP voters will need to request their general election ballot from their state (not only possibly change party affiliation).

Page 5, line 4

Re: \$2500 ballot acceptance fee for presidential candidates: how does this compare with fees charged by other states? When we discussed during the 2016 cycle, it seemed \$1500-2000 was the range we were considering. Would the extra \$500-1000 make a difference for candidates? Yes to a fee—which we will well use to run and advertise the GPP and later GOTV. However, we don't want a amount too high to preclude some bona fide candidates from applying to be on our ballot... we want as give as many choices as possible to our voters at the GPP.

Page 6, 7, 8

Bravo. Glad to see it more clearly spelled out that DA will apportion delegates only at the global level. (Page 7, line 41. Page 8, line 45.)

Page 8, line 9

Bravo. To clarify that any delegate must also be resident outside the US at time of Dem Convention.

Page 10, line 30

Agree with this new rule to preclude those responsible for approving/culling any list of delegate-candidates from running for delegate. In 2016, we tried very hard privately and unsuccessfully to

convince both major campaigns to let all their delegate-candidates run. I understand DA plans to publicize this portion of the process in 2020 and hope public pressure would help campaigns to approve lists as inclusive as possible.

Page 11, line 30

Suggest you also publicize the letter from Global Chair to DNC RBC re: pres. candidates' best efforts re: our affirmative action and inclusion goals. And here in DSP spell out that those letter/efforts will be made public.

Page 13, line 16

Bravo, to be more clear on same day registration, and equal right to voters regardless of voting method.

Page 17, lines 9 and 10

This deadline might not be long enough for mail ballots, if the voter wishes to both receive the blank and return the voted ballot by mail. There were 1000+ mail voters (I think?) in 2016. Likely there will be less in 2020, but let's make sure those who choose this method have enough time.

Page 19, line 2 and beyond

Holding a local caucus at the CC level to choose that CC's electors to the regional and global convention has some distinct advantages: it results in an inclusive delegation that includes all CC leaders who want to go plus very keen members who might not then be serving as CC excom; it brings the CC together in a way that the primary does not; it garners great press. It is not that hard to do as a part of the CC's annual general meeting—and draws a higher than average number to that AGM in a critical election year.

Suggest you leave this in as an option. And in lead up to 2020, explain its advantages and how it can simply be done.

(Austria has done this in the past (2012?, 2008 if an option then?) and sent large diverse delegations to conventions. Some of whom, from this experience, went on to become CC leaders.)

Page 20, line 49

Add the underlined words for clarity:

“....division of Country Committee voting weights in a PPG depending on the number of Country Committee electors who support the pres. candidate....”

And/or add in the GPP rules.

Page 22, line 8

I find this confusing. Why would each CC cast its full vote in every PPG? It seems it would be more fair/simpler to distribute the voting weights to CC electors (based on the GPP) and then they would carry that weight into whichever PPG they attended.

I recall (correctly or not?) that is the way we did it in 2008, the year we switched from a caucus (to establish presidential preference) to a primary.

Each CC will be establishing its own presidential preference. It seems its electors would then participate in the PPGs of those candidates...and shouldn't be also electing delegates for candidates their own members didn't vote for.

Or...if a CC votes 80% for one pres. candidate, assign 80% of their weighted vote to that PPG and whomever of their electors chooses to attend that PPG, they split that vote.

Somehow the process should allow for those who voted for a particular candidate (or the electors who are representing CC voters who only voted for particular candidates) should be selecting the delegates pledged to that/those candidate. Why allow CCs to throw all their votes in every PPG, even in one where their own members might not have cast many votes? ???

Page 22, line 18 and Page 24, lines 10 and 15

Won't DA have a Platform Committee that will have worked 3-4 months before the global convention on drafting our 2020 Platform? Are these Platform Committee members to be elected at the regional convention meant to supplement this group? Certainly, we are not intending to draft an entire Platform at the global convention? Or...are we planning to not draft a Platform this year, but rather to send only individual planks to the Dem Convention? Not clear.

(In 2016, we had more than 40+ DA members, experts in their fields, working pro bono to draft our Platform in the 3-4 months leading up to the global convention. We posted the Platform on the DA website for 1 month before the global convention and took comments online. The Platform draft and online comments were considered by the body at the global convention, continuing on WebEx in the following weeks and an excellent (!) comprehensive Platform was the result.

Page 25, line 27

When would the Global Chair name the 6 members of the Platform Committee? What is their role? (See above comment.)

Page 26, line 30

Re: Global Chair perhaps instructing a PPG to wait to elect until gender has been determined in another PPG in order to achieve equal division.

Should it also be spelled out (somewhere) that in any PPG (regional or global) if there are at least 2 delegates to be elected, then that PPG must achieve equal division. (Recalling at the EMEA regional convention in 2008 how one PPG tried hurriedly -- and unsuccessfully -- to elect 2 females and thereby force the other PPG to balance by electing more males.)

Page 28, line 9

Again, please make these letters (on pres. candidates' affirmative action best efforts) public. And state DA will do this.

Page 30, line 12

Re: temporarily replacing a delegate: since DA is expected to have only have 1 alternate for each PPG, it will not be possible to designate that the alternate be of same sex or political subdivision?

Page 33, line 4, b.

A word is missing? Percentage.

Page 33, line 36

Oh well. I guess pres. candidates do get to choose the individual who will be their rep on a Standing Committee. Still it would be good to insist on at least 2 candidates so that DA would have a choice. Some painful 2008 memories on this one.

Page 34, line 10

Good change. To elect the order of selecting the Standing Committee elections. How will it be determined which pres. candidate gets which Standing Committee? (In 2016, the top winner was given first choice, 2nd place given the next choice, and the top winner, who had enough GPP votes to get two of the three the Standing Committee slots got the 3rd – leftover - committee.)

Page 35, line 45

Again re: limiting (or not) our one Page position to one person. It worked very well in 2016 to split this job among 4 young people. They all helped on all days and 3 are now in DA leadership roles.

Page 41, line 44.

Good! Will be great to have DSP guide by Oct. Thanks in advance.

Page 47, line 39 and line 43

Use GPP rather than GP, consistently throughout doc.

On the Form of Notification of Candidacy (for delegates)

*Change “address” to “address abroad”

*Indicate if all fields are required or not

On the attachment of the DA Charter and when mentioned how votes are calculated for each CC:

* Include mention that 1 person 1 vote was passed in 2018 and will go into effect in 2019, as this was a sticking point in the defense of our last DSP before the DNC RBC in July/August 2015.

PUBLIC COMMENT NO. 33 (EILEEN WEINBERG)

I would like to support the change that has already been submitted by Sue Alksnis, regarding the order of ranking for PLEO.

comment by Sue Alksnis as follows:

Former Officers of DPCA priority ranking for PLEO

Submitted by Sue Alksnis

Page 20, lines 37-41, Section F3

In the priority ranking of those eligible for DA's single PLEO delegate position, move 'former Officers of the DPCA' to appear after "sitting ...ChapterExecutive Committee members" and before "former DNC members."

Revised F3 (lines 36-42)

Individuals shall be eligible for the pledged PLEO delegate position according to the following priority: Officers ~~and former~~ Officers of the DPCA; sitting Country Committee Chairs and Vice Chairs; other sitting Country Committee officers and Executive Committee members; sitting Chapter Chairs, Chapter Vice-Chairs, and Chapter Executive Committee members; **and former Officers of the DPCA**; former DNC members; former Country Committee officers; and other former Democratic elected officials and party leaders. (*Rule 9.B.1 & Reg. 4.15.*)

Problems with placing former Officers of the DPCA second place in the priority ranking:

1. Favors those with prior – possibly no longer active – involvement with DA, over those recently elected by membership and currently involved.
2. Elevates the chances of having a PLEO who was elected decades ago, reflecting a DA membership from that time, and not connected to today's DA membership.
3. Provides an incentive for people to serve a single term as DPCA Officer in order to secure priority ranking for PLEO delegate selection.
4. There is a very long list of former Officers of the DPCA, meaning that if just one runs for PLEO, all other currently involved DA leaders besides sitting Officers of DPCA, are automatically not selected as PLEO.
5. Some Country Chairs currently represent memberships larger than the global membership of DA when some former Officers of DPCA were in office.
6. Some chapter Chairs of DA currently represent memberships larger than the global membership of DA when some former Officers of DPCA were serving.
7. In conflict with affirmative action targets, since former DPCA Officers will skew older and whiter.
8. In conflict with the recent party reforms passed by the DNC August 2018, which seek to eliminate any perception of biased processes in the Presidential primary. Elevating the priority ranking of former DPCA officers is anti-democratic, can be perceived as an effort to hold onto past power, and generally not part of the 'new DNC'.

Benefits of elevating priority for sitting Chairs, Vice Chairs and Executive Committee members in DA

1. Recently elected Officers, Chairs, Vice Chairs, and Executive Committee members at all levels better represent the current views and preferences of current DA members, who recently elected them.

2. Increases chance that PLEO will be chosen from those who are currently involved and contributing to DA
3. More likely to support affirmative action targets, particularly for youth and people of color.
4. More likely to have a PLEO who can more accurately represent the views of current DA membership
5. Likely to be more aware of current DA programs, processes, platform, and membership views.
6. Recently elected Represents the views of current members by prioritizing leaders recently elected.
7. Firmly in line with the DNC party reforms passed August 2018

PUBLIC COMMENT NO. 34 (EILEEN WEINBERG)

I would like to support the clarification requested by Sue Alksnis, regarding paper membership alternatives in the event a Polling Station may not have working WiFi, or for those who request a ballot by mail who may not be current DA members.

Submission by Eileen Weinberg

clarification originally by Sue Alksnis as follows:

Please include the following in the public comments to the draft Delegate Selection Plan:

Add paper membership in DA option for inclusion and locations with limited internet

submitted by Sue Alksnis, Canada

Re: Page 2, C1a, Lines 39-44

Add an option for persons who are not members of DA to join on a paper membership form if online membership option is not possible

Revised C.1.a would read:

A person who wishes to participate in the Global Primary and is not a member of Democrats Abroad must first join Democrats Abroad by completing an online membership form **(or when not possible, a paper membership form)** prior to participating in the Global Primary, which may be done at a Democrats Abroad Voting Center (defined below) on the date of the Global Primary, and by completing the Declaration appearing on the ballot. (*Rules 2.A. & 2.C. & Reg. 4.3.*)

While online membership is preferred, there are places in the world where getting a reliable internet connection will limit the ability of non-member voters and the voting centre volunteers to provide a way to join DA online.

In order to be inclusive and ensure that the lack of local internet service does not prevent potential voters from participating in the Global Primary, please add that it is possible for non member of DA to join on a paper form when joining online is not possible.

PUBLIC COMMENT NO. 35 (DAVID WENK)

I have some comments on the readability and organization of the 2020 Delegate Selection Plan, and a comment about its content.

I see that a lot of work has gone into producing this document. There are clearly many facets to consider in its drafting.

From a readability point of view, it would be nice to have a comprehensive table of contents at the start of the DSP. Further, it would be helpful if each section and subsection in the main body of the DSP had a heading which could be referred to in the table of contents. As it stands, only top-level sections are labelled. As an exercise, I started outlining the document, introducing labels for the subsections. Please see attached two sample files, one showing the first page of a detailed table of contents (dsp2020-outline-p1.pdf), and the other showing the first page of a suggested layout for the main document body, with some improvements to formatting (dsp2020-body-p1.pdf).

I believe that if we strive to make the document more organized and more readable, the import and ramifications of each part will be made clearer to ordinary readers like myself.

Generally, however, I think it is well put together and clearly is comprehensive in its scope.

My main wish regarding the content of the document is that by adopting this DSP we are preparing Democrats Abroad for a fair and representative delegate selection process, one that does not incorporate bias toward a particular candidate.

Thank you to everyone who contributed time to putting this document together.

PUBLIC COMMENT NO. 36 (MERRILL OATES)

2020 DSP Comment Submission

Submitted by Merrill Oates, Chair DA-Hungary

The following comments are submitted as part of the Democrats Abroad 2020 Delegate Selection Plan (DSP) document review period of March/April 2019.

I submit these as a member of Democrats Abroad, as the current Chair of DA-Hungary, as a former Regional Vice-Chair for the EMEA Region, and as the former Permanent PPG Regional Chair and Global Chair for the Bernie Sanders groups at the 2016 DA Global Convention in Berlin.

First, my commendations to the team that has prepared this edition of our DSP for their work and effort in compiling a document that is both comprehensive and which adds a number of new innovations that make the document more responsive to the needs and values of our organization. I particularly commend the efforts to incrementally incorporate Ranked Choice Voting processes that give voters more choice when casting votes for National Convention Delegates.

Following are a few areas where I would encourage further review and possible modifications for the final version of the DSP.

Candidate Fees and Signature Requirements

It is very good that we are now requiring a fee for a Presidential Candidate to be included on our Global Presidential Primary ballot.

– But, is this \$2,500 fee comparable and in-line with the fees charged by other states? We should compare with other state fees to ensure that our fee level does not potentially limit participation from some viable candidates.

Requiring DA member “signatures” as part of a supporting Ballot Access Petition is a good way to ensure that Candidates directly reach out to DA members.

– We should, however, allow for a flexible and on-line “signature” collection process. Verified members providing an on-line petition signature, should be sufficient.

– Can we require that signatures come from 4 or more Country Committees, across at least 2 different DA Regions? (Similar to our DPCA Quorum requirements.)

Online Voting for Presidential Preference Primary

With the technology that we now have available from the building of VoteFromAbroad.org, we should leverage this to create a dedicated a one-stop, on-line "join and vote" GPP voting website.

– This would allow both new and current DA members to easily vote and both submit and receive a confirming e-mail (that can be reduced to paper) containing their PPG vote.

– Such a website with a streamlined sign-up, voting, and member verification process would lead to a dramatic boost to our membership numbers, and significantly increase the exposure of Democrats Abroad around the world.

Allow Electors from Regional Convention to Vote in Global Convention

We allow “All elected national officers and DPCA voting representatives” and “Elected chapter chairs” to be electors who are able to vote in the Regional Conventions. Since these electors will

have made the effort to already attend the Regional part of the Convention, **can we not also allow them to vote as electors in the Global Convention?**

– If we do not allow for more electors from each CC in the Global Convention, and we restrict voting to only DPCA members, and a CC does not have any voting representatives (they only have a Chair and Vice-Chair), and if there are more than 2 Presidential Candidates; then **a CC would be prevented from casting votes in the PPGs for either a 3rd or 4th Presidential Candidate.**

PUBLIC COMMENT NO. 37 (SUSAN VAILLANT)

I have two comments regarding the Delegate Selection Plan.

First, the document is 58 closely typed pages long! This is far too long and overly technocratic for your rank and file member to reach a sensible conclusion about its fairness. This is why voters give up on politics. There surely must be a more straightforward way to reach a fair decision about delegate selection.

Secondly, I do not agree that "former Delegates" should be a qualifying category, comparable to other members who are currently active and holding responsible positions (CCs, et al), and therefore suggest that "former Delegates" be removed as a category from the Plan, unless I can be convinced otherwise that this privileged position is justified and in the interests of Democrats Abroad and the Democratic Party.

Sorry, I have to correct what I wrote, I meant "former office holders" - not "former delegates" .

PUBLIC COMMENTS

The foregoing thirty-seven (37) public comments (pages 84 to 156) include all of the public comments received between March 8, 2019 and April 8, 2019 that were relevant to the draft Delegate Selection Plan, which was posted to the Democratic Party Committee Abroad's website throughout the 30-day public comment period.

DEMOCRATS ABROAD CHAIR STATEMENT OUTLINING
RELIABLE DATA AND SOURCE(S) FOR NUMERICAL GOALS

I, Julia Bryan, Global Chair of Democrats Abroad, note that Democrats Abroad established its 2020 affirmative-action representation goals using the following process:

- We agreed to use the Democrats Abroad 2016 Affirmative Action goals as our minimum reference point. These goals were noted in the Democrats Abroad 2016 Delegate Selection Plan and adopted by the DPCA body in 2015. They were successfully achieved during the Democrats Abroad 2016 Regional Caucuses and Global Convention.
- We next turned to key Democrats Abroad states to review their Democratic voter turnout data. These states are Massachusetts, New York, California, Pennsylvania, and Florida. These states represent a broad cross section of our membership, as identified in the Democrats Abroad membership database.
- We extrapolated the Democratic voter demographic data from the 2016 Delegate Selection Plans for Massachusetts, New York, California, Pennsylvania, and Florida, and found an average percentage point for each diversity set. We also reviewed other data regarding the make up of Democratic voters within the US population to inform our decision. These sources include:
 - U.S. Census Bureau, Decennial Results, 2010;
 - U.S. Census Bureau, American Community Survey, 2013;
 - U.S. Census Bureau, Survey of Eligible Voters, 2012;
 - Estimates of Democratic-supporter demographics as included in the 2016 Delegate Selection Plans for Massachusetts, New York, California, Pennsylvania, and Florida.

- Evidence submitted in 2015 by Stonewall Democrats indicated that the proportion of LGBT voters in the Democratic electorate living abroad was approximately 11%. The evidence includes the Gallup poll of June 1 to Dec. 30, 2012 with estimates of the LGBTQ population by state. The National Election Poll conducted by Edison Research in 2012 found 76% of LGBT voted for Barack Obama in the 2012 General Election. The Affirmative Action committee found no evidence that would change the estimate proportion of LGBT voters in the Democratic electorate living abroad.
- In response to public comments, the Affirmative Action Committee revisited its calculation of the percentage of {if the AA committee does revisit}

DEMOCRATS ABROAD CHARTER

Article One: Name; Purpose

Democrats Abroad is the organization that represents all United States citizens residing outside the U.S. who wish to adhere to the principles and further the aims of the Democratic Party of the United States of America. The organization is recognized by the Democratic National Committee ("DNC") as the equivalent of a U.S. State Party.

Democrats Abroad is a non-profit association organized and operating under the Uniform Unincorporated Nonprofit Association Act of 2000, D.C. Code §§ 29-971.01, *et seq.* Democrats Abroad's principal place of business is and will remain the District of Columbia.

For administrative purposes, Democrats Abroad is divided into Country Committees and Regions comprised of the members from within each such country and Region.

Membership in Democrats Abroad is open to all citizens of the United States of voting age (or who will be such before the next Federal election) who have declared themselves to be Democrats. Members of Democrats Abroad may also be members of a local Democratic Country Committee or organizing committee existing in the respective country or defined geographic area in which such member resides or works.

Neither Democrats Abroad nor any of its constituent units may participate in the political activities of any country other than the United States of America.

Article Two: Democratic Party Committee Abroad

Section 2.1 (Duties and Responsibilities)

The Democratic Party Committee Abroad ("DPCA") is the highest authority of Democrats Abroad and shall have general responsibility for the coordination and furtherance of the work and purposes of Democrats Abroad, including the Regional Committees and the Country Committees provided for below, and shall perform generally the functions of a State Democratic Party Committee, subject to the provisions of the Charter and Bylaws of the Democratic Party of the United States of America, the resolutions and other actions of the DNC, this Charter, and any Standing Resolutions of the DPCA.

In discharging its operating responsibilities, the DPCA shall:

- (a) act as a forum for the consideration of issues that relate to U.S. citizens residing abroad;
- (b) supervise activities of the Regions and Country Committees (and any subdivision thereof) in such matters as:
 - 1. the nomination and election of Delegates to Democratic Party Conferences and Conventions;

2. the transmission of the views of Democrats Abroad to the DNC and *vice versa*, both on party affairs and policy;
3. especially in campaign years, the organization of voter registration campaigns and Get Out the Vote activities, the handling of joint publicity and advertising, the acquisition and distribution of campaign literature and materials, the coordination of visits, and related matters;
4. cooperation with U.S. civic organizations and other U.S. political parties on non-partisan and bipartisan programs;
5. the initiation of steps to organize new committees in countries or areas with a substantial number of resident U.S. citizens; and
6. the day-to-day operations of the Regions.

Section 2.2 (DPCA Membership)

The DPCA shall be composed of:

- (a) the Chair, the Vice Chair (or first Vice Chair if there are several Vice Chairs), the Voting, Non-Voting and Alternate Voting Representatives of each Country Committee that has been admitted by Democrats Abroad;
- (b) DNC Members representing Democrats Abroad; and
- (c) the International Chair, International Vice Chair, International Treasurer, International Secretary, International Counsel, the Regional Vice Chairs and any other elected officers of the DPCA.

Section 2.3 (Election Standards)

- (a) DPCA Members shall be elected in accordance with the standards set forth in the Charter and Bylaws of the Democratic Party through processes that assure full, timely, and equal opportunity to participate. All elections shall be public and all ballots open to inspection.
- (b) The DPCA Executive Committee may adopt such rules for elections as it deems necessary from time to time. Such rules shall also apply to elections conducted by the Regions and the Country Committees.

Section 2.4 (Cessation of Membership)

- (a) A member may resign from the DPCA by written notice to the International Chair, and such resignation shall be effective immediately;
- (b) A DPCA member who (i) ceases to have his or her principal residence abroad or (ii) has missed three (3) consecutive meetings of the DPCA shall be deemed to have resigned from the DPCA, including from any DPCA office under Section 2.2 above; provided, however, that a meeting attended in person by the Chair, Vice Chair, or Voting Representative of the Country Committee, or proxy holder from the same Country Committee, shall for these purposes also be considered as attended by the Chair, Vice Chair, or Voting Representative as the case may be;
- (c) After notice and opportunity for hearing and upon grounds found by the DPCA to

constitute good and sufficient cause, it may remove a member by a two-thirds (2/3rds) vote. The Executive Committee shall adopt such rules of procedure as it deems necessary to ensure that the removal hearing is conducted in a fair manner, which rules will include timely notice to the member's Country Committee in addition to notice to the member in question. In the event of the removal of the Chair, Vice Chair or Voting Representative of a Country Committee, such removal shall only result in removal from membership in the DPCA and shall not affect the member's position within the Country Committee in question; based on this removal from the DPCA, under the guidance and notification by the Regional Vice Chair and International Counsel, the Country Committee should take whatever action it deems appropriate, in conformity with its charter and bylaws, to remedy the issues that resulted in such removal, including further removal and replacement of the member in question from Country Committee positions.

Article Three: Meetings

Section 3.1 (Calling of Meetings, including Electronic Meetings)

Meetings of the DPCA may be called by the International Chair, or by at least one-fourth (1/4th) of its voting members, or by a simple majority of the Executive Committee. An annual Democrats Abroad Global Meeting shall be called in the first half of each year to approve the accounts of the previous year and take any such other action as may be appropriate and, in odd-numbered years, to elect officers. If, for whatever reason, the International Chair or International Vice Chair fails to call a meeting when required to do so, then the International Secretary shall call such meeting within thirty (30) days of the date required. Except as otherwise provided in Section 3.4, meetings of the DPCA may be held exclusively by, or in conjunction, with electronic participation, provided that, at a minimum, the technology used to conduct the meeting enables simultaneous aural communication (i.e., audio conferencing capability).

Section 3.2 (Date and Place)

Upon proposal of the International Chair at a duly constituted DPCA meeting, and after having invited all Country Committees to submit non-binding bids, the date, time, and place of the annual DPCA meeting required under the previous Section shall be determined by majority vote of the Country Committees, DPCA Officers, and DNC Members present or represented at the meeting or participating by electronic vote (see Section 3.7). The Executive Committee may vote to change the date, time, or place for reasons it deems important.

Section 3.3 (Notice and Agenda)

- (a) Notice of each meeting, containing the place and time of the meeting and the agenda, shall be sent or given by the International Chair to each DPCA Member not less than forty-five (45) days before the date of the meeting. Any DPCA Voting Member may request the International Chair in writing, not less than thirty (30) days before the meeting, to place additional items on the agenda, and shall simultaneously furnish the text of any resolutions proposed for adoption. The International Chair shall circulate such additional items and proposed resolutions, as well

as other resolutions, to DPCA members not less than fifteen (15) days before the meeting. Items may be added to the agenda at the meeting by majority vote of DPCA members present or represented. To the extent not otherwise provided for herein, procedural questions shall be settled in accordance with the current edition of Robert's Rules of Order.

- (b) The International Chair may name a Resolutions Committee for the meeting to review any resolutions presented to the Chair as additional items for the agenda. The duty of the Resolutions Committee shall be to refine the language of proposed resolutions and obtain approval of the refined language from the person(s)/committee(s) submitting the proposed resolutions and to advise and make recommendations to the DPCA concerning the substance of the resolutions.

Section 3.4 (Quorum)

A quorum for a meeting shall require the presence in person or on-line of:

- (a) the International Chair or Vice Chair of the DPCA; and
- (b) 40% of DPCA Voting Members (i.e. excluding DPCA Non-Voting Members and Alternate Members).

Notwithstanding the foregoing, in the case of annual meetings under Section 3.1, a quorum shall require the physical presence or presence by proxy to a DPCA Member physically present of at least 20% of DPCA members as well as the physical presence of either the International Chair or Vice Chair. In addition, for quorum purposes, the individuals referred to in paragraph (b) must include DPCA Members resident in at least four (4) different countries and two (2) Regions.

Section 3.5 (Attendance)

The International Chair shall encourage DPCA Members and members of Democrats Abroad who are unable to be present in person at meetings to participate by telephonic or electronic attendance, whenever technically and economically feasible. The International Chair will inform DPCA Members of the telephone number to call and seek to arrange means of communication by which all persons participating in the meeting are able to hear one another at the same time. Notwithstanding the foregoing, neither the International Chair nor the DPCA shall be obligated to pay for the telecommunications charges involved in participation by a DPCA Member or member of Democrats Abroad; all such line charges shall be for the account of the member choosing to participate by telephone. Participation by such telephone or electronic attendance shall constitute presence at a meeting for all purposes of this Charter, with the exception of establishment of a quorum or whenever presence in person is specifically required.

Section 3.6 (Representation and Voting)

- (a) Representation and votes shall be allocated to Country Committees biennially in odd-numbered years, in accordance with such year's certification required under Section 5.4(f), calculated as follows:
 - (i) Multiply the number of Country Committees by 4 to obtain the "Initial Product;"

- (ii) 25% of the Initial Product shall be allocated among the Country Committees on the basis of one (1) vote each;
 - (iii) 75% of the Initial Product shall be allocated among the Country Committees proportionally by multiplying with respect to each Country Committee, the Initial Product by the Country Committee's percentage of the total membership of Democrats Abroad. Fractions greater than or equal to 0.455 shall be rounded to the next highest whole number. Fractions less than 0.455 shall be rounded to the next lowest whole number
- (b) One (1) vote shall also be allocated to each elected DPCA Officer and DNC Member representing Democrats Abroad.
- (c) Each member of the Country Committee Voting Delegation (as defined below) of each Country Committee in compliance with Section 5.4 and represented at the meeting by attending in person, by proxy, or in accordance with Section 3.7 shall have the right to vote.
- (d) Each Country Committee Chair and Vice-Chair as a DPCA voting member shall be allocated one (1) whole vote.
- (e) All decisions shall be taken by simple majority vote except where a two-thirds (2/3rds) vote is required (Sections 2.4(c), 4.2, 5.3, 6.1 and 10.1) or where the right to vote is not accorded to all DPCA Voting Members (Sections 4.2 and 7.2). The simple majority must include votes from at least one-third (1/3rd) of all Country Committees.
- (f) No DPCA member or valid proxy holder may cast in excess of 4 votes (including proxies) of the total number of votes determined under Section 3.6 (a) and (b). Subject to the foregoing and to Subsection (f) below pertaining to Representatives, the votes of a Country Committee shall be cast by the Chair or, in the absence of the Chair, by the Vice Chair and Voting Representative(s) if any. If both the Chair and Vice Chair of a Country Committee with no Voting Representatives are present in person at a meeting, each shall have one-half of such votes. If in any vote to be decided on the basis of Country Committees, there is a division among its DPCA Voting Members (including Voting Representatives), the fractions resulting from such divisions shall be counted as fractions in the vote of the DPCA. This rule shall not apply for the selection of delegates to the National Convention or the election of DNC Members.
- (g) Each Country Committee shall be required to elect at least the minimum number of Voting Representatives necessary to enable it to cast all of its votes. Elections shall be held nationally at the same time as the election of the Country Committee Chair and Vice Chair. If a Country Committee has more than one (1) Voting Representative, gender balance shall apply to that Country Committee's delegation of Voting Representatives. The term of each Voting Representative shall be the same as for Officers of the Country Committee. All Voting Representatives shall be entitled to attend all Democrats Abroad Meetings during the same two (2)-year term as for the Country Committee Chair and Vice Chair offices. There shall be no term limits applied to the position of DPCA Voting Representative.
- (h) A "Country Committee Voting Delegation" consists of those persons who have been selected to represent the members of a Country Committee within the DPCA and who hold the right to vote in the DPCA, and these persons are the Country

Committee's Chair, Principal Vice Chair, and Voting Representative(s).

- (i) With effect from the time of each Country Committee's 2019 leadership election, or March 31, 2019, whichever occurs first, and continuing thereafter:
 - (i) the total number of positions in the Country Committee Voting Delegation shall be equal to the number of votes allocated to that Country Committee pursuant to this Section (with the sole exception of a Country Committee allocated one vote, in which case the size of the delegations shall be two persons being the Chair and Vice Chair);
 - (ii) each member of the Country Committee Voting Delegation shall be allocated one (1) such vote (with the sole exception of a Country Committee that is allocated one vote, in which case this one vote is allocated as one half-vote each to the two members of the delegation);
 - (iii) each vote allocated to a member of the Country Committee Voting Delegation may be cast only by that person or that person's valid proxy holder; and
 - (iv) Country Committees may also elect Non-Voting or Alternate Voting Representatives. These are Non-Voting members of the DPCA who may hold proxies as DPCA members and fill Voting Representative vacancies, if any. Non-Voting or Alternate Representative elections must be conducted at the same time as Voting Representatives and National Officer elections, in keeping with gender balance rules.

Section 3.7 (Capacity to Vote and Proxies)

- (a) No DPCA Member may vote in more than one capacity (e.g., DPCA Officer, DNC Member, Country Committee Chair, or Voting Representative) in any vote taken under this Charter; proxy holders may exercise their proxies without violating this subsection.
- (b) Any eligible voter may cast a vote by written proxy on any specified item on the agenda of the meeting. A remote vote may also be cast by electronic means, which term shall mean wherever used in this Charter (i) a personally verifiable method that can be reduced to written form or (ii) a voice communication received by a DPCA Officer.
- (c) Voting by proxy shall be permitted, subject to the limitations set out in this Charter. Proxies shall be in writing; shall name the person to whom the proxy is given; may be either general or limited to specific issues; may be either instructed or uninstructed. Proxies given as described below shall be notified to and received by the International Secretary at least three (3) days before the relevant meeting.
- (d) The vote of a DPCA Member may not be divided among multiple proxy holders. Proxies shall be given for the full vote of a DPCA member. If a proxy holder cannot accept a full proxy due to the limitations imposed by Section 3.6(e) or Section 3.7(g), the International Secretary may assign a proxy of partial voting weight.
- (e) General proxies may be given by:
 - (i) A Country Committee Chair, Vice Chair, or Voting Representative to: a member of Democrats Abroad within the same Country Committee or a DPCA member of the same Region;

- (ii) DNC Member (elected by Region) to: a DPCA Member of the same Region;
- (iii) DNC Member (elected at large) to: any DPCA Member;
- (iv) DPCA Officer to another DPCA Member.
- (f) A proxy vote may be cast by a member of Democrats Abroad within a Country Committee only if any member of Democrats Abroad within such Country Committee has attended one (1) of the three (3) DPCA meetings held immediately preceding the DPCA meeting at which such proxy vote is to be cast.
- (g) No person may hold more than four (4) proxies.
- (h) A proxy may be revoked in writing at any time prior to the call to order of a meeting.
- (i) If during the course of a meeting of the DPCA, a person duly recorded during the roll call as present must leave the meeting, temporarily or permanently, such person may give another participating DPCA Member a written proxy for the meeting valid for the duration of the absence or for the duration of the meeting concerned.
- (j) A DPCA Member holding two (2) positions may not issue a proxy with respect to more than one (1) such position if such member is absent from a meeting; if such member attends a meeting such member may issue no proxies.
- (k) Any rules on the treatment of proxies included in Democrats Abroad's Delegate Selection Plan will override the provisions in this Section for the purpose of that Plan.

Section 3.8 (Reserved)

Section 3.9 (Written Consents)

The DPCA may take any action under this Charter without a meeting if 90% of all DPCA Voting Members consent in writing to such action; provided, however, that no action to amend Section 11.1 may be taken under this Section 3.9. Such written consents shall be filed with the minutes of the DPCA proceedings and shall have the same force and effect as a vote taken by DPCA Members physically present. For the purposes hereof, writing shall include faxes and electronic communications that can be reduced to paper.

Article Four: Officers

Section 4.1 (Officers)

The elected officers of the DPCA shall consist of:

- (a) the International Chair, International Vice Chair, International Treasurer, International Secretary, and International Counsel, no more than two (2) of whom shall be from the same Country Committee at the time of the election. Such offices shall be held by individuals from at least two (2) different Regions; and
- (b) the Three (3) Regional Vice Chairs.

However, if there is no other candidate for any position, a candidate who would otherwise be ineligible under the previous sentences of this Section 4.1 may be elected. The

Executive Committee shall be comprised of these eight (8) elected Officers of the DPCA.

Section 4.2 (Election)

- (a) The Officers other than the Regional Vice Chairs shall be elected at the first meeting of the DPCA held in odd-numbered years, to serve for a term of two (2) years or until their successors have been elected. Election shall be by majority of the votes cast by the DPCA, subject to the provisions of Article 3.
- (b) The Regional Vice Chairs shall be elected and replaced pursuant to Section 6.2.
- (c) No officer, including Regional Vice Chairs, may serve in the same office for more than two (2) consecutive full terms. In the event that there is no candidate for a DPCA Executive Committee office, an Officer who has served two (2) consecutive terms in that office may be elected to a third term of that office by a two-thirds (2/3rds) majority vote pursuant to Section 4.1.

Section 4.3 (Nominations)

- (a) Prior to the election meeting, the International Chair shall appoint, after consultation with the Executive Committee, five (5) members of Democrats Abroad as a Nominations and Elections Committee (NEC), at least three (3) of whom shall not be DPCA Members. Members of the NEC shall not be candidates for office nor be elected to office.
- (b) It shall be the duty of the NEC to call for nominations for officers and to determine which individuals whose names are submitted for nomination are qualified to fill DPCA offices. To be qualified for DPCA office, an individual shall have been a member of Democrats Abroad for more than six (6) months prior to the close of nominations for the DPCA election. If the qualifications of an individual are unclear or challenged, the NEC may deem an individual genuinely residing outside the United States and its territories to meet membership qualification by a majority vote of the committee.
- (c) The names of the qualified individuals placed in nomination with the NEC shall be forwarded in writing to the International Chair and other DPCA Members by the NEC, after their qualifications have been determined, at least forty-five (45) days in advance of the scheduled election meeting of the DPCA. Nominations of qualified candidates for office may be made from the floor at the election meeting. The elections shall be conducted by the NEC.

Section 4.4 (Leadership Diversity)

The International Chair and International Vice Chair shall be from different Country Committees and shall be of different sex, as declared by each candidate in advance of the election. For the purposes of this section and Section 5.2(d)(iv), the term “sex” is defined as male, female, intersex, or any other classification of sex or gender that is legally recognized by any state or federal jurisdiction within the United States of America.

Section 4.5 (Replacement)

In the event of a vacancy of an office established under Section 4.1(i), including the resignation or removal of such officer in accordance with Section 2.4, the Executive Committee of the DPCA shall proceed immediately with the nomination of a replacement, subject to confirmation at the next meeting of the DPCA. If the replacement fails to be confirmed, nominations shall be taken from the floor, and an immediate election shall be conducted with votes cast by those in attendance. The person elected shall serve out the balance of the term. For the purposes of Section 4.2(c), a person elected to serve out the balance of a term for a period of less than 365 days shall not be deemed to have served a full term.

Section 4.6 (Responsibilities of the International Chair)

The International Chair shall be responsible for the carrying out of the programs and policies of the Democratic Party and Democrats Abroad. The International Chair shall preside at all meetings of the DPCA, establishing meeting agendas, and implementing decisions taken during DPCA meetings. Following consultation with the Executive Committee, the International Chair may appoint deputies or assistant officers (such appointments shall be promptly notified to the DPCA) and conduct the day-to-day business of Democrats Abroad. The International Chair shall be the chief spokesperson for the organization. The International Chair may, after consultation with the Executive Committee, create or terminate committees, task forces, caucuses and councils, determine their composition and purpose and appoint their chairs or co-chairs. The International Chair shall *ex officio* be a non-voting member of all committees, task forces, caucuses and councils.

Section 4.7 (Responsibilities of the International Vice Chair)

The International Vice Chair shall replace the International Chair whenever the latter is absent or is incapacitated, and shall have such other duties as may be prescribed by the International Chair.

The International Secretary shall keep minutes of DPCA meetings (taking particular note of all Standing Resolutions) and Executive Committee meetings, circulate minutes and records of action to DPCA Members, be responsible for maintaining all the administrative files and records and membership lists and databases of the DPCA and Democrats Abroad, and perform such other duties as may be prescribed by the International Chair.

Section 4.9 (Responsibilities of the International Treasurer)

The International Treasurer shall keep the financial records of the DPCA, establish a budget for approval of the Executive Committee, oversee its bank and other financial accounts, make an annual financial report to the DPCA, and ensure that any necessary reports or filings with the DNC or the governmental authorities of the United States of America and the several States, are timely made.

Section 4.10 (Responsibilities of the International Counsel)

The International Counsel shall be a qualified legal practitioner available for consultation on legal and procedural questions relating to Democrats Abroad and its activities, and the interpretation of and compliance with the Charter and Bylaws of the DNC, the Charter of Democrats Abroad and the bylaws of Country Committees, and serve as Parliamentarian at DPCA meetings. The International Chair may appoint a separate individual to serve as Parliamentarian.

Section 4.11 (Responsibilities of the Executive Committee)

The Executive Committee shall be responsible for the conduct of the affairs of Democrats Abroad in accordance with policies of the DNC and the DPCA. The Executive Committee shall establish its own rules and, when convened by the International Chair or one third (1/3rd) of its members, may act in a meeting, by telephone or electronic means. The Executive Committee shall adopt a budget for Democrats Abroad prior to the first meeting of the DPCA each year. Except as provided in the following sentence, decisions taken by the Executive Committee shall be by simple majority vote of those members present in person or by instructed proxy given to another member of the Executive Committee or, if such vote is taken in electronic or written form, by simple majority of the entire Executive Committee. By a two-thirds (2/3rds) majority of the entire Executive Committee, the Executive Committee may overrule any decision or action of any Officer.

Section 4.12 (Executive Director)

Following consultation with the Executive Committee, the International Chair may name an Executive Director to perform such duties as the International Chair may prescribe.

Article Five: Country Committees

Section 5.1 (Constituent Units)

The constituent units of Democrats Abroad are, except in exceptional circumstances, the Country Committees, which shall be the organized democratic expression of U.S. citizens overseas and shall further the aims of the Democratic Party of the United States of America and of Democrats Abroad. Except where otherwise deemed more expedient by the DPCA, Country Committees shall represent geographical areas coextensive with national boundaries.

Country Committees shall be responsible for their own internal management, including governance of their Chapters, and compliance with applicable laws, including without limitation the laws and regulations of the United States of America and the several States applicable to political parties and contributions to them (notably to the U.S. Federal Election Commission).

Section 5.2 (Admission)

To be admitted to Democrats Abroad as a Country Committee, a group must make application to the International Chair containing the following information:

Section 5.3 (DPCA Vote to Admit)

- (a) A two-thirds (2/3rds) affirmative vote of the DPCA at a duly called meeting shall be required to admit an applicant committee. It shall be a prerequisite for admission that, to the extent practicable, one (1) or more of the elected officers of the applicant committee shall have attended in person either one (1) meeting of the DPCA or of a Region prior to the meeting at which admission is voted upon and shall be known to at least one (1) DPCA Officer. Furthermore, it shall be a prerequisite for admission that the relevant Regional Vice Chair submits a statement to the DPCA attesting to the preparedness of the applicant committee to pursue its activities in compliance with the rules and regulations applicable to DPCA Country Committees, and to engage fully with its members, its region, and the DPCA generally. The structure and content of the admission submission will be established by the DPCA Executive Committee for uniformity, processed by the Regional Vice Chair, and when completed communicated to the DPCA Chair and Executive Committee together with submission of the request for admission to full Committee status.
- (b) A Country Committee admitted prior to September 30 of any year shall have two votes until the next membership certification under Section 3.6 (a); those admitted between October 1 and January 31 shall have no vote until the next annual certification.

Section 5.4 (Country Committee Compliance and Filings)

- (a) Each Country Committee shall hold an Annual General Meeting on or before June 30th of each calendar year and shall provide minutes of the Annual General Meeting to the International Secretary and the Regional Vice Chair at such time as determined under paragraph (c) of this section.

Country Committee's Bylaws, indicating any amendments made during the year.

- (c) Country Committees shall hold their elections no later than June 30th of odd-numbered years. Within fifteen (15) days of any election held by a Country Committee, the Secretary of such Country Committee shall certify the results of the election to the International Secretary and forward the minutes of the election meeting, with full address and contact information of the office holders so elected.
- (d) Without limitation of the foregoing, Country Committees shall at all times be in keeping with Sections 5.2 and 5.4; provided, however, that by a 4/5 majority vote of the Executive Committee of the DPCA or, by a majority vote of the DPCA at a regular meeting, upon written application, and for good reason, a dispensation from Section 5.2 (d) may be granted for a period not to exceed 2 years.
- (e) The Executive Committee shall establish from time to time the methods and procedures to be used by the Country Committees to verify and certify membership in Democrats Abroad for all purposes under this Charter, with the maximum accuracy reasonably possible for an association such as Democrats Abroad, provided that the methods and procedures require verification at least every four (4) years.
- (f) By February 20th of each year, the Secretary or Chair of each Country Committee shall certify to the International Secretary of the DPCA that, as of January 31st, the membership database containing the names and such other information as the DPCA Executive Committee shall require is current and correct for certification of the number of members of Democrats Abroad, and such certification must be attested to by the Secretary or Chair of such Country Committee. The database referred to in the previous sentence shall be in the format from time-to-time prescribed by the Executive Committee.
- (g) Each Country Committee shall provide within the required time such documents or information concerning the activities of the Country Committee as may be reasonably required by the International Chair or the Executive Committee.

Section 5.5 (Committees in Formation)

A country organization meeting all the requirements of Section 5.2 and having less than fifty (50) members of Democrats Abroad may, upon application to the International Chair of Democrats Abroad, be admitted as a Committee in Formation and thereafter may participate in activities of Democrats Abroad without the right to vote.

Section 5.6 (Chapters)

Any Country Committee may permit Chapters to be formed within local geographic areas, including by amendment of the Country Committee by-laws recognizing such Chapter(s). Chapters shall be recognized only for internal purposes of the Country Committee upon terms to be specified by the Country Committee. Recognized Chapters shall operate in compliance with the bylaws of the Country Committee (as may be modified in the judgment of the Country Committee from time to time), as well as the Charter and rules of Democrats Abroad.

The Chapter shall hold a meeting to elect a Chair and other officers defined in its Country Committee bylaws. The meeting shall be called upon reasonable notice and conducted

in accordance with the bylaws of the Country Committee and this Charter, respectively. The minutes of the meeting and contact details of individuals so elected shall be promptly provided to the Chair of the Country Committee.

All financial matters concerning Chapters shall be under the review and supervision of the Chair and Treasurer of the Country Committee who shall take into consideration the budget, sources, and proposed uses of funds relating to any Chapter. In any event, Country Committees shall be ultimately responsible for ensuring compliance by their Chapters with all applicable laws in accordance with Section 5.1.

Any dispute between a Chapter and its Country Committee may be brought before the DPCA Executive Committee for determination.

Section 5.7 (Members-at-Large)

Individuals residing in territories not having a recognized Democrats Abroad Country Committee may become members-at-large of Democrats Abroad and shall enjoy all rights and privileges of individual members of Democrats Abroad as they shall be determined from time to time by the DPCA.

Section 5.8 (Suspension of a Country Committee Officer)

- (a) A Country Committee Chair, Vice Chair may be suspended from office by a 7/8ths vote of the DPCA Executive Committee or by a two thirds (2/3rds) vote of the DPCA, which suspension shall be promptly communicated in writing to the individual concerned and to the Executive Committee of the affected Country Committee, if the Country Committee Officer engages in unacceptable conduct that seriously harms the interests of the Democratic Party of the United States of America, the DNC, Democrats Abroad, or its own Country Committee. Unacceptable conduct may include, but is not limited to, violations of the DPCA Code of Conduct. The Country Committee Officer and the Executive Committee of such Country Committee shall be notified in writing of the initiation and nature of the charges and the DPCA Executive Committee will provide ample information to enable a defense to be prepared. A Country Committee Officer suspended under this paragraph (a) may request a prompt hearing to be held within thirty (30) days and the DPCA Executive Committee shall make such arrangements as it deems best suited to protect all interests, in the context of a global party, including supervising a new election. The hearing may, without limitation, be held by telephone conference call or video conference. The DPCA Executive Committee shall adopt such rules of procedure for hearings in connection with the proposed suspension of a Country Committee Officer as it deems necessary to ensure that the hearing is conducted in a fair manner and the decision, with an ample explanation of the reasoning involved, shall be communicated in writing;
- (b) If in the judgment of the International Chair a Country Committee Officer is guilty of serious and highly unacceptable conduct that, if continued, would irreparably damage any of the aforesaid interests, the Chair may immediately issue a temporary order of suspension, indicating the grounds for such action, and shall simultaneously inform the DPCA Executive Committee of such action and the reasons

therefore. Within seven (7) days the DPCA Executive Committee shall either schedule a hearing under the foregoing subparagraph or shall terminate the temporary order.

Section 5.9 (Suspension of Country Committee or Country in Formation)

- (a) A Country Committee or Committee In Formation may be suspended from full membership by a seven-eighths (7/8ths) vote of the DPCA Executive Committee or by a two-thirds (2/3rds) vote of the DPCA, which suspension shall be promptly communicated in writing to the Chair and Vice Chair of the affected Country Committee, if it:
 - (i) fails to hold an election of officers within six (6) months following the date prescribed by the Country Committee's Bylaws. Any Country Committee or Committee in Formation suspended under this paragraph may be reinstated to full rights by the DPCA upon filing an application with the International Chair accompanied by a copy of the minutes of a valid election meeting certified as true by the Country Committee's Chairperson and Secretary; or
 - (ii) engages in unacceptable conduct that seriously harms the interests of the Democratic Party of the United States of America, the DNC, Democrats Abroad, or its own Country Committee. Unacceptable conduct may include, but is not limited to, violations of the DPCA Code of Conduct. The Chair and Vice Chair of such Country Committee shall be notified in writing of the initiation and nature of the charges and the DPCA Executive Committee will provide ample information to enable a defense to be prepared. A Country Committee or a Committee in Formation suspended under this paragraph (b) may request a prompt hearing to be held within thirty (30) days and the DPCA Executive Committee shall make such arrangements as it deems best suited to protect all interests, in the context of a global party, including supervising new elections. The hearing may, without limitation, be held by telephone conference call or video conference. The DPCA Executive Committee shall adopt such rules of procedure for hearings in connection with the proposed suspension of a Country Committee as it deems necessary to ensure that the hearing be conducted in a fair manner and the decision, with an ample explanation of the reasoning involved, shall be communicated in writing.
- (b) If in the judgment of the International Chair a Country Committee or Committee In Formation is guilty of serious and highly unacceptable conduct that, if continued, would irreparably damage any of the aforesaid interests, the Chair may immediately issue a temporary order of suspension, indicating the grounds for such action, and shall simultaneously inform the DPCA Executive Committee of such action and the reasons therefore. Within seven (7) days, the DPCA Executive Committee shall either schedule a hearing under the foregoing subparagraph or shall terminate the temporary order.
- (c) Country Committees may be suspended upon unanimous vote of the DPCA Executive Committee if the Country Committee's certified membership in Democrats Abroad falls significantly due to actions or failure to act objectively attributable to the Country Committee.

Section 5.10 (Removal of Out of Compliance Country Committees)

- (a) If a Country Committee (i) fails to fully comply with the requirements of Section 5.4 for four (4) consecutive years or (ii) is suspended pursuant to Section 5.9 and fails to take the steps necessary to have such suspension overturned during the four (4) years after being suspended, then such Country Committee shall automatically be removed from the DPCA without any additional notice or action being required on the part of the DPCA unless the DPCA Executive Committee votes by a seven-eighths (7/8ths) vote to delay removal for a period of one (1) year. If the DPCA Executive Committee votes to delay removal and the Country Committee fails to fully comply with the requirements of Section 5.4 or to take the steps necessary to have their suspension overturned within the 12 (twelve) months following the vote, then on the first anniversary of the vote to delay, the Country Committee shall automatically be removed from the DPCA without any additional notice or action being required on the part of the DPCA. Members of a removed Country Committee become members-at-large of Democrats Abroad.

Article Six: Regions

Section (6.1 The Regions)

Groupings of Country Committees shall be divided into the following geographical Regions: (i) Europe-Middle East-Africa; (ii) Asia-Pacific; and (iii) the Americas. The composition of Regions may be altered by a standing resolution adopted at any meeting of the DPCA by a two-thirds (2/3rds) majority of those Country Committees present in person or by proxy.

Section 6.2 (Regional Vice Chair)

- (a) Each Region shall elect a Regional Vice Chair at a meeting of the Region held in odd-numbered years. Election shall be by simple majority of the votes cast by the Chairs (or Vice Chairs) of the Country Committees in the Region in attendance. Each Country Committee will be allocated one (1) vote in electing the Regional Vice Chair, to be cast by the Chair or the Vice Chair. If both the Chair and the Vice-Chair are in attendance, then the single Country Committee vote will be divided into two (2) one-half (1/2) votes. Voting shall be in person or electronically. The term of office of a Regional Vice Chair shall be for a two (2)-year period or until the election of a successor at the next Regional meeting during an odd-numbered year, provided that the election shall take place prior to the conclusion of the Global Meeting in odd-numbered years.
- (b) In the event of a vacancy of the office of Regional Vice Chair, including the resignation or removal of a Regional Vice Chair in accordance with Section 2.4, the Executive Committee of the DPCA shall proceed immediately with the nomination of a replacement. A meeting to confirm a Regional Vice Chair shall be held within ninety (90) days of the nomination of the replacement by the Executive Committee of the DPCA, provided that 30 days' notice, including the date, time, location, and purpose of the meeting, is sent to all regional electors. The meeting may be held

solely by, or in conjunction with, electronic participation, provided that, at a minimum, the technology used to conduct the meeting enables simultaneous aural communication (i.e., audio conference). The confirmation vote shall follow the same election procedures as set forth in Section 6.2(a). If the replacement fails to be confirmed, a DPCA officer shall server as Chair *pro-tem* of the meeting, take nominations from the floor, and conduct an immediate election with votes cast by those in attendance. The person elected shall serve out the balance of the term. For the purposes of Section 4.2(c), a person elected to serve out the balance of a term for a period of less than 365 days shall not be deemed to have served a full term.

- (c) Regional Vice Chairs must be members of Democrats Abroad and must have their principal residence in the Region for which they are elected.

Section 6.3 (Duties of Regional Vice Chairs)

The Regional Vice Chairs shall, under the direction of the International Chair, promote cooperation among the Country Committees in the respective Regions and implement any Regional programs or plans adopted by the Regional Committees, provided such programs or plans have been approved by the International Chair in consultation with the Executive Committee.

Section 6.4 (Regional Meetings and Communication)

Members of Democrats Abroad residing in a Region may meet by appropriate means of communication to consider matters relating to that Region. The Regional Vice Chair shall preside over such Regional meetings. In the absence of the Regional Vice Chair, the members of Democrats Abroad in attendance at the meeting shall elect a Presiding Officer *pro-tem*. The rules applicable to such meetings shall be the same as those applicable to DPCA meetings.

To the extent feasible, Regional meetings shall be held in those countries that so request. A prompt report of each meeting shall be made to the DPCA by the Secretary *pro-tem* of the meeting.

Article Seven: Democratic National Committee

Section 7.1 (DNC Members)

The Members of the Democratic National Committee representing Democrats Abroad shall be:

- (a) The International Chair and International Vice Chair of the DPCA, *ex officio*;
- (b) Six (6) additional DNC Members to be elected as provided in Section 7.2 (or such lesser or greater number of additional members determined by the DNC), no more than one (1) of whom shall be resident in the same country.

Section 7.2 (Election of DNC Members)

Each of the six (6) elected DNC Members shall be eligible to serve in such position for

no more than two (2) consecutive full terms and shall be elected for a term of four (4) years at a meeting of the DPCA to be held during the year of the National Convention, to be chosen as follows:

- (a) At Regional Conventions held pursuant to a duly authorized and accepted Delegate Selection Plan, the delegates to each Regional Convention elected under the Plan shall elect one (1) DNC Member from that Region by majority vote of delegates physically present;
- (b) The remaining DNC Members to represent Democrats Abroad shall be elected by majority vote of the Democrats Abroad Convention (excluding the incumbent elected DNC Members);

The International Chair and International Vice Chair of the DPCA may not cumulate membership as *ex officio* members and as elected DNC Members. Elected DNC Members need not be DPCA Members. All Democrats Abroad DNC Members must have their principal residence abroad and their number shall be equally divided between men and women.

Section 7.3 (Vacancy)

Any vacancy occurring among the elected DNC Members shall be filled by the Executive Committee of the DPCA, subject to confirmation at the next meeting of the DPCA for the At-Large elected DNC Members, and at a Regional meeting for the Regionally elected DNC Members. At such meeting, nominations shall be taken from the floor, and a replacement DNC Member shall be elected for the unexpired remainder of the term, by a majority vote of the DPCA, excluding the remaining elected DNC Members. A person elected to serve out the balance of a term for a period of less than 730 days shall not be deemed to have served a full term.

Article Eight: National Convention

Section 8.1 (Delegate Selection)

Delegates to the National Convention of the Democratic Party or Democratic Party Conferences shall be elected by the members of Democrats Abroad pursuant to procedures to be established by the DPCA in accordance with the Delegate Selection Rules and Regulations of the Democratic Party of the United States of America and such other rules, regulations, and procedures adopted by the DNC.

Article Nine: Finances

Section 9.1 (Contributions by Country Committees)

Each Country Committee shall make its best efforts to assist the DPCA in meeting the expenses of Democrats Abroad, in accordance with general policies to be determined from time to time by the DPCA by means of standing resolutions. Each Officer and DNC Member shall make her or his best efforts to assure that Democrats Abroad is adequately funded. Nothing herein contained shall be deemed as an obligation to contribute personally to the financial resources of Democrats Abroad.

Article Ten: Parliamentary Authority

Section 10.1 (Parliamentary Authority)

The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern in all cases to which they are applicable and in which they are not inconsistent with this Charter and any special rules of order that the DPCA may adopt.

Article Eleven: Amendments

Section 11.1 (Amendments)

This Charter may be amended by the affirmative vote of two-thirds (2/3rds) of the votes cast under the procedure provided for in Sections 3.6 and 3.7, at a regularly constituted meeting of the DPCA. Such qualified majority must include votes from at least one-third (1/3rd) of all Country Committees.

Notwithstanding any other provision in this Charter, casting votes to amend the Charter by letter or electronic means shall not be permitted unless there has been discussion of the amendment at the immediately preceding meeting.

The text of any proposed amendment shall be circulated with the notice of any meeting where said amendment shall be discussed or voted upon.

Section 11.2 (Review, Certification, and Distribution of Charter Amendments)

Within 30-days of any amendment to this Charter that is duly passed by the DPCA according to Section 11.1, the International Secretary, or the secretary designated to record such amendments, shall submit the minutes and record of such amendments or changes to the International Counsel. Within 15-days of receipt, the International Counsel, in consultation with the Bylaws Committee (or other relevant committee as constituted at the time of such amendments), shall review, revise, and correct the text to accurately reflect the amendments as voted upon by the Members. The International Counsel shall then certify and provide a final, date-stamped, version of record of this Charter, shall post it in appropriate archives (such as the Democrats Abroad Wiki Documentation Archive), and shall circulate such to all DPCA members.
